AREA HIGH SCHOOL STUDENTS TO EXPLORE UM SCIENCE LABS – High school juniors from Charlo, Drummond, Florence, Noxon, Plains and Missoula will be at The University of Montana on Saturday, April 8; Thursday, April 13; and Thursday, April 27 to learn about science labs on campus and participate in various experiments. They will be at the University’s Human Performance Laboratory, Electron Microscopy Facility, chemistry labs, and biology and health sciences labs. For more information, call Associate Professor Steven Gaskill at 243-4268 or e-mail him at steven.gaskill@umontana.edu.
