The meeting was called to order at 7:00 in the Activities Room of the Lodge by President Tom Behan. The minutes of November 16th were approved as written.

#### PRESIDENT'S REPORT

Individual and group pictures of Central Board will be taken at next week's meeting for the Sentinel. Although \$1000 has been promised from the University Foundation to be used for the College Bowl, there was some question as to how return trips would be financed if a team from here won. Behan checked into this matter and reported that such trips were financed by General Electric. Because a team from Montana could not appear until 67-68, a screening process and training program is being planned for the delegates.

#### BUSINESS MANAGER

MINEMYER MOVED CENTRAL BOARD APPROVE THE PAYMENT OF \$10 FOR MSPA YEARLY DUES. SECONDED BY NOREEN. MOTION PASSED WITH KITZENBERG OPPOSED. Minemyer reported that \$16,000-\$18,000 has been paid on the loan through a deduction of fees to students using the golf course. Students are charged 75¢ less than adults. John Van Neuvellen of the committee is looking into the possibility of paying the remaining amount of the loan in cash. MINEMYER MOVED THE MISS U OF M PAGEANT BE SPONSORED BY PROGRAM COUNCIL AND THIS YEAR IT BE UNDERWRITTEN UP TO \$1300. SECONDED BY MORROW. Barber asked how much AWE had paid in the past. Minemyer said that the financial report was sketchy, but read an itemized account from which there was an \$800 deficit. He said that the \$1300 allocation was to cover extra expenses. BARNARD CALLED FOR THE QUESTION. MOTION PASSED UNANIMOUSLY. MINEMYER MOVED CENTRAL BOARD ACCEPT THE INFORMAL RESIGNATION OF LOREN HAARR FROM BUDGET AND FINANCE. SECONDED BY HAARR. MOTION PASSED UNANIMOUSLY. Minemyer reported that at Budget and Finance, Davis withdrew his motion concerning a \$10,000 allocation to be used in repairing the ice rink. Davis reported that after checking into the matter it would cost close to \$25,000. Behan reported that after talking to Pantzer he learned that it would cost \$90,000 so that it could be used for hockey and approximately \$25,000 to install bleachers. Behan read a letter from Pantzer in which the latter said that any decision concerning the ice rink would be an administrative one and that the matter had not been sent to the Board of Regents. In all probability there would not be a definite decision for a year. MINEMYER MOVED SKY DIVER'S CLUB BE ADVISED TO PAY THE FIRST INSTALLMENT OF THEIR \$1000 LOAN (\$333) IMMEDIATELY. SECONDED BY PENLAND. John Thoren, president of the club listed lack of pilots and the recent death of a jumper as reasons why membership hadn't increased. Dye asked what sources of income the club had. Thoren explained that there was a \$50 training fee, that each jump cost money and there was a small amount earned from club dues. MINEMYER MOVED TO AMEND THE MOTION TO READ THAT THE REMAINING \$200 OF THIS INSTALLMENT BE PAID ON MARCH 1ST AND THAT THE OTHER TWO PAYMENTS BE MADE ACCORDING TO CONTRACT. SECONDED BY MOORE. Davis suggested that the club go through the Business Office of Hal Fullerton to make financial arrangements, but he felt that by not paying the installment the club was defeating the purpose of the contract and setting a bad example. Minemyer said he disagreed and explained that even if we wanted to take possession of the plane, the bank had a first mortgage on it. BEHAN YIELDED THE CHAIR. He said he felt we were being too pessimistic about this matter and felt the Board was talking over their heads when speaking of court and foreclosures to say nothing of the bad relations fostered with the club. He reminded the board that the loan is being repayed even if not according to contract. Dwyer asked if this would be an

informal agreement with the club. Minemyer said he would want it in writing. AMENDMENT PASSED WITH NOREEN OPPOSED AND MORROW ABSTAINING. THE MAIN MOTION PASSED WITH MORROW AND NOREEN ABSTAINING.
