2. The minutes of the meeting of December 13, were approved with the following correction: Item 7 should have this addition, "The faculty unanimously voted to approve the report of the special committee appointed to formulate plans for long range research study to determine the relationship between elementary mathematical ability and success in courses in the University" as this report called for a pilot study to be carried on this year which would possibly lead the way to more extensive research.
3. Dr. A. S. Merrill reported briefly on advance registration for winter quarter, including sections closed.
4. The faculty opinion poll on the special curriculum committee report was discussed.
5. The meeting was adjourned.
