Central Board Minutes
December 5, 1962

The meeting was called to order by President William Edward Whitelaw (that’s Eddy) in the Silver Bow Room. The minutes were approved after the following correction: pg. 2, under Student Union, the words "could be changed" should be added to the phrase "Ann Bartlett said that almost anything but the outside architecture".

Correspondence

1. A letter from Earl Martelli was received suggesting that the high school students of the surrounding area be invited to the Grizzly basketball games which will be held during the Christmas holidays. They will be admitted free of charge.

2. Beau Brown wrote that Helen Hayes would be unable to come to MSU for an appearance. He also stated that Idaho State College wished to know whether MSU would be interested in negotiating with Judith Anderson to see if she would come to the Northwest area. The matter was referred to Special Events.

Publications Board

Cole moved that the motion tabled last week concerning the Venture policy be removed from the agenda. Seconded by Robinson. Motion passed unanimously.

Brown moved that the motion be amended to add the sentence "All literary or art work shall be limited to undergraduate student contributions, except outside work may be accepted with approval of Publications Board" to section 1, part A. Seconded by Robinson. Motion passed (11-0) with Macdonald and Bowler abstaining. Johnson said she felt the second half of the sentence 2, Section B. nullified itself and asked what the reason for having it was. Fred McGlynn said he felt that it had been included so that essays, usually of a critical nature, might be included in the Venture. Mr. Stone suggested removing the whole sentence 2, since it was taken care of in sentence 3. Browman moved to amend the proposed policy by deleting sentence 2, Section B and changing 3 to 2. Seconded by Schultz. Motion unanimously passed. Cole moved to amend section D. By adding "pending approval by Publications Board" between "by the editor" and "from...". Seconded by Bertelson. Motion passed unanimously. McGlynn asked who would be the arbitrator of what is obscene and whether the quality of the material would be decided before or after publication. Stone said that if anything was brought to the attention of Pub Board, they would probably act but otherwise leave it to the discretion of the Venture staff. Browman said that Central Board reserves the right to edit either the Venture or the Kaimin if it sees fit, but it is usually left to the discretion of the editor. Browman moved that the Venture policy be approved as amended. Seconded by Cole. Motion passed unanimously.
Planning Board
Chairman Rick Jones said that a by-law change concerning raises for certain positions on the Kaimin staff would be discussed at the meeting December 6. He suggested that any Central Board members interested in the discussion should come.

Jim Erickson announced that the Christmas SOS will be December 12, at 7:30 p.m. He also mentioned that Les Hankinson and Jim McFie will be cheerleading for the coming basketball season.

Respectfully submitted,
