VOLUME XXVI. NUMBER 3.

MONTANA TO CLASH WITH HEAVY O.A.C. TEAM

"THE BAD MAN" TO APPEAR IN UNIVERSITY'S THEATER

Tryouts Open to Students With Dramatic Talent; Will Meet Tuesday

"The Bad Man" has arrived, according to Carl Glick, dramatics director. The play of this name, which is to be produced as the major theatrical of the fall term, has been received from publishers and a try-out date for cast parts has been set for next Tuesday night. The director wishes to announce that the tryouts are open to all University students and all who have dramatic ability have been requested to appear in Main hall auditorium at 7:30 Tuesday evening. "There will be about 14 parts in the play," said Mr. Glick, "and I want as many students to turn out for the tryouts as is possible."

To Open Little Theater
"The Bad Man," made famous by Holbrook Blinn, will be the first play to be produced in the University's own theater and will also be staged by an amateur company for the first time. Under the ruling of the Masquers, University dramatics organization, any student, not already a member of the organization, who participates in this play, will have one appearance credited toward his prospective membership record, the minimum requirement for which is three appearances.

Plans for the interior decoration of the theater have been completed, and work will begin within a short time. As soon as the tryouts are completed and a cast selected, rehearsals will begin and the play will be well under way by the time the building is ready. Negotiations for auditorium seats will be completed sometime next week. Work of installation will commence as soon as the seats arrive on the campus.

Bright Year Ahead
From the layout of plans for the coming year, Montana university will have the best theatrical year of its history during the 1926-27 season. While no more than the usual number of plays will be produced during the year, the better facilities will make possible the better production of the plays which are to be staged. It is probable that two more major plays will be given, one in the winter and one in the spring. In addition to these, numerous one-acts will be shown.

WAA MEMBERS HOLD SWIMMING PROGRAM

Organization Honors Frosh Women At party in Men's Gym Last Night

Honoring all freshmen women WAA entertained Thursday evening at a swimming party in the men's gym.

Beginning at 8 o'clock, there was swimming in the University pool. A program of races and fancy diving entertained the swimmers and girls who crowded into the gallery and pool. Frances Nash and Eileen Barrows made up the team that won the candle relay race, defeating Elizabeth Veach and Margaret Sterling. Stella Skulason and Eileen Barrows took part in a clown life-saving stunt.

Refreshments were served at 9 o'clock in the women's gym. While the crowd was eating Ruth Ganaway, Dorothy Cohen, Lillian Mains and Evelyn Clinton danced a clog dance. Frances Elze, accompanied by Genevieve Clay, played popular music on the saxophone. After a talk by Margaret Sterling, president of WAA, on the point system, Miss Laux awarded "M" sweaters to Elsie Brown, Annabelle Desmond, Anne Stephenson and Margaret Sterling. Two clever readings were given by Alice Lease, and Solray Anderson entertained with singing. Dancing completed the program.

Classes Will Choose Officers Next Week; Juniors Meet First

Last year's class presidents are undecided as to the day set for their first meeting. Up to this time only one president has given notice as to the time set for electing officers.

Norvald Ulvestad, president of the Junior class of '27, has not designated a definite date for the meeting of the Senior class, but as there are several important matters to be discussed, as well as the election of officers, he will announce the day sometime next week.

There will be a meeting of the Junior class Monday afternoon, according to Theodore Hodges, president of last year's Sophomore class, not only for the purpose of electing officers, but to get the sanction of the Juniors for Robert MacKenzie for editor of this year's annual, in place of George Wilson, who was elected editor for the yearbook last spring, but failed to return to school. Arthur Burns, president of last year's Freshman class, will not call a meeting of the class until the Senior and Junior meetings.

Henry Miller, president of the class of '30, states as there is nothing of great importance to discuss, there will not be a meeting of the class for sometime.

Although the Freshmen wear their green hats, as a mark of respect to the Sophomores, there has been no opposition between these two classes as in past years.

FROSH LEARN YELLS: PEP RALLY TONIGHT

Prexy Clapp and Major Milburn Urge Student Support at O.A.C. Game Tomorrow

Freshmen were initiated to Montana yells and songs at the first SOS of the year, which was held last night on Main hall steps.

Maor Frank W. Milburn, Montana's new coach, in a few words of address, urged students to stand behind their team and push. "Prexy" Clapp said that he had never seen a team develop so rapidly as this year's team, and that this development has been due largely to spirit and enthusiasm.

Walter "Spot" Sanford, yell king, announced that an all-University rally will be held tonight at 7:30 o'clock, starting at the oval. He also urged that reservations be made for the game tomorrow, as these are necessary for admittance.

ROTARIANS TO ENTERTAIN FACULTY AT HOMES CLUB

Men of the faculty of the University will be guests of the Rotary club smoker at the Orchard Homes club house Wednesday night, according to Dean T. C. Spaulding, one of the committee in charge.

The Rotary club gathering, which is strictly a stag affair, is scheduled for 8 o'clock. DeLoss Smith is in charge of the music. Dr. W. E. Schreiber heads the entertainment committee and Dean Spaulding will make arrangements for transportation. Cars will be at the service of the guests to take them to and from the Club house.

ALPHA PHI FRATERNITY ENTERTAINS AT DANSANT

Members of the Alpha Phi fraternity entertained the pledges of the various fraternities at a tea dansant, given at the chapter house at 404 Keith, Thursday afternoon from 3 to 6 o'clock. Sheridan orchestra furnished music for the affair.

WOMEN'S RIFLE CLUB WILL MEET MONDAY

Firing Will Commence October 12; Team to Be Picked Soon; O'Donnell Manager

Firing by the Women's Rifle club will commence October 12, according to Kathleen O'Donnell, manager of the club. Firing will continue until November 12, when a team will be picked. There will be 10 girls on this team, and each will get 100 points towards an "M" sweater. In addition, the girl making the highest total score in all matches shot off, will get an individual cup.

Meeting Monday
Monday afternoon at 5 o'clock, a meeting will be held in the women's gym of all girls interested in rifle, and at this time plans for the firing by the club will be discussed. All girls are invited to attend this meeting, especially those who were on any of the teams last year. All girls trying out for the first team will be divided into four intra-mural teams, which will compete until the first team is decided upon.

As only one quarter of rifle is to be given this year, all women interested in this sport should attend the meeting Monday night. Freshman women are not eligible for the rifle team, and no credit is given for the course, but instruction and supervision is furnished for those who are interested. All rifle for the year will be over by December 10, says Miss O'Donnell.

STORE WILL INSTALL TOASTWICH MACHINE

"Here they are, step right up and get them while they're hot," cries the clerk at the student store.

Hungry students just out of a ten o'clock class come in and order one, but one calls two until the appetite is appeased to a certain extent.

Cooks at the fraternity and sorority houses wonder what the matter with the appetites of the boarders, the old cry of "seconds" is not heard as often at the tables.

The student store will be the scene of mad dives, and cries of "when do we eat?" will be heard.

Morris McCullum announced that sometime next month a toastwich machine will be installed at the ASUM store.

Nofsinger Named Business Manager 1927 Year Book

Robert Nofsinger was appointed business manager of the Sentinel at the regular meeting of the Central board last night.

Two men, Jerome Dahl and Georges LaRoux, were appointed assistant football managers to fill vacancies. Under the new system of choosing football managers they will compete with the other Frosh and Varsity managers for future years. The new system calls for one Frosh manager, one Varsity manager and two assistants under each. From the assistants the managers will be chosen by merits of past work. This is to apply in all major sports.

New class representatives are asked to attend the meetings held in the ASUM offices in Main hall.

ECONOMICS PROFESSOR TAKEN SICK IN BILLINGS

Because of illness Professor Clyde Burgee of the Economics department will be unable to meet his classes for the next week or ten days. Professor Burgee suffered a sudden attack of stomach trouble while enroute to Missoula and is a patient in one of the Billings hospitals.

John R. Hahn, pastor of the University Congregational church, is in charge of Mr. Burgee's classes until the professor returns.

BUSINESS MANAGER SAYS STUDENTS MUST RESERVE SEATS FOR O.A.C. GAME

Reservations for the O.A.C. game Saturday are coming in slowly, according to Mike Thomas, business manager. All who have not yet secured a reservation are asked to do so today. No one will be allowed admittance without such reservation.

"Most of the upperclass seats gone, but the Frosh are a little slow in getting theirs," said Thomas. All "M" men have reservations in the center section. They will not be admitted without a reserved seat ticket, as in the case of all other seats in the stands.

Paid admission seats open to the public are going along fine, but most of these will be taken by Saturday.

HEADS NAMED BY MASQUERS FOR THEATER

MEMBERSHIP OF CLUB GROWING RAPIDLY

Plans for Year Discussed and Committees Chosen at the First Meeting Wednesday Evening.

Various department heads and committees for the Little Theater were announced and approved at a meeting of the Montana Masquers, the University dramatic organization, in Main hall auditorium Wednesday evening. Plans for production for the year were also discussed by Carl Glick, dramatics coach.

The students who are now heads of departments are: stage manager, Phil Ring; stage carpenter, Harold Rhude; business manager, Harold Reely; art director, John Allen; electrical manager, John Schroeder; historical manager, Bill Garver; advertising, Aubrey Houston; and publicity, John Ryan. Assistants as far as possible will be selected by these heads from the Masquers. Otherwise, a production staff tryout to fill the remaining positions will have to be held later. A property manager and director of the costume and decorations department have also yet to be chosen.

Two committees were selected at the meeting, the first a committee on tour itinerary, composed of John Schroeder and Bill Garver; and the second a social committee, Nan Walsh, chairman, Mrs. H. G. Merriam, Ronald Miller and Bill Orton.

Have 37 Members

The officers of the Montana Masquers are: president, Phil Ring; vice-president, Nan Walsh; and secretary-treasurer, Hildegarde Weisberg. The members of the organization are: John Allen, Bill Charteris, Nelson Collins, Paul Curtis, Merlie Cooney, Edith Dawes, Maureen Desmond, Stanley Dohrman, Ralph Edgington, Edmund Fritz, Nelson Fritz, Bill Garver, Aubrey Houston, Paul Judge, Alice Lease, Donald Lines, Melvin Lord, Margaret Maddock, Bill Orton, Phil Ring, Evan Reynolds, Harold Reely, Evelyn Siderfin, Harold Shanklin, Lawrence Ulvestad, Nan Walsh and Hildegarde Weisberg. Pledges of the group are: Martha Dunlap, Myrtle Hollingsworth, Sarah Mershon, Ronald Miller, Elizabeth McCoy, Dorothy Norton, Harold Rhude, Adolph Still, John Schroeder and Eloise Walker.

CHANCELLOR BRANNON HERE FOR INSPECTION

Chancellor Melvin A. Brannon arrived in Missoula this morning to meet the faculty of the University and to attend the football game on Saturday.

While here he will attend to routine business of the Greater University of Montana. Chancellor Brannon will stay over for several days before visiting the rest of the state schools.

GLEE CLUB MATERIAL APPEARS PROMISING

Music Department Attracts Record Enrollment; Has New Equipment

"The School of Music has an enrollment of about 200, the largest in its history. Never before has there been better material turn out for the male chorus," said Dean DeLoss Smith, head of the School of Music.

The music house has been equipped with eight new pianos, including a new grand piano. Mr. Smith was also presented with a new grand piano by the Baldwin Piano company for his studio.

Have New Instructor

Miss Kathleen Munro, a graduate of the University of Washington, is assisting in the Music department. Miss Munro taught music for six years in Alberta Provincial Normal at Calgary, Canada. She will instruct the Girls' Glee club at the University this year. Her regular classes are the theoretical subjects and methods, sight singing and ear training, appreciation of music and the history of music.

"Two-thirds of last year's students are back and there is much excellent material among the new students. The orchestra has a membership of about 30," said Professor A. H. Weisberg. The first public performance will be December 9. The program will be announced later.

CHANGE OF ADDRESS WANTED BY STUBER

According to Harry Stuber, assistant registrar, this year is no exception in the failure of students to hand in changes in addresses. "It is absolutely necessary," said Mr. Stuber, "that every change of residence be recorded in the Registrar's office in order to enable us to find anyone when they are wanted. Also it is impossible for the Students' directory to be accurately compiled without all the changes recorded."

All former students know the advantage of the Students' directory and they, together with the freshmen, are urged by the business department to be prompt in recording changes of residence. "It is not much of a task to hand in a slip of paper with your name and address written on it," Stuber said, "and this will avoid an unlimited amount of confusion."

Fraternity Council Elects Officers for 1926-27 Season

Inter-fraternity council met at the Sigma Chi house Wednesday in the first regular meeting of the new year.

After attending to old business in connection with pledging, new officers were elected. Walter Sanford, '28, was elected president, succeeding Eddie Reeder. "Boots" Erwin was elected vice-president, and Bryan Leveridge, '29, was chosen secretary-treasurer. After the new officers were installed the council took up new business and then adjourned.

The next meeting will be held at the Sigma Phi Epsilon house October 13.

PROF. AND MRS. MERRILL TO WINTER IN EUROPE

Professor and Mrs. A. S. Merrill sailed from Montreal, Canada, on or about September 21, for a year's absence in Europe. They will land at Glasgow, Scotland. Here Mr. Merrill will do independent research work in some branch of mathematics at the University of Glasgow. They plan to stay in Glasgow until Christmas, when they will leave for the Continent where they will travel. They will return to London in the spring, where they will meet Professor and Mrs. J. Earl Miller who are also spending the winter abroad.

NEW GRIZZLY SQUAD BATTLES IN FIRST GAME TOMORROW

Underwood Stalks Some Envied Posts While in England

Doctor Underwood, head of the Economics department, passed the summer attending conferences of the economists of Great Britain. While there he was asked to represent the British government in conferences which will be held in the United States during the coming year. Doctor Underwood is expected to return in about ten days to take up his duties at the University.

In London Professor Underwood recently attended a dinner at the Mansion House of the Lord Mayor, where he was seated at the right of the Prince of Wales.

"He says," said Dr. Clapp, quoting from Dr. Underwood's letters, "that he thinks every young girl at the dinner envied him."

"He also has the honor," continued Dr. Clapp, "of being appointed representative of the English royal charities to the American charity association; he is representing the London bank to the Morgan banking interests in America; he is a representative of the British chamber of commerce, and a representative to the Irving Fisher organization; he also has several other responsibilities of the same nature."

When asked how Dr. Underwood, who left here the latter part of last June, came to be in this position, Dr. Clapp replied with a smile: "Search me!" He later added that it was probably due to Dr. Underwood's position as a sociologist.

"I met a woman who is but two notches from the Queen—and the Queen herself is my friend," wrote Dr. Underwood.

RESERVE BOOK ROOM PROVES INADEQUATE

Congested Condition Necessitates Opening of West End of Reading Room

Inadequate space to accommodate students in the present reserve reading room of the University library, obliges the library staff to plan for additional room, according to Miss Buckhous, librarian. The west end of the main reading room offers the only solution to relieve the congested condition. This will be conducted under the same plan as used during the summer quarter.

All books must be shown to the librarian in charge before leaving the reading room as in accordance with the regulations of the regular reserve reading room, which is located on the first floor. The same hours will be observed and various members of the library staff will be in charge.

More than 300 people visited the reserve reading room Wednesday evening. This is an increase from last year in the number of students wishing to take advantage of the room and necessitated relieving the crowded condition.

A new book entitled "Marching On Miscellaneous Speeches" by Chauncey M. Depew has been presented to the library by the author with his compliments.

PILGRIM CLUB ENTERTAINED AT REV. JOHN R. HAHN HOME

Officers and committees of the Pilgrim club were dinner guests of Mr. and Mrs. John R. Hahn, at their home Sunday evening. Plans were made for an open party to be given at the Community House on University Avenue, Friday, night. The party is the contribution of the Pilgrim club for the all-church students' night, on the University calendar for Friday, October 1.

Milburn's Men Will Meet a Strong Contender in Oregon Aggies

Montana University's 1926 football team opens the present season tomorrow against the Oregon Agricultural college on Dornblaser field. The Oregon Aggies are reputed to have, according to pre-season dope, the strongest team in the Pacific Coast conference. Montana has practically a new team to place on the field, only 10 lettermen reporting to the coach this fall.

The Copper, Silver and Gold squad will go into action tomorrow an unknown quantity, having been unable to get into action previously with some outside team. The coach plans on giving every member of the squad a chance tomorrow to try and determine the best men for the different positions and the eleven men that will work best together as a team, particularly those who can block and run interference for the man that carries the ball. Coach Milburn will have two teams ready to take the field, any of which may be the starting lineup.

No Sweet to Punt

The team has been shy a punter, Russell Sweet, last year's long distance kicker, failing to return to school. Tom Davis has been having a great deal of practice of late in punting, the coach hoping to develop him into a punter. Kain and Kelly have also been kicking the pigskin during practice.

Captain Kelly and Chinske, a newcomer, will probably alternate at quarterback. Ritter and Kain, lettermen, together with Sweetman, Callison, Hodges, Ross and Morrow will be the halfbacks. The fullback role will be filled by Burrell and Parmalee.

Montana has five ends to enter into the fray. Brittenham, last year regular, will be aided by Fogarty and Davis, ends on the 1925 frosh team. Tiernan, a new man, and Coyle, a member of the 1924 frosh team, are also bidmates for the wing positions.

Whitcomb and Vierhus, playing their second year at tackle for Montana, will be aided by Jelley and Stewart, both members of last year's frosh squad. Martinson and Cogswell, with past Varsity experience, will have Murray and Barfell to help them at the guard positions. Ostrum

(Continued on Page 4)

BIOLOGY PROFESSORS DO PARK GUIDE WORK

Members of University Department Work As Naturalists During Summer

Dr. M. J. Elrod and Dr. R. C. Young, both of the Biology department, spent the summer as naturalists in the Nature Guide service of Glacier National park. This work is carried on for the benefit of tourists who wish to receive educational value from their vacations. There are three stations located at Sun Camp on St. Mary's lake, the Lewis Hotel at Lake McDonald, and Many Glaciers.

Dr. Elrod has been employed in this service since its organization five years ago. The work consists of giving information, accompanying parties on nature hikes, and taking care of exhibits of rock specimens, park wild flowers and photographs. The work is rather recent, having originated in Yosemite park. It is now carried on in almost all national parks.

The tourist season closes about September 15, according to Dr. Young, but due to the forest fires, followed by bad weather, the rush was over earlier than usual this year.

Lawrence Warden, a graduate from the School of Chemistry with the class of '26, is employed in one of the oil refineries at Lewistown.

A Conference Game

TOMORROW will be a big day at Montana, for it will mark the opening of what is expected to be a great season for the Copper, Silver and Gold warriors, who meet one of the strongest teams in the Pacific Coast conference.

Coach Milburn has been doing some wonderful work with a light but scrappy bunch of football candidates. Oregon Agricultural college comes to the Garden City with 24 seasoned veterans, most of whom have been on the Oregon lineup from one to two years.

Montana offers no alibis for the game tomorrow. It will be a hard game, for it is Montana's first tryout this season. O.A.C. has already played one game and will be in the best of condition when she meets the Treasure state battlers on Dornblaser field.

Leaving the football team, we must pass on to the student body, who can, if they will, put real pep and fight in the Varsity tomorrow. The spirit is here, there is no doubt about that. The thing we want to do is to get the newcomers on the campus to follow us, and join in with us in the spirit of "Montana Fight," and when the band starts "Up With Montana"—let's see everybody up, and on their toes from the first kick-off until the bell in Main hall tells us that another Grizzly has fought and won.

A New Honor System

THE "Truth Machine" which measures the guilt of students who have cheated in examinations has been adopted officially at the University of Texas.

The machine, which is the invention of a psychologist at the university, measures the blood pressure and the electrical discharge from the skin of the person being tested.

The machine works by having the examiner state a series of words and having the subject answer the first word that comes into his mind. Thus a person who has cheated will show a rise of blood pressure when such words as examinations, suspension and home are mentioned to him.

Since its adoption, only one case has arisen to give the honor council a chance to try out the new invention, but aware that he was to be subjected to the test, the student declined the invitation to appear.

Again we urge the students to sign up for the Butte trip. It is necessary that at least 500 students signify their intention of going to the Mining city before a special train can be granted. Providing the necessary amount sign up for the trip a special fare will be allowed by the railroad.

Those who can possibly make the trip should do so—for a Grizzly-Bobcat game would mean little without a large student body representation in the grandstand.

Sign up now at the ASUM office in Main hall.

The registrar's office is asking all students that have changed their places of residence since registration to report back and give their new addresses. This rule, of course, is of particular interest to freshmen, since some 60 or 70 have left the dormitory since their arrival in Missoula.

Sometime this month the student directory will appear on the campus with the names, addresses and telephone numbers of students registered at the University. This little book is a guide for almost everyone in school, as well as a directory for town people. It is therefore necessary to have the correct address and phone number of every student.

Some scandal is positively worthwhile. Just think, "turpitude" has now been added to our vocabulary.

WHOA!

NO PARKING HERE

In Florida

Are you going to kiss me?
Oh Miami!!!

"Weep no more, my lady," he said as he removed the onions.

There was a lot of swimming meat last night in the gym.

Famous Sayings of Famous People
Bill Kelly: I've got a nice, clean story to tell you.

(Witness to above statement furnished on request. Send stamped addressed envelope.)

Her hair is slightly carotry, but I love her henna-way.

She was only a bassoonist's daughter, but she knew how to string me.

My girl has halitosis
But I kiss her just the same.
Her head is full of dandruff
Still I love her just the same.
She said she was bowlegged,
Yet she sat upon my knee.
But her dad has lots of money,
And that's everything to me.

Our Girl

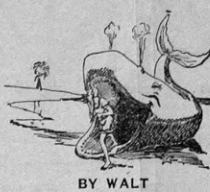

She's afraid she'll fade her green cap on the bleachers.

Faculate Fantasies

F. O. Smith

The fates once agreed on a hike,
That of Darwin and Plato, the like,
They should find a third man—
So they came to Montana!
Now there's Darwin and Plato and Psych.

Bedtime Bunk

BY WALT

Once (only once) upon a black night, for blacker deeds, when weird winds moaned saxophone solos, and the rain rattled a moist staccato on the grave stones, two men, masked in one piece, all wool worsted bathing suits, slunk into the darkness of South hall's lower regions. Not a soul stirred, save the 125 rioting freshmen upstairs.

"Me-ow," wailed the fluffy feline.

"Ah-haw," returned the evil-doers.

"Ph-f-f," vainly voiced the cat as she dived to the bottom of the sack.

On the bridge at midnight, the simple benediction was read. "May the fish save the fur for winter." But as they wired a paving stone just behind the ears, a slicker stranger advanced.

"Forsooth, what ho and a what the —! You can't drown that animal; it's against the AWS rules. Ah! Little does she know the foulness of the deed you plan," and he counted the cat's pulse. The river's much too large a grave, and you have no crane to lift the pavement. Consider! Nine young, joyful lives to such an early, watery grave. Think you, of the serenades, yet in her system, and the fences she hasn't climbed.

But the murderers were moved not—neither the paving stone. "If it's gold—I can persuade you. I'll give unto half my kingdom," and he produced a dollar watch and 90 cents—"a dime a life—ponder, men—a date and car fare one way."

"Gold," and they bit the silver pieces, as the stranger dragged

the cat's head through the wire and beat it, moving well, in the direction of the biology lab. And the cat? She lived very happy—until she got there.

Ivan Caraway, a freshman last year, is now a reporter on the Carbon County News at Red Lodge.

Former Student Visits Campus

Miss Elsie Jakways of Helena, a junior in the Pharmacy school, was visiting at the University the past week. Miss Jakways will pass the winter working in a drug store in Helena and will return to school next fall to complete her work in pharmacy.

CUB GRIDDERS SHOW EARLY SEASON FORM

Yearling Athletes Give Promise of Being Powerful and Fast Eleven

Fresh football prospects appear unusually bright, with over 50 candidates working out daily. Among these are a number of all-state men.

Although the squad, as a whole, is rather light, there are several big fast linemen to worry opponents throughout the season. Coaches Adams and Hinton are drilling the men daily in fundamentals. Blocking, tackling and charging are being stressed and the men are improving constantly.

"I believe this year's freshman team will be a better balanced aggregation than those of preceding years," said Harry Adams, when questioned concerning the relative power of the squad.

The backs, with the exception of one or two, are light but fast. With 26 aspiring ball carriers, the backfield appears to be one of the strongest Cub aggregations turned out in recent years. The linemen are big and rangy and should develop power and precision readily. A scrimmage with the Varsity is billed for Thursday afternoon, and Coach Adams plans to give his yearling athletes a thorough workout to determine their possibilities.

Following is the Sub schedule:
October 9—Missoula High school.
October 30—W.S.C. frosh at Missoula.

November 6—M.S.C. frosh at Missoula.

November 13—Idaho frosh at Missoula.

Practice games with Varsity and high school.

MEETING OF BIOLOGISTS SCHEDULED FOR TUESDAY

Phi Sigma, national biological fraternity, will hold its first regular meeting of the year Tuesday, October 5, at 7:30 in the Natural Science building.

"Plans for the coming year will be discussed at this meeting and it is important that all members be present," said Fay Fouts, secretary of the organization.

WOMEN'S DEAN LAUDS "BIG SISTER" CLUB

"Each year sees the Big Sister organization on the Montana campus progress," said Dean Harriet Sedman. "I think the Big Sister committee chairman, Roxie Copenhaver, played a big part this year by her untiring efforts and by the number of hours she spent in this work."

During the summer 125 Big Sisters, chosen last spring, were notified of the names and addresses of their Little Sisters as the freshmen women reserved places in the dormitories. Each Big Sister was expected to write to the new student assigned her, offering to help her get started in her University work. "Many freshmen women," said Dean Sedman, "have referred to the letters received from their Big Sisters."

Dean Sedman expressed her pleasure at seeing so many of the Big Sisters with their Little Sisters at the tea for new women at President C. H. Clapp's home Sunday. She stated that its success this year had convinced her that the Big Sister movement should be carried on.

COME ON!

Rallying Rioters Will Run and Roar Tonight

Oh! Me—et me to—night—at 7:30 at the entrance to the campus and blow off your boilers at the first grand rally of the year. Come on—collect a bag of enthusiasm, a barrel of pep, a truckload of spirit, and spread it in the atmosphere during Saturday's big fray. It's a last grand opportunity to learn or brush up on the yells and songs. Be prepared at Saturday's game. Follow the band through the streets and let the world know all about it.

Bring both lungs! It won't be the first hour you didn't nose the book. Save it all, and shout your agony, indifference or joy in the streets tonight. Manufacture the pep that'll drive Montana to do its best Saturday. Let's not wait until the bell rings to bomb—let's roar now—tonight—and in the grand stand tomorrow. At 7:30 tonight, for the rioting!

BASSINGWAITE TO LEAVE FOR NORTH DAKOTA SOON

Eva Bassingwaite, who finished her work at Montana last summer, will leave for Casper, Wyo., where she will visit friends. From there she will go to Hannah, N. D., her home. Miss Bassingwaite has been a clerk in the business office for some time. She is a member of Sigma Kappa sorority.

Alchemist Club Meets

Members of the Alchemist club held their first meeting of the quarter at 7:45 Thursday evening in the Chemistry building. A general business meeting was held and plans for the coming school year were discussed.

Hey, Mr. Frosh

NEWMAN CLUB SETS DATE FOR MEETING

Members of the Newman club, the Catholic students' association of Montana University, will hold the first meeting of the fall quarter at St. Anthony's Parish hall Sunday morning, immediately after the 9 o'clock mass. All Catholic students on the campus have been invited to attend.

Included in the business of the meeting is the selection of a new secretary, due to the fact that Ann Lou Cutler, Helena, who was elected to that office last spring, failed to return to school this fall. The other officers of the organization are Ted

Hodges, Great Falls, president; Andrew McDonald, Butte, vice-president; and Bill Garver, Missoula, treasurer.

The Newman club is a national organization, which was formerly known on the campus as the C.S.A., or the Catholic Students' association. Meetings of the local chapter are held monthly at St. Anthony's Parish hall, at which time breakfast is served.

MRS. CLAPP HOSTESS TO UNIVERSITY GIRLS

University girls from out of town were entertained at a tea at the home of Dr. and Mrs. C. H. Clapp Sunday afternoon from 3 to 6 o'clock. The hostesses were town University girls, Mrs. Clapp, Mrs. Harriet Sedman, Mrs. Theodore Brantly, Mrs. F. K. Turner, Mrs. A. W. Wilcox and Mrs. J. M. Keith were in the receiving line.

Assisting the hostesses in the reception room were a number of Missoula women and members of the upper classes, Mesdames R. H. Jesse, Frank Keith, F. C. Scheuch, E. W. Spotswood, C. W. Leapheart, F. G. Dratz, G. F. Turman, J. P. Rowe, R. C. Cardell, H. T. Wilkinson, R. G. Bailey, Theodore Lentz, Misses Pauline Swartz, Great Shriver, Gladys Price, Lillian Shaw, Mary Jo Dixon, Betty Peterson, Nan Walsh, Lenita Spotswood, Virginia Sedman, Vivian

NOTICES

All Baptist students are invited to attend a breakfast to be given Sunday morning, at 8:15, at the YWCA. Transportation will be supplied if 1000 is called before Saturday evening.

The absence committee will meet Monday afternoon at 4:30 o'clock in room 114, Main hall.

Beginning Monday, October 4, a fee of \$1 will be charged for each change of enrollment card filed in the Registrar's office; on or after Monday, October 11, this fee will be \$2.

There will be a meeting of the Press club in the shack next Wednesday evening at 7:30. All freshmen taking Elements of Journalism are especially urged to be present.

EDDIE REEDER, President.

All students who have changed their addresses are requested to notify the Registrar's office. If this is not done at once your names will be printed in the Students' directory with wrong addresses, and a great deal of confusion will result.

There will be a meeting of the Commerce club Tuesday evening, at 7:30, in Simpkins hall. All girls majoring in business administration and those taking pre-business administration are asked to be there.

BERNICE BLOOMGREN, Pres.

Spanish club will hold its first meeting Wednesday night, October 6, in room 9 in the Law building, at 7:30 o'clock. All those who have taken, or are now taking Spanish 150, are eligible for membership and are asked to attend this meeting.

ELSIE EMINGER, Pres.

All freshmen men report for Glee club Monday night at 7:30.

DE LOSS SMITH.

Melita chapter of DeMolay will have their regular meeting on Monday, October 4, at the Masonic temple. Members of other chapters in Montana will be welcomed.

There will be a meeting of the Tanans Tuesday afternoon at 5 o'clock in the west parlor of North hall. President Lillian Shaw urges that all members be present.

Pilgrim club will entertain students who are members of the Congregational church at a party at the Community house, 400 Connel avenue. Regular meetings will start Sunday.

Robertson, Margaret Maddock, Marian Schroeder, Emily Thraillkill and Nelda Talbert.

Refreshments were served in the dining room by Misses Isabelle Brown, Jean Wigal, Nelda Talbert, Lucille Grove, Helen Wickes, Helen Hayes, Alice Stoverud and Frances Lines.

Isabel Lentz was chairman of the committee in charge of the arrangements, assisted by the following committee chairmen: Ethelene Parsons, Hildegard Weisberg, Mary Kinball, Mae Campbell, Lucille Grove, Isabel Brown and Dorothy Elliot.

About 250 girls were present.

The Pilot's Letter

Forest Park, Ill.
June 16, 1925

The Parker Pen Company,
Gentlemen:

At 4:10 P.M. yesterday I took off in my Yackey plane from Checkerboard field. When I reached an altitude of 3000 feet I leaned over the side and dropped a Parker Over-size Duofold Pen. A few minutes later I made a landing near my starting point, and a crowd was examining the same Parker Duofold pen, which had landed on hard ground. To my great surprise, the pen had not been damaged in the slightest by its 3000 feet drop.

Walter J. Addema
Signed with the Parker that
dropped 3000 feet.

Start School with a Pen that won't break— Dropped 3000 feet!

YES, the Parker Duofold Pen was tossed from an aeroplane at dizzy altitude to test our new Non-Breakable material "Permanite," and landed 3000 feet below—unharmd.

Tests such as this are the best guarantees that a pen will last practically forever.

For a year we kept secret the fact that Parker Duofold Pens and Pencils have barrels of this new lustrous, beautiful, light-weight Permanite until a whole series of heroic demonstrations proved that it does not break.

This black-tipped lacquer-red beauty is not only the smartest, shapeliest pen, but the greatest writing instrument the world has ever seen. Its yielding, super-smooth point is guaranteed 25 years not only for mechanical perfection but for wear.

Choose your point and color at any good pen counter. But look with care for the name "Geo. S. Parker" on the barrel—the mark of highest excellence.

Parker Duofold Pencils to match the Pens:

INTRA-MURAL SPORT LIST IS GIVEN GREATER SCOPE

Director Adams Adds More Events to Schedule of Competition

Intra-mural sport program for the coming year, under the supervision of Harry Adams, has been enlarged so that it covers many more events than in previous years. There has been a change in the program or rather a rearrangement. There will be two divisions, individual championships, meaning individual ability, and the Three League, which includes inter-college, inter-church and inter-company or military leagues.

The schedule is as follows:

Individual Championships

Fall quarter—Horseshoe pitching (singles); cross-country run.
Winter quarter—Boxing and wrestling; fencing; swimming and diving; free-throwing (basketball); rifle shooting.

Spring quarter—Tennis; novice track meet.
Individual championships are open to all men in school except in the case of Varsity lettermen, who are not allowed to compete in the sports in which their letter was won. Gold medals will be awarded to the winners in these individual championships.

Three league includes:

Inter-College

Winter—Basketball.

Spring—Baseball.

Inter-Church

Fall—Horseshoe pitching.

Winter—Basketball.

Spring—Tennis.

Military League

Fall—Horseshoe pitching (inter-company doubles); basketball (inter-company).

Winter—Indoor track meet (inter-company); rifle shooting (inter-company).

Spring—Indoor baseball (inter-company); track meet (inter-company).

Cups to Be Awarded

Cups or other trophies will be awarded to the organization winning the championships in each sport in each league.

Ministers of the churches who desire to enter teams, deans of the colleges, and company commanders of the ROTC, are asked to appoint athletic managers for their organizations. A meeting of the athletic managers will be called within the next two weeks to draw up rules of eligibility and arrange schedules.

Frats May Compete

A new feature, which will be sponsored by Intra-Mural if the Inter-Fraternity council gives its consent, is the arranging of schedules for competition between the fraternities in certain sports such as tennis, horseshoe pitching, free-throwing, bowling, track and swimming. It is suggested that a point system for scoring each sport be arranged and a trophy awarded to the fraternity scoring the greatest number of points during the year, rather than giving a trophy for each sport. In such a point system of scoring, entering teams in every sport and playing full schedules should be stressed as much as winning first, second, third or fourth places in the various sports.

Presbyterians Entertain

Members of the Presbyterian church will entertain University students who are members of the church at a party Friday night. Dr. and Mrs. Jackson, Fred Staat, Elizabeth McCoy and Isabel Lantz are on the reception committee.

DeMolays Meet Monday

Melita chapter of DeMolay will hold their first meeting Monday, October 4. The members wish to welcome members of other chapters in Montana, enrolled in school. The regular meetings will be held on the first and third Mondays of each month in the Masonic temple.

New Grizzly Squad Meets Strong Team

(Continued from Page 1)

and Rafferty are the best bets for the center job.

Many Reserves

On the reserve list will be Harmon, McIver, Tarbot, Shults, Houston, McNiven, Stepanoff and Ernst, all of whom will get a chance to enter the game as the coach expects to use the whole squad.

Coach Schissler, with 24 lettermen back this year and 30 other players to pick from, will arrive in Missoula Friday morning with two full teams and will give them a slight workout. The orange and black warriors will have an advantage in experience over Montana. The coast team defeated the Multnomah Athletic club 67-0 last Saturday. The Oregon team has a veteran lineup, six of the seven men making up the line are in their third year of varsity.

O.A.C. Has Good Backfield

Eight of the regular backfield men have had at least two years of Varsity experience, any of them may be called on to be in the starting lineup. Coach Schissler has a complete backfield of men who are playing their third year of varsity football.

Ward and Logan will probably be O.A.C. first choice for the end positions but Twitchell and Robbins are also very good at the ends.

J. Dixon and Dickerson, both three-year men, will probably get the first call at tackle. Luce and Olmstead are certain to get into the game. Liebe and Bradley will be found at guard with Carlson and Eilers ready to go in at any time. Balcom will be at center with Wernmark ready to step in at the call.

In the backfield are Schulmerich and Avritt, fullbacks; Jarvis, Denman, Whitlock and Luby, halfbacks; and Edwards and Maple as quarterbacks. Coach Schissler has some good subs in M. Dixon, a guard; Hale, a tackle; Savory, a tackle; Grider, a halfback; Carr, an end, and Gilmore, a fullback.

William Mulligan of Spokane will be referee and chief official. Bobby Morgan, who refereed a number of the basketball games here last winter, will act as umpire. Kenneth Bartlett, an Oregon university athlete, will be head linesman and Dr. William Higgins, former Gonzaga athlete, will act as field judge.

Dean C. E. Mollett III

Dean C. E. Mollett, of the School of Pharmacy, has been unable to meet his classes this week because of a severe cold. The Dean reports the enrollment of the school as being very large this year.

Annual Cross-Country Will Be Staged Soon

Some 13 men have reported for the annual cross-country run, which will be staged probably the week ending October 9.

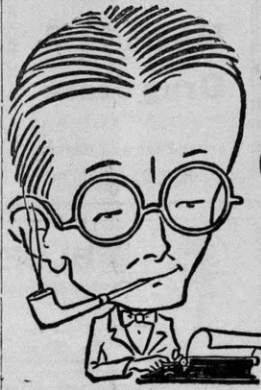

Under the daily coaching of Captain Gillette and Coach Harry Adams, the following men, Williams, Martin, K. Davis, Gaughan, E. Thomas, R. Edgington, McCarthy, Tyssel, R. Henry, B. Adams, Charteris and S. Hanson are rounding into shape. Out of this number, five men will be selected to represent Montana at the Northern section of the Pacific coast conference meet, held at Seattle, October 16.

"We have a good chance to hold our own," replied Adams to an inquiry.

Smith Re-organizes Psychology Classes

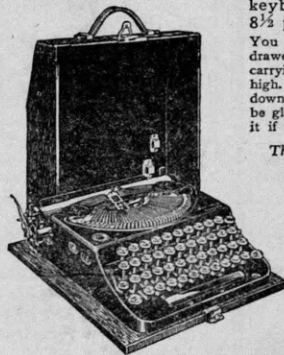

During the past week the class A in Psychology, under Professor Smith and his assistants, was divided into three sections. The A section is composed of students who have apparent aptitude to do work of A grade, this aptitude judged on a basis of the previous records of the students. The B section is to be composed of students capable of B work, and the C section of students who have been doing work of C or lower.

This change will greatly facilitate the handling of the large number of students enrolled in the course of elementary psychology, as well make it unnecessary for students of average capacity to compete with students of more than average ability.

SPORT GLIMPSES

"Give 'em a yell; sing 'em a song;
Any old stunt to help 'em along."

"We'll never have a winning team until we get some pep and enthusiasm from the student body to back the team," says Coach Frank Milburn. "This is the dearest student body I ever saw. The town people have more interest in the team than the students. The student bodies of the eastern and middle west colleges and universities come out every evening to see their team practice, hold large mass meetings, have immense parades, and do everything to show their team they are behind them, but there isn't a handful of students here in the bleachers during practice to see how the new team is rounding into form. We'll never have a winning team in this University until we get something like support from the student body."

Let's not let the coach think that we have lost all of our enthusiasm and interest in the team. Let's get out and "strut our stuff." Whenever you have a few minutes to spare in the afternoon, go out and show the team that we are interested in what they are trying to do for Montana, and when "Spot" Sanford announces that there will be yell practice or that a mass meeting or a parade is to be held, let's get out en masse and show everyone that we are overflowing with pep and enthusiasm.

Bill McIver received leave of absence from football practice the other evening. A bee stung the end of his finger.

Coach Milburn expects to use all of his men in Saturday's fray. The players that have been on the injury list will only play a short time, so as to keep them in trim for later games.

A young flash, Kiser of Wenatchee high school, who holds the national record in the middle distance races, has enrolled in the University of Washington. He is expected to take Jimmy Charteris' place as the latter graduates this year.

"My men are in fairly good shape," says Coach Schissler, mentor of the Oregon Agricultural college football team. The coast team arrived on No. 2 this morning.

There will be no Homecoming game this year. Homecoming is held every other year and it just happened that we had two in a row. Spend your Homecoming cash by buying a ticket to Butte for the Bobcat-Grizzly game.

Here is a comparison of the O.A.C. and Montana squads:

O.A.C.	Wt.	Yrs.	Player and Pos.	Wt.	Yrs.	Montana
Ward, left end	160	3	Brittenham, left end	160	2	
J. Dixon, guard	200	3	Whitcomb, left tackle	208	2	
Liebe, tackle	294	2	Martinson, left guard	175	3	
Balcom, center	172	3	Ostrum, center	170	2	
Bradley, right guard	185	2	Cogswell, right guard	167	3	
Dickerson, tackle	220	3	Vierhus, right tackle	208	2	
Logan, right end	154	2	Tiernan, right end	172	2	
Edwards, quarter	162	3	Coye	160	1	
Schulmerich, fullback	210	3	Kelly, quarter	180	3	
Jarvis, left half	171	2	Burrell, fullback	170	3	
Denman, right half	160	3	Ritter, left half	163	3	
			Kain, right half	170	2	
Second String						
Twitchell, left end	164	1	Davis, left end	172	1	
Carlson, tackle	184	1	Jolley, left tackle	212	1	
Wernmark, left guard	185	1	Murray, left guard	185	1	
Eilers, right guard	195	1	Rafferty, center	177	1	
Olmstead, tackle	197	3	Barfell, right guard	165	1	
Robbins, right end	168	2	Stewart, right tackle	171	1	
Maple, quarter	174	1	Fogarty, right end	164	1	
Avritt, fullback	168	2	Chinske, quarter	155	1	
Whitlock, left half	181	1	Parmade, fullback	168	1	
Luby, right half	162	2	Sweetman, left half	175	1	
			Callison, right half	155	1	

Coach Milburn was introduced to the student body at SOS last evening and briefly said that to have a winning team, there must be support from the student body.

The world series starts Saturday at 12 o'clock Missoula time. There will be time to witness the first series game before the football battle begins. Billy Evans, the great sport critic, thinks that the odds are about 6-5 in the Yankees' favor if they play in their midseason form.

Bozeman is chartering a train for the annual Bobcat-Grizzly game which will be played in Butte. Don't forget to reserve your ticket for the game as we want to outnumber our rivals at least 3-1.

CHRISTMAS HOLIDAYS WILL START EARLIER

Christmas holidays will begin six days earlier this year than last, according to Dean Jesse. It is planned to have all examinations finished by December 17.

The innovation of Freshman week enabled the student body to register

earlier this year and will give the autumn quarter twelve full weeks of school.

Last year considerable confusion arose during the last few days of the quarter. Many students petitioned for early examinations to enable them to reach home before Christmas Eve. Dr. Jesse stated that it is not planned to grant early examinations at the conclusion of the autumn quarter.

Phi Sigma Kappa announces the pledging of Hugh McCarthy of Missoula.
