The meeting was called to order by Pres. Bob Liffring in the Territorial Room at 7:00 p.m. The minutes were approved as read.

PRESIDENT'S REPORT - Liffring reported that he had not received any communication from Eastern Montana College concerning the New Christy Minstrels. He read a thank you letter from Turtle International for our participation. He read letters concerning a Cheerleaders U.S.A. Contest and Varsity Show Competition.

VICE-PRESIDENT'S REPORT - Bowler moved that Central Board accept the resignation of Kent Price as Planning Board Chairman. Seconded by Knight. Motion passed with Cromwell abstaining.

Marc Davis reported that Planning Board wished to recommend that committee chairmen be made ex-officio members of Central Board so that they would be able to participate more fully in meetings, such as in making motions. Bowler and Ulyatt expressed opposition to this. Davis recommended that Central Board accept Paul Reagor as a member of Planning Board. Bowler moved that Paul Reagor be appointed a member of Planning Board. Seconded by Hibbs. Motion passed with Cromwell and Field abstaining.

Davis reported that Planning Board is investigating dormant committees and would like to enlarge Planning Board to take in representatives from more social groups and organizations. He said that they are studying the possibility of an honors system, and also, changing student government by widening the powers of the president and making Planning Board a second branch in the government. Davis and Liffring commended Kent Price on the excellent job he has done in his role as committee chairman.

Traditions Board - Nicki Paulsrud, Chairman.
Paulsrud reported that they are trying to reorganize Traditions Board, and said that the freshman, sophomores, and junior members on the Board now will be retained again next year even though members are now being elected through their living groups. She announced that they have formed an Interscholastics Committee under Jack Russell and Diane Leach which will work on a program similar to MSC'S High School Week. A Charter Day committee has been formed, but has not received any cooperation as yet from the administration. Paulsrud said that a new freshman pep organization is being formed instead of Grizzly Growlers. Members will be chosen during Orientation Week by application and interviews. She said that Traditions Board would like to have Homecoming Committee and Parents Day incorporated within the Board, and have their budgets combined with Traditions Board's budget. Also, they would like to make recommendations for the chairmen of these two committees. She reported that they were discussing reorganization of the cheerleading system on campus, and that SOS booklets are being prepared to help organizations who are planning an SOS. Hibbs suggested that, if Homecoming and Parents Day budgets are incorporated with Traditions Board, they still remain separate under T Board to avoid confusion.

Auxiliary Sports Board - Asselstine reported that the Men's Gym will be open on Sunday afternoons from 12-5 p.m. at a cost of $50 for this quarter. Asselstine moved that Central Board allocate $50 to the Athletic Department for keeping open the Men's Gym on Sunday afternoons. Seconded by Bowler. Motion passed with Hibbs abstaining.

The motion was tabled until next week.
Budget and Finance - Hibbs read a letter which was sent out to all ASMSU organizations concerning 1965-66 budget requests.
