The meeting was called to order by Pres. Liffing in the Conference Rooms at 7:00 p.m. The minutes were approved as read.

PRESIDENT'S REPORT

Liffing read a letter from Gardner Cromwell, a faculty advisor, expressing his negative position on ASMSU's proposed membership in the Associated Student Governments of the U.S.A. due to the fact that our constitution will not permit us to join such an organization.

VICE-PRESIDENT'S REPORT

Homecoming Committee - Bob Miller, co-chairman, reported that a total of \$216.75 in bills had been received to date. He reported that all of the Homecoming activities went well except the noise parade and the pep rally. He said that he and Kaycee Clausen wished to seriously recommend that only one chairman be selected for the Homecoming Committee next year.

BOWLER MOVED THAT THE FOLLOWING PEOPLE BE APPOINTED TO VARIOUS ASMSU COMMITTEES:

Freshman Camp - Terry Soules, Janet Evans, Nancy Denty, Suellen Velde, Pamela Fisher; SECONDED BY KNIGHT. MOTION CARRIED UNANIMOUSLY.

Elections Committee - Cindy Jones, Pamela Fisher; SECONDED BY LARSON. MOTION PASSED UNANIMOUSLY.

Budget and Finance - Dave Wickline; SECONDED BY HIBBS. MOTION CARRIED UNANIMOUSLY.

Publicity Committee - Susan Lanman, Mickie Murphy; SECONDED BY TANGEN. MOTION CARRIED UNANIMOUSLY.

Special Events - Susan Lanman, Gwen Lloyd, Laura Harrington, Richard F. Bechtel, Gary Miller, Gary Hanson, Mike Cahill; SECONDED BY TANGEN. MOTION PASSED UNANIMOUSLY.

Planning Board - Mickie Murphy, Mike Cahill, Dave Wickline, Susan Stoterau; SECONDED BY LARSON. MOTION PASSED WITH CHRISTIAN IN OPPOSITION.

MSPA - Liffing reported that Behan, Christian, Foley, Margo Low, Liffing, Arnie Gutfeld, and a Budget and Finance member will attend the MSPA Convention on Nov. 14. Behan asked Hibbs how much reimbursement could be expected for transportation costs, and he replied that it is about four cents a mile. He said that at present there isn't any money left in the General Fund since the appropriations for the general fund were cut in half this year. However, he is investigating this.

FRESHMAN CAMP - Edwards asked Bowler what action had been taken on Jim Stegmiller's desire to serve as Freshman Camp chairman. She replied that he can work in an advisory capacity or pay his fees spring quarter in order to be appointed chairman. Tangen reminded her that he would have to pay his fees winter quarter, too, if the chairman is appointed winter quarter.

OLD BUSINESS

BEHAN MOVED THAT CENTRAL BOARD CONTINUE TO MEET IN THE TERRITORIAL ROOMS. Cole opposed this on the grounds that we should try to create interest among the student body by bringing student government to the various living groups on campus. Knight expressed agreement to Cole's position. Behan withdrew his motion. KNIGHT MOVED THAT CENTRAL BOARD HOLD MEETINGS AT VARIOUS LIVING GROUPS ON CAMPUS. SECONDED BY TANGEN. MOTION PASSED WITH BOWLER AND BEHAN OPPOSING AND CROMWELL AND FIELD ABSTAINING.

ASGUSA

Behan requested and was granted permission to resume discussion on ASMSU's membership in ASGUSA. He said that a way in which Central Board could handle the problem dealing with our financial obligations in ASGUSA would be to interpret the clause in our Constitution which forbids us to join organizations as this. He called

attention to various outright violations which CB has made in regard to the Constitution, such as failing to elect the Chairman of Judicial Council last spring, failing to insure that one administration representative be present at every CB meeting, and the existing situation which makes it impossible to impeach anyone if there were every reason to take such action. Behan expressed the belief that Art. V, Sec. 12 of the Constitution could permit CB to interpret Art. II, Sec. 3 of our Constitution so that we could join ASGUSA. He said that he believed that the whole problem was interpretation versus other violations. Behan reported that Larry Blankenship, ASGUSA President, had sent him a new constitution and informed him that the financial obligation is specific. Behan stated examples of areas within ASGUSA through which we could derive much benefit. Hibbs expressed opposition to Behan's views by stating that he did not believe we could interpret this specific clause, and that just because we violate the Constitution in other ways does not mean that we can violate this clause. Cole called for a point of order and requested that there be a motion on the floor concerning ASGUSA. BEHAN MOVED THAT CENTRAL BOARD SEND A VOTING DELEGATE TO ASGUSA. SECONDED BY BOWLER. Discussion followed in which Cole expressed opposition to the motion because he felt that membership in this organization would not benefit ASMSU that much. He said that hard work at the local level is the key to success through student government. He said that we should not be dependent on an association that has not even proven itself yet and which is in direct violation of our Constitution. He also opposed on the grounds that this organization is apolitical. Behan said that we could fight student apathy with our membership in ASGUSA through information and ideas that would be available to us. He said that ASGUSA would have documents telling people how to communicate with their voters more effectively. He clarified Cole's opposition to the apolitical aspect of ASGUSA by saying that ASGUSA cannot help but be political to some extent, but that they wanted to remain within the realm of student government only, and that is why they stated specifically in the Interim Constitution that they would be apolitical. Liffing stated that because the chair had ruled previously that our membership in ASGUSA was unconstitutional, Behan's motion was therefore nul. BEHAN REMOVED HIS MOTION. BEHAN MOVED THAT CENTRAL BOARD GIVE A SHOW OF HANDS TO INTERPRET THE CONSTITUTION TO ALLOW US TO SEND A VOTING DELEGATE TO ASGUSA. ~~THE MOTION WAS DEFEATED WITH NIN IN OPPOSITION AND SEVEN IN FAVOR OF IT.~~ *Motion Tied with Weggenman, Knight, Shogren, Behan, Tenger, Christian, Liffing in favor. Bowler, Hibbs, Cole, Asselstine, Field, Cromwell against. Liffing broke the tie, casting nay vote.*
PARENTS DAY - Cromwell expressed his appreciation to the Parents Day Committee for their fine work in making Parents Day a success.

MONTANA FORUM - Bowler requested discussion on last Friday's Montana Forum meeting in which Bob Liffing and Kent Price discussed student government. She said that Price proposed changing our present form of government to a bicameral form. Cole said that Steve Fenter had proposed such a change when he ran for ASMSU President, and that he had appeared before CB last year, but action was never taken. He said that Planning Board should look into this. Cromwell asked if we thought that by changing the form of government, we will infuse student interest in it. He said that we should consider instead the ends and purposes of student government before we set out to make any changes. Bowler explained that if the system were changed, it would probably represent more people. Cromwell said that perhaps Planning Board should study the philosophic end of student government since switching forms is losing sight of the ball. Field said that we should just try out new ideas and hope that the students will be interested. Weggenman suggested that Kent Price be invited to come to the next meeting to explain his proposal. Hibbs asked what relation Central Board has with the Kaimin, and whether or not we have control of it. Bowler said that we have the power to fire the editor. Cole said that our responsibility lies in our position as financial backers of the Kaimin. He said that after Publications Board makes their decision as to whom it would like

to choose as editor, the editor's responsibility lies with the public and social ethics. Behan said that the editor has a responsibility to his public, but if he does something that is irresponsible, so his publishers, have a right to act on the matter. Cromwell said that Central Board sits in a dual capacity as publisher and representatives of the public. He said that this should not be a great problem if we practice wearing a number of hats. He said that we are in error in speaking of the constitutional aspect of freedom of the press, since it is always the publisher's right to correct the editor at any time without violating this basic freedom. Cromwell urged CB members to read the section in the Warren Report which pertains to the responsibility of news gatherers. He said that CB as publishers of the Kaimin ought to expect the editor to be responsible, free and mature. He pointed out that it is a simple fact of life that the editor does not tell his publisher how to run student government. Field expressed the opinion that the Kaimin is the best student paper he has ever read. Field said that since CB has seen fit to support the Kaimin, they must recognize the fact that student interest should be represented, and the interest of the public lies in freedom of opinion. Therefore, CB has the responsibility to decide ex post facto whether an act was irresponsible. The best interest is Central Board keeping practical hands off the newspaper. Cromwell said that the Kaimin editor should know that CB has an "interested" hands-off policy. Cromwell said that we should also remember that the publication of a newspaper is an educational function, and thus, it is all the more reason why it should be free. Weggenman suggested that Foley be invited to the next meeting to explain the Kaimin's position in relation to Central Board.

CENTRAL BOARD

NOVEMBER 18, 1964

The meeting was called to order by Pres. Bob Liffing at the Phi Delta Theta house at 7:00 p.m.

Due to a mistake in the minutes concerning the count of votes on the ASGUSA vote of last meeting, another show of hands was taken and a roll call vote. VOTING IN FAVOR OF THE MOTION WERE WEGGENMAN, KNIGHT, EDWARDS, BEHAN, TANGEN, CHRISTIAN, LARSON. VOTING AGAINST THE MOTION WERE BOWLER, HIBBS, COLE, ASSELSTINE, MEAD, FIELD, AND CROMWELL. LIFFING BROKE THE TIE BY CASTING A NEGATIVE VOTE. MOTION WAS DEFEATED.

Cole asked that the wording of the sentence on page 2 of the minutes, "He clarified Cole's opposition to the apolitical aspect of ASGUSA. . .apolitical," be changed to read, "He answered Cole's opposition. . .apolitical."

PRESIDENT'S REPORT

Liffing read a letter from MSC's Student Body President, Wes Deitchler, in which he thanked ASMSU for their hospitality during the Bobcat-Grizzly Weekend. He also read a letter from Mary Sullivan thanking ASMSU for her Homecoming Queen scholarship.

VICE-PRESIDENT'S REPORT

BOWLER MOVED THAT RICK SWEENEY BE APPOINTED TO BUDGET AND FINANCE COMMITTEE. SECONDED BY HIBBS. MOTION PASSED UNANIMOUSLY.

STANDING COMMITTEES

Visiting Lecturers - Arnie Gutfeld, Chairman.

Gutfeld gave a progress report on the committee's work thus far and their plans for the remainder of this year. He said that MSC is very interested in getting their program coordinated with ours. He reported that a total of \$12.50 has been spent thus far on the committee. Cromwell commended Gutfeld for the good job he is doing.

Publications Board - Ray Cosman, Chairman.

Cosman reported that Publications Board wished to recommend Marcia Williams for M-Book Editor. ROSS MOVED THAT MARCIA WILLIAMS BE APPOINTED M-BOOK EDITOR. SECONDED BY CHRISTIAN. Discussion followed in which Behan opposed the appointment on the grounds of her freshman status, and thus, lack of knowledge in depth of student affairs. MOTION PASSED WITH BOWLER, WEGGENMAN, HIBBS, COLE, ASSELSTINE, EDWARDS, ROSS, AND MEAD VOTING IN FAVOR OF IT. BEHAN, TANGE, CHRISTIAN, LARSON VOTED AGAINST IT, WHILE FIELD AND CROMWELL ABSTAINED.

Cosman read a letter of resignation from Rosemary Carr, Venture Editor. Cosman said that Publications Board recommended that CB accept her resignation. ROSS MOVED THAT ROSEMARY CARR'S RESIGNATION AS VENTURE EDITOR BE ACCEPTED. SECONDED BY KNIGHT. MOTION PASSED WITH BOWLER OPPOSING AND FIELD AND CROMWELL ABSTAINING.

Cosman said that a new Venture editor would be selected next week.

Cosman reported that 2/3 of the Sentinels have been distributed, and that students can now pick their copies up at Room 305 in Main Hall.

Hibbs commended Cosman for attending Central Board meetings regularly.

Publicity Committee - Liffing reported that Dick Holmquist and Sheila Skemp will be guests on the University Profile TV program Friday night.

Auxiliary Sports Board - Brett Asselstine, Chairman.

Asselstine reported that he is working on opening the Men's Gym on Saturdays and Sundays during winter quarter.

Budget and Finance Committee - Bill Hibbs, Chairman.

Hibbs reported the tentative statement for the Roger Williams Concert. He said that total receipts were \$9374.50, and they are at \$421.00 more, which would make a total of \$9416.50 expected receipt. He reported that the expenses included: Roger Williams, \$5713.00 which includes the \$5000 plus 60% guarantee; Field House, \$1234.95; Setting up, \$30; Advertising, \$75; piano moving, \$42; piano tuning, \$72. Hibbs said that all the expenses are not in yet, but that the total thus far is \$1483.60. He said that the profit without the rest of the expenses is \$2219.90. He made the following suggestions for any future big name entertainment:

1. Special Events should continue to seek assistance from the faculty advisers, the student auditor, and lawyers who have experience in such matters;
2. Special Events should work through Budget and Finance Committee on all of their financial transactions;
3. Ticket sales should be handled through the Field House only. Hibbs pointed out that \$101.00 was lost this year through lack of control due to the fact that the tickets were not checked against the money when they were returned to the Field House from the Lodge.

Liffring suggested that this be referred to the Student Activities Coordinator for a policy statement.

Liffring asked Hibbs for a report on the West Point Conference to be held in Dec. Hibbs said that Dr. Turner is in charge of appointing a student to attend the Conference, and that ASMSU last spring allocated \$125 to aid the student's expenses in attending this conference.

Behan asked Hibbs if he had investigated the General Fund problem, and he replied that apparently there has been a mistake as to how the budget should be handled. He said that when the money was budgeted, they thought that the extra money from tuition would go into the General Fund, but instead it was deposited into the General Reserve Fund. He said that it will be a matter of how of securing the funds from the Reserve Fund instead of the General Fund.

Special Events - Birgit Burkhard, Chairman.

Burkhard announced that Diane Eck, Susan Brookings, Carol Lindborg, and Linda Sudholt are finalists for the Miss Wool Contest to be held Dec. 11 in Bozeman. Burkhard informed CB that Special Events has a good possibility of contracting the New Christy Minstrels for April 23, 1965, and therefore, requested \$5000 for this purpose. Behan asked why the profit from Roger Williams could not be used for this purpose, also. Bowler said that this could not be done since we are not sure of our profit on Roger Williams yet. Marc Davis said that the \$5000 is not an appropriation, but a guarantee from Central Board. WEGGENMAN MOVED THAT CENTRAL BOARD CONTRACT THE NEW CHRISTY MINSTRELS FOR \$5000 GUARANTEE OR 60 PER CENT. SECONDED BY KNIGHT. Discussion followed in which Foley asked if MSC had been contacted for possible cooperation on this, and Burkhard replied that since MSC has a big name planned near that time, they probably would not be interested now. Behan said that at the MSPA Convention, he learned that the schools who approach these groups usually end up paying the highest amount of money for them while the smaller schools pay less. Burkhard said that the smaller schools do not have the budgets to allow them to work with us on such a large scale. HIBBS MOVED TO AMEND THE PREVIOUS MOTION TO INCLUDE THAT MISS BURKHARD WORK WITH THE STUDENT AUDITOR AND FACULTY ADVISORS IN CONTRACTING THIS GROUP. SECONDED BY LARSON. MOTION PASSED WITH FIELD ABSTAINING. A ROLL CALL VOTE WAS CALLED FOR ON THE ENTIRE MOTION, AND THE MOTION PASSED WITH CROMWELL ABSTAINING. Foley suggested that the other schools in the state be contacted in the future before we contract big name entertainment. Cromwell suggested that a general policy be made for contracting big name entertainment, and that the Special Events Chairman should be given more room in which to bargain while contracting. Field suggested that we allow Birgit Burkhard to

bargain up to the \$5000 limit. Bowler spoke for CB in commending Burkhard for her hard work on Roger Williams.

Planning Board - Kent Price, Chairman

PRICE MOVED THAT CENTRAL BOARD AND ELECTIONS COMMITTEE CHAIRMAN SET UP AN ELECTION FOR THE EXECUTIVE CHAIRMAN OF JUDICIAL COUNCIL FOR THE PURPOSE OF IMPEACHMENT ONLY. Marc Davis commented that this has been in the Constitution but has not been enforced. Behan said that this motion would be unconstitutional because the Constitution says that the chairman shall be elected during the regular spring election. Price explained that this motion was intended to correct that violation. Knight asked how the members of Judicial Council would be chosen, and Liffing replied that the student members would be appointed for two-year terms by the President of ASMSU and five Central Board delegates and two hold-over Judicial Council members. Marc Davis said that he discussed Judicial Council with the Deans of Students and that they expressed the opinion that Judicial Council should not act on matters of student morals. Behan said that if Judicial Council has three purposes, then we should not role on only one of the purposes. ROSS MOVED THAT THE MOTION BE TABLED. SECONDED BY HIBBS. MOTION PASSED UNANIMOUSLY.

Price suggested that CB try to secure Missoula as the site for the Far Western Model United Nations in 1967, and requested a committee to work on this. He said that our chances are excellent.

Price reported that Planning Board wished to recommend the following by-law change: ADD SEC. 3 TO ART. XIV OF THE GENERAL BYLAWS - ALL INTERCOLLEGIATE ATHLETICS UNDER THE SPONSORSHIP OF AUXILIARY SPORTS BOARD SHALL BE GOVERNED BY THE SAME ELIGIBILITY REQUIREMENTS AS VARSITY SPORTS. THE FACULTY ADVISOR OF EACH INTERCOLLEGIATE SPORT SHALL SUBMIT THE MEMBERS OF HIS SQUAD FOR ELIGIBILITY APPROVAL BY THE ATHLETIC DEPARTMENT BEFORE THE COMMENCEMENT OF EACH SEASON. Action on this proposal will be taken next meeting.

Price explained his proposed student government change. He said that the students are now under-represented, and that representation within the government should be broadened. He said that the enrollment in 10 years will double and if we maintain our present form of government, there will still only be 12 representatives for such a large enrollment. He believes that the main purpose of student government is educational, and therefore, the government should be expanded to include more students. Therefore, he proposed that CB with its 12 members be retained as a Student Senate and a house of representatives be established. The present executive officers would make up the executive branch of the government. Any legislation would have to go through the senate, house of representatives, and signed by the President. Foley asked Price if his main purpose was to get more people involved in student government, and he replied that it was, and if more people are represented, there will be less apathy. Foley expressed the opinion that this would merely delay the workings of government with two additional branches. Cole explained Steve Fenter's reapportionment ideas. He said that the basic function of the reapportionment would bring government closer to the student body. He said that Steve had proposed a one house system in which all living groups would be represented. Cole expressed the opinion that a one house system would be more effective since we would tend to get tied up in the bureaucracy of government with more than one house. Hibbs, also, expressed this opinion. Bowler said that this should be studied further in Planning Board. Cromwell suggested that Planning Board concern itself with the philosophy of student government. He said that the functions of student government should be considered, and that Price's proposal seemed to suggest that executive and administrative functions be carried out in a legislative manner. He suggested that Planning Board compare our present system with other student governments. Liffing commended Price on his continued efforts.

SPECIAL COMMITTEES

MSPA - Behan reported on the MSPA Convention which was held in Dillon on Nov. 14. He reported that four committees met: newspapers, finance, presidents, and entertainment. At the President's Meeting, it was suggested that social calendars be exchanged along with student newspapers. Also, in late January, a Governors Prayer Breakfast will be held in Helena at which time the student presidents will meet, too. He reported that an intramural basketball tournament at MSC winter quarter was also suggested. Foley reported that the newspaper committee discussed the extent of control to which the student newspapers were subjected, and how the different newspapers were financed. Cathy Browman reported that the finance committee had exchanged ideas on the financial situations in the various schools. Christian proposed that, for future conventions, schools should write in their troubles before meeting so that the convention can be set up around them or else have specific committees which will meet every convention. Cromwell asked Foley if there was any significant control over the other student newspapers, and he replied that there is considerable control over most of them by administration and faculty. Cromwell asked Browman the size of MSC's budget, and she said it was around \$130,000.

OLD BUSINESS

Kaimin's Relation to Central Board - Dan Foley, Editor (The following is Foley's prepared statement for Central Board)

The Montana Kaimin is connected with Central Board for two reasons. The second is a direct result of the first:

1. The Kaimin is the official publication of ASMSU and is supported by student funds. Central Board, as the governing body of ASMSU, allocates these funds.
2. Central Board is ultimately responsible for the selection of the editor and staff of the Kaimin. This selection is based on recommendations by Publications Board, recommendations CB can follow or disregard, as it pleases.

This is as far as Central Board has any control over the Kaimin. Once the editor is selected, he is fully in charge, and the paper is entirely his responsibility.

The fundamental question here is one of freedom of the press. In addition to informing the public, one of the primary functions of any newspaper, including the Kaimin, is to act as a conscience on government and on society as a whole. Therefore, the Kaimin, in order to be the most effective paper possible, must be entirely free of any additional control by Central Board.

It is my opinion that the only authority Central Board would have once the editor is hired would be to fire the editor if the Board felt he had been irresponsible. This too, under your present committee structure, would be handled first through Publications Board.

Central Board has, in the past, attempted to restrict the Kaimin in its endorsement of student candidates because the Kaimin is a monopoly paper on campus. Therefore I, and previous editors, I believe, have always run any endorsements, or editorials of a similar nature, early enough to allow letters to the editor expressing other views to be printed before the election.

I have often stated that the Kaimin is a forum for student opinion and I encourage letters to the editor to express these other opinions. We on the staff of the Kaimin do not claim to never make mistakes -- we make them -- every newspaper does. But we try to keep them to a minimum. If any of the members of Central Board at any time feel the Kaimin is not doing a good job, has not correctly reported a **story** or has misquoted someone, you have two recourses -- not because you are members of Central Board, but because you are MSU students and are paying for the Kaimin: 1) You can write a letter to the editor complaining; 2) You can pick up

the phone, ask for me and state your complaint. But as far as any actual control, once the editor is chosen and the money allocated, you have none -- except to fire the editor if he should prove to be irresponsible. Let me re-emphasize: we are open to your criticism, but not to your control."

Hibbs asked Foley if he felt that Central Board acted justly in representing student opinion when the Sentinel editor resigned last spring over the controversy of three issues. Foley said that he believed that once the Sentinel editor was appointed, it was his right to publish three issues since he did say he planned to do this before he was appointed, and therefore, action should have been taken at that time, if any. Behan asked Foley if he ever felt any pressure of censorship from the faculty or administration, and he replied that he had somewhat of a pressure from the administration in that he had told Pres. Johns that anything Johns said at CB, he considered to be on the record, and anything which was said in his office would be off the record if he so chose. However, Johns told him that the first time he was quoted in the Kaimin when he wanted something off the record at CB, would be the last time Foley got a story from him. Liffing thanked Foley for appearing before Central Board.

NEW BUSINESS

Behan suggested that Central Board send a letter of commendation to all those who contributed to the success of My Fair Lady.

Behan suggested that another resolution be sent to the Board of Regents asking them to remove the tabled proposal to allow 21-year-old women students to live off campus. Marc Davis said that he had discussed this with some lawyers and they felt that the best way to get this through would be to present it to the State Legislature. Foley said that anything of this nature would have to go through the Board of Regents anyway, so we should go directly to them in the first place. Cole suggested that Liffing draft a letter reflecting Central Board's feelings on this.

Ross suggested that a get-well card be sent to Nancy Taylor, sophomore delegate.
