The meeting was called to order at 8:05 p.m. by Vice President Brett Asselstine in the Ravalli Room of the Lodge. The minutes were approved as corrected. The correction was that Baird was misspelled twice on page three.

**BUDGET AND FINANCE**

Carroll said the committee went over the AWS budget again. Budget and Finance would like to request that Central Board reconsider the appropriation made last week for six FM convertors. **ANDERSON MOVED TO RECONSIDER THE MOTION THAT SIX FM RADIO UNITS BE PURCHASED FOR BRANTLY, ELROD, TURNER, MILLER, KNOWLES, AND THE LODGE WITH THE STIPULATION AND UNDERSTANDING THAT CENTRAL BOARD OBTAIN A LAWYER TO DRAW UP A CONTRACT FOR THE ABOVE TRANSACTION. SECONDED BY BAIRD. MOTION PASSED WITH LANMAN OPPOSED AND BEHAN ABSTAINING.** Carroll said that the committee did not know if this was in conflict with the Constitution. Mr. Chapman told the committee that he did not recommend the use of the convertors for at least two years. He also said that the lodge had not been asked if they wanted a convertor. It was pointed out that the dorms have their own social funds. The living groups have not been consulted as to whether they want a unit or not. Also there was not a quorum at the Budget and Finance committee meeting the week this allocation was recommended. Carroll said that the committee did not know if this bid was the lowest one. The committee felt that perhaps the money could be obtained from some other source. Carroll said that Central Board should be sure that the students really want these convertors. Kitzenberg said that Central Board should buy these units and not leave it up to the dorms. The unit in Craig Hall would be fixed at the same time the other units were installed. He said that Mr. Hess said the station is definitely not going to convert to AM. Kitzenberg felt that Budget and Finance was trying to kill this proposal. Maxson said that he did not see a need for the units. If the students want to listen to FM they could buy an FM radio. **COSMAN MOVED FOR THE PREVIOUS QUESTION. SECONDED BY MAXSON. MOTION PASSED WITH BAIRD, LANMAN, AND MAXSON OPPOSED, AND LINK ABSTAINING.**

THE ORIGINAL MOTION WAS DEFEATED WITH CROMWELL, KITZENBERG, LANMAN, AND WALDRON IN FAVOR AND ANDERSON ABSTAINING.

**STUDENT LIFE COMMITTEE**

Thompson said this committee will consist of 11 students and 6 faculty members. This committee will discuss rules and regulations concerning the students' life and make recommendation. They sent out a ballot today for a vote on whether girls' hours should be extended to 12 on weekdays and 2 on weekends, whether the number of times a girls can leave campus should be unlimited, and whether each living group should determine men's visiting hours for their living group. The committee is going to consider further a proposal drawn up by some law students establishing a Board of Review. Starting next quarter the library will be open every night until 12.

President Johns is sending a letter to the parents of freshmen to get their reaction to the regulation that freshman should not have cars. Anderson said that the cooperation of the administration has been tremendous. He feels that it will lead to some constructive changes. Fairley said that the long range goal is to get the University out of the dormitory business. They faculty should be only for educational purposes. Waldron said that the Budget and Policy committee was asked to select the faculty members for this committee. This Budget and Policy committee was not aware of the procedures, membership, or job of this new committee. The Budget and Policy committee submitted a list of 10 names to the President to have him make the final selection. The reason for this was not because of any reservation on the part of the committee but the Budget and Policy committee felt that this was a presidential committee and therefore it was a policy to submit names to the President for his
final selection. The Budget and Policy committee was unwilling to accept the responsibility of naming the members of a presidential committee. Anderson said it was his understanding that the students were appointed by Central Board and that a committee would be formed by the faculty and that these two committees would be combined for a joint committee. Waldron pointed out again that the action by the Budget and Policy committee was in no way a reservation of the committee to what was being done, the committee just did not feel that it was in a position to appoint these members. Cromwell wanted to know if the 11 students referred to were those who were appointed last week. Thompson said they were. It was the same committee only it had a new name. Carroll said that he felt Central Board should direct the Student Life committee to write a letter to the alumni association, the Board of Regents, the City Council, and the Governor telling the facts involved in the so-called riots of last week. He felt that this was necessary in order to clarify a letter sent by the City Council to these people. Behan moved that the new Student Life Committee be directed to compile a report of the facts in the "riots" and the suspensions and reinstatements of the six students and send it to the City Council, the Board of Regents, the Governor, and the Alumni Association. Seconded by Baird. Anderson moved to amend by substitution that Central Board request the President of ASUM to write a letter to the Alumni Association, the Board of Regents, the Governor, and the City Council supporting the President's action of the past weekend. Seconded by Fairley. Anderson felt that the ASUM president was the spokesman and he should write the letter instead of a committee. Also the Student Life Committee did not study this particular issue. Waldron said that the committee was appointed to discuss disciplinary policy which is different than disciplinary action on a particular case. He felt that the matter should be forgotten because nothing could be gained by this. Stockamp moved for the previous question. Motion passed unanimously. The substitute motion was defeated with Lanman and Stockamp in favor. Behan withdrew his motion and then changed his mind and left it on the record. Carroll said that this suggestion came from the Faculty-Student Committee. They felt that an impartial statement should be supplied with the facts to counteract the letter sent by the City Council which discredits the action of the president and also the University. Carroll said that Faculty-Student Committee would act if Central Board did not. Cromwell moved to table this motion until next week. Seconded by Cosman. Motion passed with Behan, Fairley, Lanman, Link, and Nisbet opposed; Anderson, Cosman, Cromwell, Kitzenberg, Mofow, and Waldron in favor; and Maxson and Stockamp abstaining.

leadership camp
Hacker said that the topic will be the students' relationship to the administration, faculty, and Board of Regents. The committee is trying to bring in a big name speaker. The place and prices are the same as last year. The committee has already gotten the chaperons and some of the faculty speakers. Davis wanted to know how they were going to select the people who attend the camp. Hacker said that either committee is going to request that only the President and Vice President of a organization attend and that names from each organization be submitted to the committee for their selection.

Publications Board
Archibald said that Pub Board recommended Phil Gibbs as photographer of the Kaimin. Cosman moved that Central Board accept this recommendation and approve Phil Gibbs as photographer of the Kaimin. Seconded by Nisbet. Kitzenberg wanted to know what happened to Randy Knight. Archibald said that he did not reapply. Motion passed with Nisbet and Baird abstaining. Pub Board recommended JoAnn Hacker as news editor. Cosman moved to accept the recommendation and approve JoAnn Hacker as news editor.
SECONDED BY MAXSON. MOTION PASSED UNANIMOUSLY. Pub Board recommended Ron Pierre, Mark Satre, Ellen Broadus, and Nils Rosdahl as associate editors of the Kaimin.

COSMAN MOVED TO ACCEPT THE RECOMMENDATION OF PUB BOARD AND APPROVE RON PIERRE, MARK SATRE, ELLEN BROADUS, AND NILS ROSDAHL AS ASSOCIATE EDITORS. SECONDED BY BAIRD. MOTION PASSED WITH LAINMAN, STOCKAMP, AND NISBET ABSTAINING. Pub Board recommended Dave Foy as editor of the Garret. His application was approved by the committee even though it contained some conditions. Behan said it was his understanding that in the new policy statement of the Garret the Garret editor alone would be responsible for the content of the Garret. Foy said that this statement that he submitted to Pub Board was only a guideline. COSMAN MOVED TO ACCEPT PUB BOARD'S RECOMMENDATION AND APPROVE DAVE FOY AS GARRET EDITOR. SECONDED BY ANDERSON. Cosman said that he would question whether we should accept someone on a condition. If we wait to approve him, however, that will give the staff less time to work on the magazine. There will be a special meeting of Publications Board at 4 next Tuesday to discuss the Garret Policy Statement. Central Board members and anyone else who is interested is urged to attend. Cosman said that the other applicants for the Garret staff also came on this condition. Archibald said that this formality should not hold up the approval of this applicant. ANDERSON MOVED TO TABLE THIS MOTION. MOTION FAILED BECAUSE OF A LACK OF A SECOND. Asselstine said that he could not remember a time when Central Board has approved someone on a condition. He felt that we should wait until there has been discussion of the policy statement. Archibald said that this new statement had very few changes from the old one. She did not feel we should wait because the staff is working now to put out a magazine for Spring quarter. BEHAN MOVED TO TABLE THIS MOTION FOR A WEEK. SECONDED BY ANDERSON. MOTION PASSED WITH MAXSON OPPOSED. Archibald said that the other Garret applications hinged on this condition, so those will wait until next week also. She said that the Sentinel has been notified that they would have to move their photography lab by May 1. If they do not find a place, the 1966 Sentinel will not be out on time. Archibald said that she is trying to locate a place.

VICE PRESIDENT'S REPORT

ASSELSTINE MOVED THAT CENTRAL BOARD ACCEPT CLIFF CHRISTIAN AS CHAIRMAN OF W.U.S. SECONDED BY BEHAN. MOTION PASSED WITH BAIRD OPPOSED. ASSELSTINE MOVED THAT CENTRAL BOARD APPROVE LEE TICKELL AS PROGRAM COUNCIL DIRECTOR. SECONDED BY MAXSON. MOTION PASSED UNANIMOUSLY. ASSELSTINE MOVED THAT CENTRAL BOARD APPROVE JANET EVANS AS CO-CHAIRMAN OF FRESHMAN CAMP. SECONDED BY MAXSON. Nisbet said that this person had to be from Missoula because there was something to do every day. Asselstine said that the chairman would be from Missoula, but he did not have that person's application tonight. ASSELSTINE WITHDRAW HIS MOTION AND MAXSON WITHDRAW HIS SECOND. ASSELSTINE MOVED THAT CENTRAL BOARD ACCEPT SCOTT WHEELER AS A MEMBER OF PROGRAM COUNCIL. SECONDED BY MAXSON. MOTION PASSED WITH CROMWELL ABSTAINING. ASSELSTINE MOVED THAT CENTRAL BOARD APPROVE AUDREY KOEHLER AS A MEMBER OF LEADERSHIP CAMP COMMITTEE. SECONDED BY COSMAN. MOTION PASSED UNANIMOUSLY.

PLANNING BOARD

Behan said that the commissioners from Bozeman would be here Saturday morning. There will be a joint meeting from 10 until 12 with speeches, informal discussion, and lunch. There will be more in the Kaimin later this week.

AUXILIARY SPORTS BOARD

Stockamp said that all sports covered by Auxiliary Sports are to have their budgets in by next Tuesday so that Auxiliary Sports Board can submit a budget to Budget and Finance within the next couple of weeks.
FILM COMMITTEE
Davis said that the films have been ordered and they will be shown on March 14 and 15 at 8:00 in the Territorial Rooms.

HONEY BEARS
Link said that beginning Spring quarter applications will be available. Only if there is enough response, will interviews be held. She said that she has serious doubts as to whether there would be enough interest because some of their activities overlap with the Spurs. The Constitution and by-laws of the Honey Bears were handed out for suggestions.

OLD BUSINESS
Davis said that Traditions Board is in the red. He felt that this committee should stay within its budget or go to Budget and Finance to obtain more funds, but that they should not just spend the money. Aselstine recommended to the Chairman of Traditions Board that the committee try to limit its expenditures or go before Budget and Finance to obtain more money.

Behan moved for adjournment. Seconded by Baird. Motion passed unanimously.

Present: Anderson, Aselstine, Baird, Behan, Cosman, Crowell, Fairley, Kitzenberg, Lanman, Link, Maxson, Morrow, Nisbet, Stockamp, Waldron, Carroll, Archibald, Foy, Bergstrom, Tate, Kerkvliet, Barber, Davis, Ailiker, Skemp, Hacker, Thompson

Absent: Haarr, Ross, Wendte

Respectfully submitted,
Lynne Morrow
ASUM Secretary
