PRESIDENT'S REPORT

Behan invited all that could attend to the MSPA convention in Helena, October 28th and 29th. The meetings start at noon on the Carroll College campus and lodging and transportation will be paid by Central Board. Haarr, Barnard, Moore, and Barber said they were interested in going. Behan received a letter from the head of the typographical union who stated he was disappointed that the Sentinel was sent out of state and to a non-union print shop for completion. Behan said that after investigation it was discovered that the shop was a union shop and it was sent out of state only after all in-state possibilities were exhausted. They will be passed out after arrival of the men's gift paks, probably around Christmas. Concerning a letter asking for money for Debate and Oratory, Dean Conrad suggested that when the board make their decision whether to allocate more money or not, it be on the basis of whether or not they want a strong debate team and not on personality conflicts. Dr. McGinnis, the current head of the department will retire at the end of this year and the size of the budget could determine the quality of the replacement.
