STATEMENT OF SENATOR MIKE MANSFIELD (D., MONTANA)

DEVALUATION OF THE DOLLAR

I approve of it completely. I think it will stabilize the dollar, make it more sound, bring about a better financial and diplomatic relationship among all the countries concerned, and will be beneficial to the United States and will help to curb unemployment and inflation. I approve of the agreement and I anticipate that action will be taken on the increase in the price of gold very shortly after the Congress convenes.
