CENTRAL BOARD

MAY 25, 1966

The meeting was called to order at 7:00 in Committee Rooms 2 and 3 of the Lodge by President Tom Behan. The minutes of May 2nd and 18th were approved as written.

PRESIDENT'S REPORT

Behan announced that the last Central Board of the year will be next week, June 1st. Behan read a reply from Mr. Earle Thompson, Dean of Library Service who said that arrangements are being made, with the help of the Student Store Reserve Fund, to make available currently popular and notable books by July 1st. He also read a letter from Mr. Pantzer concerning extension of Lodge hours. Mr. Pantzer stated that there were many problems to be worked out and it wouldn't be likely that they would be extended this quarter, but this would be worked on for next fall. Behan appointed Eggensperger and Barnard to Curriculum Committee and Publication Board, Barber to Curriculum Committee, Lawson and Noreen to Budget and Finance, Leary and Moore to Planning Board and Kitzenberg to Publications Board. Budget and Policy as if yet has not picked new advisors for Central Board. June 10th, Behan will join Rod Hoxsey, President of ASMSU for a conference with Governor Babcock; if there are any topics which should be brought up, see Behan.

MORROW MOVED THAT CENTRAL BOARD APPROVE THE ELECTION RESULTS. SECONDED BY BARBER. MOTION PASSED UNANIMOUSLY.

BUDGET AND FINANCE:

Minemyer said that several groups came before the committee at the meeting yesterday. The Faculty Evaluation committee asked for \$100 for printing costs. They will sell the booklet for 50 cents each and are planning to have 1500 copies made to start with. This would be approximately \$750 which would be returned. MINEMYER MOVED THAT CENTRAL BOARD GIVE \$1000 TO FACULTY EVALUATION COMMITTEE STIPULATING THAT UP TO \$1000 BE RETURNED. SECONDED BY MORROW. Kitzenberg asked if the pole taken on the teachers was really valuable and said he felt that it should be stated somewhere by whom the pole was taken. Fussell said what was important was that interested students did participate in the pole and that such information would be printed in the preface. MOTION PASSED UNANIMOUSLY. MINEMYER MOVED THAT CENTRAL BOARD ALLOCATE \$100 TO SCOPE. BEHAN RELINQUISHED THE CHAIR AND SECONDED THE MOTION. Minemyer said Budget and Finance felt that when these students returned they could hold class discussions, reports etc. and these would be of value to the students. Noreen said he couldn't see how it would benefit that many students. Lawson said he wondered where this would stop and sited such groups as SNICK and others which may also ask for money. Carroll said that just because some students are interested doesn't justify an allocation. He wondered about the validity of sending students to have a "bazaar" experience to have them return and inform people. He urged Central Board not to squander their money. Keirkvliet said that Civil Rights is of great concern both in Montana and in the country and he felt it would be very worthwhile to have a person available all year for both formal and informal discussions. The group has approximately \$150 in cash and about the same

in pledges, Keirkvliet stated. MOTION DEFEATED WITH COLE AND MINEMYER ABSTAINING. Minemyer stated that Dean Bolen asked for \$8000 for a band trip to Chicago. After consideration Budget and Finance felt that this was a little high as there may be other ways in which the group can raise the money. MINEMYER MOVED TO TAKE \$8000 FROM THE INVESTMENT FUND, WHICH WAS THE EXCESS FROM THE PREVIOUS ALLOCATIONS AND REALLOCATE IT TO THE SENTINEL. SECONDED BY KITZENBERG. Van Duser pointed out that this money does belong to the student government, however, it was an excess from years past which has been set aside for new furniture for the Sentinel office in the new student union. This way she said, they will not be without backing for next year. They will be able to put out a \$8 book for \$4 and there may be a possibility of saving some of the \$8,000 when they have this working capital. MINEMYER WITHDREW HIS MOTION. KITZENBERG WITHDREW HIS SECOND. MINEMYER MOVED THAT SENTINEL BE ALLOWED TO USE THEIR RESERVES AS BACKING FOR NEXT YEARS SENTINEL. SECONDED BY KITZENBERG. MINEMYER MOVED \$14,000 BE ALLOCATED TO PROGRAM COUNCIL AND THE REMAINDER BE PUT INTO THE GENERAL FUND. SECONDED BY LAWSON. Minemyer went on to explain that he felt students should be getting some benefit from the money now instead of just letting it collect interest. Noreen asked if Budget and Finance though this was more important than fixing the skating rink. Minemyer said yes, stating that the skating rink was a university project and should not have to be repaired by student money. KITZENBERG MOVED TO AMEND THE ORIGINAL MOTION BY ADDING THAT OF THIS \$14,000, \$1500 BE SPENT FOR MORE FILMS, (AMERICAN AND FOREIGN) AND \$5000 BE SPENT FOR TWO BIG NAME LECTURES AND A SEMINAR, FOR EXAMPLE ON SKIING. SECONDED BY BARNARD. Minemyer said he felt the amendment was not necessary and said he felt that Tickell and Chapman were quite qualified to make the decisions. AMENDMENT PASSED WITH LEARY, MORROW, MINEMYER ABSTAINING. Moore stated she didn't feel there would be an increase of interest if there were more lectures in the program. Barber said that an increase in the allotment would reduce rates for students and increase the quality instead of the quantity of the programs. Lawson stated that he felt if the names were big enough there would be the crowd. Behan yielded the chair and pointed out that Program Council has \$11,000 more this year and he questioned the up-grading of the program we had for the year. He said it was Central Boards obligation to lend money on a wider scope and said he felt that other interest groups should be investigated. He urged the board to consider allocating the money on a more diverse basis, although Program Council itself was very worthwhile. Noreen said he felt that the ice skating rink would be such a project as it would be operating for several months a year. Barber said he felt there was not that much interest in the rink. Leary asked why the money couldn't be held and when Program Council needed special allocations they could come to Central Board. Minemyer pointed out that this was not feasible as contracts had to be made early. THE ORIGINAL MOTION PASSED WITH LEARY, MOORE, AND NOREEN OPPOSED AND MORROW ABSTAINING.
