The meeting was called to order by President Nick Jones at 7:00 p.m. in the College Inn. The minutes were approved as corrected. Prof. Cromwell stated that he had said that it was idle to vote on the motion regarding Varsity Rink rather than that it was idle to defeat the motion.

Budget & Finance—Bonnie Kositzky, chairman

Student Life Committee—Bob Worcester, chairman

AWS has taken the issue back to the living groups and will compile the results and draw up the statements into a referendum to give concrete evidence of criticism. Mr. Dove is checking into the availability of off-campus housing. The problem will be discussed at NSPA and the committee will meet with Pantzer and Joh to discuss the financial aspects of women over 21 living off campus. Behan stated that men should have the right to vote on such an issue because it is a university project and freshmen men over 21 are affected by the rule. He suggested that parents write formal letters to the administration giving their views. Watts said that at Idaho the men have an organization similar to AWS for men.

Curriculum Committee—Mike Green, chairman

Swor then thanked CB for its cooperation during the year and submitted his resignation as chairman of the committee. He stated that he was involved in various other activities and could not find sufficient time to devote to the responsibilities of the committee.
