The meeting was called to order by Pres. John Ross at 7:10 p.m. in Territorial Room 3. Last week's minutes were corrected to read the Lanman abstained on the motion that Central Board accept Ron Normandeau for assistant photographer for the 1965-1966 Sentinel. Paula Forsyth was corrected to Paulette Forsyth and Ron Normando was corrected to Ron Normandeau.

PRESIDENT'S REPORT
The MSPA will be in Havre, May 15, 1965. Those attending are: Whitey Fairley, Torval Stockamp, Dave Wendte, Ray Cosman, Marc Davis, and John Ross. There will be an informal meeting of the presidents of the dorms, Panhellenic, and IFC at 4:00 p.m., Thursday, May 13, 1965, in the ASMSU office concerning the FM Radio.

OFFICERS REPORT:
Business Manager, Dave Wendte, said there will be a Budget and Finance Committee meeting next Tuesday, May 18, 1965, at 7:00 p.m. in Conference Room 3.

Vice President, Brett Asselstine, said that there is an attempt to get more advertising for the University.

LOANS COMMITTEE
George Cole said they were talking about the possibility of extending financial aid to the student body. They have considered three proposals. (1) Extending financial aid to the student body through grants of money to the NDEA. (2) Extending aid through loans from private banks. (3) Extension of the present loan system of the students themselves. The Loan Committee recommends that Central Board allocate $3,000 from the On-Campus-Reserve-Fund for short term loans to be put into the ASMSU loan fund upon approval of Central Board.

BEHAN MOVED THAT CENTRAL BOARD ALLOCATE $3,000 FROM THE ON-CAMPUS-RESERVE-FUND TO BE USED FOR THE ASMSU SHORT-TERM LOAN FUND. SECONDED BY FAIRLEY.

Cole said that the $3,000 would be allocated from the On-Campus-Reserve-Fund. These loans would be short term. They would be yearly loans, would be received annually, and would collect 3% interest. Under the present program $1,000 is allocated per year and it collects 3% interest. The $3,000 would be added to the present system. There were some other recommendations. (1) The $3,000 be used primarily for ASMSU fee-paying students. (2) That the maximum of the short term loan which is $125 be raised to $300 per year per student. The ASMSU Loan Committee has this power. This was recommended because of the increase in out-of-state tuition and because it might take some strain off the NDEA system. (3) That the annual $1,000 allocation to the ASMSU Loan Fund be continued. (4) That Central Board continue their interest in establishing financial aid for students. (5) That the ad hoc committee should remain to look into other financial possibilities. Davis pointed out that this would take 11 or 12 years to be paid back. Stockamp wanted to know what provisions there were for collection on these loans. Davis said that it was handled through the loan office. He said that the average turn over on short term loans was three times a year. Wendte said that on loans you have to have a co-signer. They will give you six months to pay after the time the loan is due before legal action will be taken. The co-signer has to be of legal age.
Whatever is left at the end of the year in the On-Campus-Reserve-Fund is invested. Cole said that so far they have been able to satisfy the need for short term loans, but with the increase in tuition, there will be an increase in need. Cromwell said that the Law Department has $5,000 to $6,000 in loans and that the demand grows to meet the money that is available. Cole said that if there were a centralized loan applications system, there would be greater administration efficiency and a lot stricter standards. Wendte was in favor of short term loans because the money would be back within a year and would be able to be lent out again. Stockamp wanted to know the mortality rate. Cole said that the mortality rate on short term loans was very small. Lanman wanted to know if this money would be available only to undergraduate students. Cole said that it was available to married and graduate students but that it was the committee's recommendation that the undergraduate students be given primary consideration. Lanman also wanted to know if the committee planned to publicize it more. Fairley said they were and the main reason is so that out-of-state students who do not think they will be able to come back because of the tuition increase will know about it. The question was asked for. MOTION PASSED WITH WENDTE AND REAGOR OPPOSED. Wendte opposed because he thought the allocation was too much.

FM RADIO
Mr. Notion, Assistant Professor of Journalism, was present to talk to Central Board about the FM Radio. It has been in operation since January. Craig Hall has already been converted and he recommended that Central Board consider this as a budget item for the other dorms. There are two audiences interested in the FM radio. The campus consisting of the students, faculty, and administration and the community are interested. The FM radio would be a wonderful opportunity to express directly to the student body some of the problems Central Board faced and the reasons for the decisions that were made. There is also a communications gap between Central Board and the students, and between the faculty and the students. This would be an effective way to help close this gap. Behan said that the Craig Hall conversion cost approximately $100 and wanted to know if this would be the cost to the other dorms. Mr. Norton said that he did not know because he did not know exactly what was done. Reagor said that maybe the older dorms could not be converted because of their electrical systems. Mr. Norton and Reagor were put in charge of checking into this matter. Lanman suggested that maybe someone from Craig Hall could tell us of the success there.

TRADITIONS BOARD
John Bergerson reported on Freshman Camp. Seeley Lake has been tentatively chosen as the site. The counselors recommended were: Jan Comeauz, Barbara Kundert, Les Griffin, Scotta Herrin, Janet Evans, Frances Smith, Billie Rainville, Mickey Murphy, Lee Howard, Alan Benson, Richard Bechtel, Ted Flynn, Pat McGillis, Don Welty, and Ray Cosman with Jim Stegmiller in charge of the counselors. Nisbet said that the counselors were tentative and that Jim Stegmiller could change them. Behan felt that Central Board should have the power to approve them and not Jim Stegmiller. It was the recommendation of the chair to approve them tonight. COSMAN MOVED THAT CENTRAL BOARD ACCEPT THE FRESHMAN CAMP COUNSELORS. SECONDED BY FAIRLEY. Stockamp pointed out that most of the counselors were freshman. Nisbet said that it was the
desire of the committee in order to eliminate some of the problem they had last year. MOTION PASSED WITH STOCKAMP, ASSELSTINE, AND BEHAN OPPOSING AND CROMWELL ABSTAINING. Bergerson said that the choices of Homecoming Queen would be made this quarter but that the cutting would not be until the beginning of Fall Quarter. The committee has narrowed the choices for Interscholastic Queen down to three girls from each of the four divisions. There will be a tea for these girls on Friday when they arrive and the selection will be announced later Friday. There will be two dances, one Friday and one Saturday. The committee is trying to establish a publicity section to Traditions Board.

PLANNING BOARD
Tom Behan said the committee will be open for applications soon. Behan told Dr. Johns that his proposal for equal faculty representation was defeated. The committee will remain with six students and three faculty. The only difference is that the committee does not get the $2,000 or $3,000 for the University. Several ideas from ESPA were discussed. (1) That students who participate in student government get credit from the Political Science Department. (2) The idea that some campuses use IBM machines to determine student opinion. Our affiliation with ASGUSA was discussed. ASGUSA is a national organization of student governments that gets together once a year to discuss their problems. There is a reference manual that contains 25 reports. Last Fall Central Board defeated a motion to affiliate because they did not know the financial obligation. It will cost $75 a year per school which includes the delegates' registration fees and dues. In order to join we have to ratify the constitution and send in the money. Behan said he would bring something definite next week. BEHAN MOVED THAT CENTRAL BOARD STAND RESOLVED THAT THE PEOPLE INVOLVED ON THE COMMITTEE ON LECTURES AND CONVOCATIONS GO AHEAD AND FORM A COMMITTEE FOR OUTSIDE ENTERTAINMENT WITH THE UNDERSTANDING THAT MEMBERS WOULD BE APPOINTED NEXT WEEK. SECONDED BY WENDT. MOTION PASSED WITH CROMWELL AND STOCKAMP ABSTAINING.

PUBLICATIONS BOARD
Ray Cosman reported that he had talked with Kitty Wright and she said that the Garrett would be distributed either Friday or Monday. At the committee's next meeting they will select the new editor, assistant editor, and business manager of the Garrett.

NEW BUSINESS
Whitey Fairley said that the next meeting of the Board of Regents would be June 7. Since this conflicts with finals, the next meeting that the students would be able to attend would be next fall. He wanted to know there was an interest in attending, and there was.

Cromwell said that a notice of the name change of this organization from Associated Students of Montana State University to Associated Students of the University of Montana should be reported to the Internal Revenue. He was interested in knowing if Central Board had representatives on Traffic Board, and also whether the fines had been waived for students parking in Knowles
the Thursday that the Council of 50 had been here. Reagor said that they were waived because of insufficient notice. The Traffic Board has the say over the Campus Police. Wendte said the committee meets Thursday. Behan said that some of the tickets had been waived and some had not yet been waived.

Reagor said the Student Faculty Committee had been talking about Orientation Week. There would be formal organization tomorrow. After the organization is accepted by the committee, there would be a motion to include this in the bylaws.

Behan gave a short PSPA report. The meeting was held in Santa Barbara, May 5 through 8. The program consisted of six discussion groups that lasted from one hour to an hour and a half. There was interaction of the student leaders from the other schools. The discussion topics were general but were still of interest. He felt that the trip was quite beneficial.

STOCKAMP MOVED THAT CENTRAL BOARD ADJOURN. SECONDED BY FAIRLEY.

PRESENT: ASSELSTINE, BEHAN, COSMAN, CROWELL, FAIRLEY, LANMAN, MORROW,
NISBET, PEREGOY, REAGOR, ROSS,
STOCKAMP, WENDTE, Davis, Cole,
Kaimin, Thompson, Bergerson

ABSENT: LARSON

Respectfully submitted,

Lynne Morrow
ASMSU Secretary
