April 25, 1963
The meeting was called to order by President Ed Whitelaw in the Silver Bow Room of the Lodge.

Letters
Whitelaw read a letter from Dr. Morton Borden which stated:

I want to thank you for your kind letter urging me to return to Montana State University after my leave of absence. Such is my intention. Despite our disagreements, Gov. Babcock and I have at least one thing in common: we both love Montana. With all its faults and imperfections and problems, I'd rather live and teach in Montana than any other place.

Again, I wish to thank the members of Central Board for their letter of confidence.

Leadership Camp
Margaret Low, Leadership Camp Committee chairman, explained that she had sent letters of invitation to the outgoing members of Central Board. She thought that they should try to attend Leadership Camp at their own expense. "A Stronger Bridge" is the theme of the camp, and discussion groups will attempt to study the University. A member of the Board of Regents is tentatively scheduled to talk about the Board of Regents and its role. Drs. Abbott and Pantzer will talk about the administration and the duties of the presidents office. Dr. Jeppeson will speak about the Faculty Senate. Dr. Kittell will speak about the role of the students. The new and old ASMSU officers will talk Saturday morning. Col. Mocha will speak on leadership. There will be a panel discussion by the deans of various schools on campus regarding the relations among the students, faculty, and administration.
