The meeting was called to order at 7:30 in the Yellowstone Room of the Lodge by President Tom Behan.

PRESIDENT'S REPORT
Tate moved that we continue to use Robert's Rules of Order. Seconded by Moore. Passed unanimously. Behan felt Central Board should participate in Doug Brown day by presenting him with a plaque, however he questioned presenting another one if one was already to be presented and he was unable to contact Dr. Swank concerning the matter. Tate moved Central Board designate a person to look into the possibility of presenting a plaque, trophy or some other means of showing our appreciation. Seconded by Morrow. Motion passed unanimously. Behan reminded members that attendance is required at all meetings and after two misses, the person's name will automatically come up for removal from the board. Behan submitted his resignation as delegate to Central Board. Morrow moved to accept the resignation of Tom Behan. Seconded by Cole. Motion passed with Barber opposed and Behan abstaining. Behan moved to accept the appointment of Carl Lawson as senior delegate. Seconded by Morrow. He was fourth highest in votes. Motion passed with Cromwell, Leery, and Norreen abstaining. Folders containing by-laws, constitution, and budget will be distributed next week.

LEADERSHIP CAMPS
Hacker reported that there were over 109 persons attending Leadership Camp this year and to her knowledge this was the largest group. The money is all in and everyone has paid. She reported that she has received from 40-50 evaluations on the camp. Perhaps next year they will have smaller groups or workshops with faculty leaders which will work on special problems and submit reports to the entire group. There were varied opinions on Scalapini's talk. Hacker felt that part of the problem was due to the fact that Program Council had arranged for the speaker and therefore there was no real communication as to what was expected from him. This was the first year they did not have the Dean's Panel and it will probably remain this way. Barber asked if there was a person interested in chairmanship for next year. This is being considered along with the possibility of having carry over delegates.

VICE-PRESIDENT'S REPORT
All committee are open for membership, however chairmanships will not be appointed at this time. Morrow moved that Wayne Harsha be appointed to Student Life Committee. Seconded by Tate. Motion passed with Cromwell, Kitzenberg, Barber and Barnard abstaining.

FINANCE AND BUSINESS
There was a meeting yesterday, but no one came. The faculty-student athletic meeting was today in which they discussed the budget. The committee can have 110 full ride scholarships however they only have money for 100. They asked if Central Board could help emphasize some sports through Auxiliary Sports Board.

PUBLICATION BOARD
Two applications were submitted for the positions of Sentinel photographers. Egen-Sperger moved to accept Tom Normand for the position of head photographer, waiving the by-law requirement of a 2.0 overall. Seconded by Moore. Motion passed with Cromwell, Tate and Morrow abstaining. Tate moved to accept the application of Leon Pinski for the position of assistant photographer. Seconded by Moore. Motion passed with Cromwell abstaining. Egen-Sperger moved the acceptance of Helen Ahlgren, Pam Patrick, Lynn Hough and Jim Redmond for the positions of assistant editors. Seconded by Leery. The only other applicant was Carol Glenn who will be student teaching.
spring quarter and the board felt this would be unpractical. MOTION PASSED WITH CROMWELL, KITZENBERG, BARNARD AND HORNREN ABSTAINING.

OLD BUSINESS

Concerning the selection of cheerleaders, it was felt that instead of having four more representatives that each living group have one vote. MORROW MOVED EACH LIVING GROUP ON TRADITIONS BOARD BE GIVEN ONE VOTE ALONG WITH ONE COACH AND ONE JUDGE FROM THE WOMEN'S PHYSICAL EDUCATION DEPARTMENT. SECONDED BY COLK. Minemeyer pointed out this would be close to 70 people on the board. MOTION PASSED WITH TATE AND EGGENSPERGER OPPOSED AND CROMWELL ABSTAINING.

MOORE MOVED THAT WE TAKE THE MATTER OF PUTTING THE COMMISSIONER SYSTEM INTO THE BY-LAWS OFF THE TABLE. SECONDED BY TATE. MOTION PASSED UNANIMOUSLY. The system would stand as presented except for deleting the fact that the commissioners would be elected and would have a vote on Central Board. The Commissioner system would supercede chairmanships. This does not mean that chairmen of one will automatically take over in the commissioner system. Behan went on to further explain the system. Kitzenberg asked that something should be added concerning the number of misses of the commissioners. Minemeyer felt it was not necessary, stating that if members didn't show up for a meeting, Central Board already had the power to removed them from office. Leary asked if at sometime the commissioners would be elected by the student body. Behan said that they would after the system had once been approved. Cromwell said the student government should be the government of the students. He also said he does have a favorable opinion of the system. He went on to tell how he was approached by George Pramenko who suggested that the polls stay open past six. However, this was feasible because of stipulations in the by-laws. Then at a meeting to approve the results of the general elections Pramenko talked to Cromwell and words were exchanged as to Cromwell blocking the commissioner system's approval. Cromwell stated he wanted to protect the students from unseemed pressure and that this was the reason he was being so frank. Behan yielded the chair and stated that he hoped this would not be held against Pramenko as he was one of the main advocates of the system. Apointments to the system will be made soon by Morrow. Carroll said it was unwise for Central Board to vote when it was not clear as to what by-laws would be replaced and what affect it would have on the remaining by-laws. He said he hoped planning board would hold the matter for another week. Eggensperger questioned the 60 credit requirement. Behan said this was in part to attract upperclassmen to the position and to require underclassmen to work up. Morrow stated that the system would delete planning board, publications, traditions and auxiliary sports.

BAHRNARD MOVED TO AMEND THE MOTION TO INCLUDE MAHAN, NESBY, AND SYNADELPHIC ON TRADITIONS BOARD. SECONDED BY BARBER. MOTION PASSED WITH TATE, EGGENSPERGER, KITZENBERGER AND CROMWELL ABSTAINING.

KITZENBERG MOVED TO RESUME $16,760 FROM THE GENERAL FUND AND ALLOCATE $500 TO MODEL UNITED NATIONS, $1,000 TO DEBATE AND $15,260 TO THE SENTINEL. SECONDED BY TATE.
The question was raised as to whether MUN was on matching funds. Carrol said MUN was given $1600 outright and $500 on matching funds. He also said that Montana MUN was not considered in the budget and if they need more money for it next year they can come to Central Board and request special funds. More pointed out that MUN was on a 3 to 1 basis. Foster recommended it be taken off matching funds because they do not have the time to earn money as they are required to spend twenty hours a quarter for two credits and the trip could not be financed by members. Carrol explained past action of Budget and Finance and said he hoped we wouldn’t use all the money with the hopes of reducing student fees $1 per student per quarter next year for the total of approximately $15,000. He went on to explain our school’s standing in regards to fees, tuition and wages. He further explained that he felt the budget was quite generous and sighted 3 groups on campus who are self supporting and could see no reason why these shouldn’t or couldn’t be supported by Central Board except for personal whims. He felt that if Central Board reviewed all cases and brought in all interested parties so they could draw their own conclusions they would find them not far removed from the opinions and findings of Budget and Finance. Carrol moved to amend the motion by stating that the $15,000 will remain the in General Fund until Central Board investigates the possibility and feasibility of reducing student fees next year. Kittenzberg asked why this wasn’t presented to the Board of Regents before the Budget was presented. Minnyer stated that allotments had already been made. Kirkviel asked the results of the poll concerning the Sentinel versus Program Council. Minnyer gave the following approximate figures. 650 for a broader cultural program, 250 for a compulsory Sentinel. Four hundred twenty four for a compulsory Sentinel financed for $500 and 450 for a Sentinel on subscription basis. Kirkviel said he realized the poll was very biased. He went on to say that Central Board’s most powerful weapon was its power to allocate money and here is where they were the most lack of representation. He asked why we didn’t use the poll for a guideline for a referendum to be presented each year. Beban pointed out that we are not at entire liberty to spend money as we wish. Kirkviel said Central Board should find out what the students really want. It was pointed out that most students are unaware and won’t bother to find out, and in this sense Central Board is to act as the representative body. Kittenzberg pointed out that even with a $3 cut in student fees, if the Sentinel cost $7.50 it would be an increase of about $4 in fees.

TATE CALLED FOR A DIVISION OF THE QUESTION. SECONDED BY MILNENYER. MINNYER WITHDREW HIS SECOND. SECONDED BY KITZMILLER. MOTION PASSED WITH MINNYER OPPOSED. The motion no read that we take $500 from the General Fund and allocate it to Hotel United Nations.

Carrol again asked us wait on these motions until we can check the possibility of reducing activity fees for next year. MINNYER MOVED WE TABLE THE MOTION. SECONDED BY KITZMILLER. MOTION DEFEATED WITH MINNYER, EGGENSPEGER, TATE, MOREK AND KITZMILLER OPPOSED AND KITZMILLER ABSTAINING.

The original motion passed with Barnard, Eggenaspeger, Minnyer, and Morek in favor and Cromwell, Kitzmiller, Eggenaspeger and Kitzmiller abstaining.

The motion now read to allocate $15,260 to the Sentinel. Barnard said he felt that we did not have enough information and perhaps we should take a poll. Eggenaspeger asked Jacobs how soon it was necessary to know how much money will be needed. Jacobs replied that nothing can be done until they know how much money will be backing them.
Barber felt that the students were informed in this matter and that the staff needed to show its worthiness. He felt that we should have reduced fees for things we can go to now and if the students want a Sentinel for later years they will pay for it. Minemyer felt with so many abstaining on the other issues that perhaps members were not ready to vote and this would be a gross assumption of responsibility. Tate said he didn't feel the value of the book could be determined now. Kirkvliet said we couldn't determine how people will feel in years to come. He said we should determine what the students want now and not what we think they want. Tickell asked why it cost more to order in the fall than the spring and said he couldn't understand why Central Board didn't take the suggestion of past Business Manager Wendte and underwrite the Sentinel if necessary and therefore having a broader cultural program and a Sentinel.

MINEMYER MOVED TO TABLE THE MOTION. SECONDED BY MORROW. MOTION DEFEATED WITH EGGENSPEGER, KITZENBERG AND TATE IN FAVOR AND CROMWELL AND MORROW ABSTAINING. TATE MOVED WE UNDERWRITE THE SENTINEL UP TO $15,200. SECONDED BY MOORE. Jacobs said she would like to have an idea of how much the Sentinel should cost on a subscription basis. Tate asked that this money be taken out of the General Fund. Minemyer said this would leave a shortage for any group that needed a special allocation for next year, therefore the money would have to be taken out of the Reserve Fund. Barber said he was opposed to the underwriting as he wants the Sentinel staff to show responsibility first. Cromwell said he couldn't imagine how we could expect the Student Body to pay $5.00-$7.50 more plus fees for a yearbook. Behan yielded the chair. He pointed out that it was conceivable that up to $15,000 would be used leaving the fund only one half of what it should be. He went on to say that he felt that Central Board was obligated to pay for a Sentinel for those who wanted it.

TATE MOVED THE PREVIOUS QUESTION. SECONDED BY COLE. MOTION DEFEATED WITH CROMWELL ABSTAINING. Behan yielded the chair and suggested that perhaps a poll could be taken in the fall to see how many students did want a Sentinel. MOORE CALLED FOR THE PREVIOUS QUESTION. SECONDED BY TATE. MOTION DEFEATED WITH TATE IN FAVOR, COLE, CROMWELL, AND MORROW ABSTAINING.

NEW BUSINESS:
MINEMYER MOVED THAT A STUDY BE UNDERTAKEN TO DETERMINE HOW TO SPEND THE EXCESS OF $15,260 IN THE GENERAL FUND. SECONDED BY MOORE. MOTION PASSED WITH KITZENBERG AND MORROW ABSTAINING.

TATE MOVED FOR ADJOURNMENT. SECONDED BY MORROW. MOTION PASSED UNANIMOUSLY.

PRESENT: BARBER, BEHAN, CROMWELL, COLE, EGGENSPEGER, KITZENBERG, LEARY, MINEMYER, MOORE, MORROW, MORROW, TATE, Ottenbriet, Archibald, Barness, Janik, Hacker, Jacobs, Tickell, Chapman, Foster, Wheeler

Respectfully submitted,

CeeCee Cole
ASUM Secretary

ABSENT:
