## Course Description:

The course, Forestry 423, reviews the U.S. government's legislative and executive influence over public wildlands with particular emphasis on congressional jurisdiction, action and processes during the past twenty-five years of wilderness considerations in Montana and the Northern Rockies.

## Readings:

Text: How Congress Works. Additional readings and handouts will be provided.

## Evaluation:

- 30% – Attendance is required
- 20% – Tests: unannounced
- 25% – Midterm: written and oral
- 25% – Final: to be announced
