President Ed Whitelaw called the meeting to order in the Silver Bow Room. Whitelaw then introduced President H.K. Newburn who gave a short talk concerning the university bills now in the State Legislature.

President Newburn remarked that there seemed to be a good change that the university budget would go through as it now stands. He said that a committee from the legislature investigated the heating plant and agreed that it needed fixing; the cost of $325,000 stands in its way at the present, however. Newburn said that the proposed budget will give us $5 million the first of the two coming years and $5.5 million the second year; this, he said, is a definite increase from previous years. Concerning the proposed name change of our school to the University of Montana and Bozeman's to MSU, Dr. Newburn said the main problem was that we had not been consulted first about this. He said that there would need to be a time elapse between the changing of our name and the Bozeman's. This proposal, however, died but has been replaced by one which might change the name of MSU to Montana University of Science and Technology; the School of Mines would also have a new name.

Another bill mentioned by President Newburn was that which would reduce to $1000 the amount of work which could be done without submitting it for bid; since this is such a low figure, the Montana schools are trying to have it changed to $5000. Dr. Newburn noted that if one of the bills now pending is passed, a Commission will be set up that would require us to see them to obtain approval on any proposed building before submitting the plans to the legislature.

President Newburn said that the present plans for the Lodge involve changing the Treasure State Room for more efficiency in food servicing and converting the Cascade Room into another dining room which would also have the dishwashing facilities. The other part of the plan will depend on whether we decide to build a new Student Union, thus enabling the sale of our portion of the Lodge; or whether we stay here which would cause the Administration to convert the present facilities and make a small addition to the back area.

In answer to a question by Browman, Newburn stated that the ice rink needs its tubes replaced; since this would cost about $6000 it hasn't been fixed yet. Concerning the proposed FM station awaiting his approval, Dr. Newburn said he would look over the plans soon.

Rick Jones asked for Newburn's opinion on the value of the Student Curriculum Committee being organized under Planning Board. Newburn said he didn't feel that there was much chance of the students having formal participation in the formation of curriculum, but that they could make their attitudes felt through Dr. Abbott. Bertelson asked the President if the students sold their part of the Lodge how long it would be before this entire building would be used for food servicing. Newburn answered that the entire building would be used for something as soon as possible, but that it would be 6-8 years before it would all be used for Food Service. He added that the
building would still be available for student use until a new building was ready for them.

Whitelaw thanked President Hepburn for his appearance and said that further meetings of this type would be held.

Corrections
On page 1, the names Bipperman and Beuther were misspelled. The fourth sentence on page 2 should read "Robinson said that we have as much right to allocate funds for the library as we do to allocate funds for Intramural Sports. The second sentence from the bottom on page 3 should read "Dennis had contacted Dean Cogswell about the dance and was told that it was the university's function to put in a Work Order".

Vice-President
Robinson said that the chairmen for Leadership Camp and Special Events would be recommended by Personnel Committee this weekend. The committee will also recommend chairmen for Homecoming, Parent's Day and Freshman Camp soon.

Budget and Finance
Browman moved that we allocate $517 to the bowling team for their expenses. Seconded by Robinson. Motion carried unanimously.
Browman moved that we accept the resignation of Suzy Patterson from Budget and Finance. Seconded by Packer. Motion carried unanimously.

State-wide Convention
Fuller reported that the convention would be held March 2 in Helena with Carroll College acting as the host school. The morning would consist of discussion groups on the topics of the Montana State Association, the PSPA Convention, Student Government Problems, and the Setting up of Better Communications in the state. Fuller said that at least four delegates from MSU would attend. The afternoon would consist of a meeting of all the delegates as a whole.

Publications Board
Marge Dightman said that the committee wished to recommend Jean Kay Ferris for Associate Editor in charge of Arts. Ken Beary and Sally Rochester Johnson had also submitted applications; Miss Ferris had submitted an application earlier this year, also, Miss Dightman said. "Ferris" moved that Jean Kay Ferris be appointed Associate Art Editor. Seconded by Bertelson. Motion carried unanimously. Schwanke moved that Rick Jones be added to Publications Board. Seconded by Dennis. Robinson asked why Jones wished to be on the committee. Jones answered that he attended anyway, and that he worked in close conjunction with Pub Board. Printer Bowler said that he felt the chairman of one committee need not have a vote on another, especially when the work could be done by consulting the chairman of Pub Board. Motion carried unanimously.

Polio Vaccine
Browman reminded Central Board that it had discussed supporting the coming Sabin Polio Drive. Printer Bowler said that the idea was to get every person in the area vaccinated and that Central
Board could openly recognize the worth of such a project. Dennis questioned whether it was our practice or moral duty to tell people to do this; he said the purpose was to formulate policy.

BROWMAN MOVED THAT CYLINDERS BE ADDED TO THE FOLLOWING RESOLUTION:

RESOLVED, THAT IN LIGHT OF THE EFFECTIVENESS OF SABIN VACCINE IN COMBATING POLIO THAT CENTRAL BOARD FORCES THE STUDENTS OF MSU TO TAKE THIS OPPORTUNITY IN PREPARING OF THIS MEDICAL TREATMENT WHICH WILL BE AVAILABLE TO SAID STUDENTS. SECONDED BY COLE.

MOTION CARRIED 12-1 WITH DENNIS OPPOSED AND JOHNSON ABSTAINING.

Planning Board

Rick Jones announced that Blaine Ackley was now head of the Judicial Revaluation Committee. Planning Board has started a sub-committee which is trying to form an effective Curriculum Committee of students; interested CB members are invited to attend.

Library Hours

Whitelaw said that he had mailed letters to Miss Campbell and Dr. Abbott concerning the extension of the library hours through the dinner period. As yet, he has received no reply.

Food in Dorms

Mary Lauderback, Triangle representative, reported that the dorms are prohibited from having canned foods, etc. in the dorms and was interested to know why. She said that many of the girls in the dorm wanted to know why no Sunday evening meal was served. EM. Pantzer suggested that they might speak with Miss Chamberlain about these matters.

Respectfully submitted,

Joanne M. Hassing,
ASMSU Secretary

Mr. Pantzer, Dr. Abbott
