2                                   **Resolution Amending Article V, Section 13 of the ASUM Bylaws**

3                                   **April 2, 2020**

4                                   **SB73-19/20**

5                                   **Authored by: Zoe Nelson, ASUM Senator;**

6  
7   Whereas, The Associated Students of the University of Montana (ASUM), as an organization, is  
8   bound by its governing documents;

9  
10   Whereas, Article V of the ASUM Bylaws outline the makeup and function of all committees and  
11   boards;

12  
13   Whereas, Article V, Section 13 describes the makeup, functions, and duties of the Transportation  
14   Board;

15  
16   Whereas, Article V, Section 13, Subsection A outlines the makeup of the Transportation Board:

17  
18                   *A. The transportation Board shall be composed of no fewer than five (5) and no*  
19                   *greater than ten (10) voting members, of which three (3) will be members of the*  
20                   *ASUM Senate, and at least two (2) will be students-at-large. Non-voting members*  
21                   *of the board shall include the ASUMOT Director, the ASUMOT Road Supervisor,*  
22                   *and the ASUMOT Bike Coordinator. The ASUM Transportation Board will meet*  
23                   *a minimum of once monthly. Sub-committees will be created as deemed to be*  
24                   *necessary by the board with members from the Transportation Board.;*

25  
26   Whereas, In Spring 2019, ASUM hired the ASUM Sustainability Coordinator as a full-time,  
27   classified, non-student staff member;

28  
29   Whereas, To facilitate the additional cost of a full-time, classified, non-student position, ASUM  
30   Transportation offered to pay for 25% of the position's wage;

31  
32   Whereas, As a result of 25% of the ASUM Sustainability Coordinator's wages being paid by  
33   ASUM Transportation, the ASUM Sustainability Coordinator dedicates 25% of their time to  
34   sustainability initiatives within the ASUM Office of Transportation;

35  
36   Whereas, The Sustainability Coordinator oversees the Transportation Ambassadors, all of their  
37   programming, and social media for the Office of Transportation;

38  
39   Whereas, The Sustainability Coordinator is closely involved in decision-making processes and  
40   discussions in the ASUM Office of Transportation;

41  
42   Whereas, A recognized spot on the Transportation Board gives the ASUM Sustainability  
43   Coordinator a permanent voice on the Board and enables the ASUM Sustainability Coordinator  
44   to be up-to-date with ASUM Transportation operations and initiatives;

45

46 Whereas, Additional changes to the makeup of the Board, in terms of Senatorial participation,  
47 would be appropriate to ensure the Transportation Board is fully composed on an annual basis;  
48

49 Whereas, Recruiting Students-at-Large for the Transportation Board has been historically  
50 difficult;  
51

52 Whereas, Five members are required to vote on changes to the long-term strategic plan, to vote  
53 to approve the budget or large projects, and any other binding votes;  
54

55 Whereas, A flexible seat would ensure the Transportation Board can be filled in an appropriate  
56 manner in order to vote on pressing matters, while still retaining an optional six seats for  
57 Students-at-Large;  
58

59 Whereas, Some repetition and grammatical errors exist within Article V, Section 13 of the  
60 ASUM Bylaws;  
61

62 Therefore, Let It Be Resolved, That Article V, Section 13 be amended to read:
