CENTRAL BOARD MINUTES
April 27, 1961

Absent: Morris, Cogswell.

The meeting was called to order by President Paul Ulrich, in Conference Rooms 1 and 2. The minutes were read and corrected as follows: page 3, under Model UN, should read: Carlson commented that Dr. Stillson had been a remarkable advisor. page 5, under Budget, second paragraph, Morris seconded instead of Haley.

Ulrich welcomed the newly elected delegates and officers.

Ulrich read a letter from Bob Bowen, Head Turtle Keeper, in which the rules for the Turtle Contest were stated:
1. Your turtle must not weigh more than 250 pounds or less than 1/100 ounce.
2. You must send your turtle if it is a he cleanly shaven to the tournament.
3. If your turtle is a she you must indicate on the entry blank what color hair and eyes she has.
4. You have the opportunity of naming your own turtle, otherwise we will name him, her, or it for you.
5. All turtles must have their toenails clipped before they are allowed to race.
6. Please let us know the type of music your turtle likes so we can keep him, her, or it content while it is in Detroit.
7. Please state the type of food your turtle likes best so we will be sure not to feed it to him.
8. Please enclose a copy of all previous races won by your turtle and how fast you have clocked him.
9. The breeding of your turtle is very important and we would like you to enclose a copy of his pedigree.
10. You can send along a trainer with your turtle if you so desire.
11. Owners will be held for damages that their turtle may do.
12. The length of your turtle's tail may not exceed 2,359 feet when it is retracted.

Ulrich said that it was obvious that people in other places had plenty to keep their minds busy. He said that since the Montana turtles were not yet out, he had sent in the $1.00 entry fee and had asked them to pick a winning turtle. He said that the name chosen was "Montana Monster".

COMMITTEE MEMBER BANQUET
Grimm reported that so far 190 people would be invited to the banquet. The food service would normally charge $1.27.50 for this number but Miss Chamberlain will allow $1.00 on food passes. The food will then cost $257.50. 200 invitations were ordered. Grimm passed a sample around the table. The cost for invitations is $15.00. Background music will cost $5.00. Publicity committee is making the menus for $3.00. Grimm said that five of the committee chairmen did not turn in lists of members. He said that so far the total cost would be $380.00, including guests. The banquet will be held in the Territorial Room, May 8, Monday night from 5:30 to 7:00.
ACTIVITIES BOARD
Bob Morganstern, chairman, reported that June Christy will be on campus May 1, with a concert and dance. The Elks Club has booked Si Zentner for Sunday Night, April 30. He reported that the Randy Sparks Trio will be here the Friday night of Interscholastic Week, May 19, with a two hour show starting at 8:00 p.m. He commented that his committee members were happy about the banquet planned for them.

There is an art exhibit in the Yellowstone Room featuring paintings by C. L. Garner, from Washington.

Two new display cases were purchased by the Student Union for $250.

Under Games Committee, he said that the Student Union is sponsoring a bridge tournament on May 3, 10, or 17. Morganstern stated that it had been pleasant working with Central Board throughout the year and greeted those members of next year's board that were present.

PUBLICATIONS COMMITTEE
Jack Cogswell, chairman, stated that his committee wanted to change the by laws in Division 3, Article II, Section 5, so that the assistant to the photography editor for the Sentinel will have a nine month period of employment. ULVILA MOVED THAT DIVISION III, ARTICLE II, SECTION 5 OF THE BYLAWS BE CHANGED TO READ: HE WILL BE AN ASSISTANT FOR PHOTOGRAPHY AND PRODUCTION AND WILL RECEIVE $20 PER MONTH FOR A NINE MONTH PERIOD TO BEGIN OCTOBER 1. SECONDED BY COLNESS. CARRIED UNANIMOUSLY.

Cogswell also said that the committee recommended that "M" Board committee submit a name for a faculty advisor to Publications Board. COLNESS MOVED TO CHANGE ARTICLE III SECTION 6.a. OF DIVISION II, TO READ: MEMBERSHIP. THIS COMMITTEE SHALL BE COMPOSED OF A CHAIRMAN, A FACULTY ADVISOR, AND STUDENT MEMBERS APPOINTED BY CENTRAL BOARD.... SECONDED BY DODGE. PASSED UNANIMOUSLY.

ELECTIONS COMMITTEE
Ed Whitelaw, chairman, reported that 1311 ballots had been cast on campus plus 39 ballots from the forestry camps, totaling 1350 ballots. In total there were 1382 signatures. But there was a mixup as to which election which voted in. Whitelaw said that he took the total number of signatures for both elections minus the number of voters last week, which resulted in a number of 1290 campus signatures plus 39 forestry ballots totaling 1329 signatures. He said that either some voters didn't sign the roster of that there had been ballot stuffing of 21 ballots. He reported the results of the election:

Whitelaw said that the counting started at 5:00 p.m. and that they finished the first time at 8:15. Since many of the races were so close, the ballots were recounted, and the group counting finished at 11:30 p.m. He said that the elections were in fact illegal since the bylaws require them to be between May 1 and May 15. However this was readjusted due to Leadership Camp. Whitelaw commented on the apathetic attitude referred to in the campaigns. He said that this seemed to have been altered in the campaigning either in opinions or in the issues floating around. He said that he hoped that the attitude of sincere desire to have the entire campus represented on Central Board would be continued in the future. However he said that he felt certain that it would again fall back into a rut, and in the future everyone would sit back, then again there would be poor turn-outs at the polls. That is until once again a group has the potential control of Central Board. Grimm commented when Whitelaw had finished that it would be easy for people not to sign the roster when voting. Whitelaw said that this might be true but that he doubted it. He said that ballots had also been taken to the forestry building for the senior forestry camp but that the professor who was to take the mail to them had decided that they would not be back in time and so had left them here. Ulrich said that since the results of the elections are certified upon the report of the elections chairman to Central Board, all results were approved.

MODEL UNITED NATIONS

John Carlson, chairman of the delegation, reported on the Security Council. He said that he had seen Dr. Payne, who said that the Political Science department would be glad to help. He also talked to Dean Cogswell, who signified the cooperation of the administration. So MSU will submit a bid for the meeting to be held on this campus. Carlson said that housing would be a problem. There will be no room in the dorms and limited housing in fraternity and sorority houses. He said that a motel or hotel might give a rate for the entire group. He said that he would attempt to keep Central Board informed on the project. He announced that the MUN delegation has scheduled a public meeting for Thursday, May 4, 7:30 p.m., in the Yellowstand Room. Here the delegation would relate what
they thought was worthwhile and the kind of work necessary to prepare for the meetings. He said that he hoped to get a bylaw change proposed on the selection of delegates.

HOMECOMING
Datsopoulos reported that a possibility for a band for Homecoming had been recommended by Eric Myhre and Homecoming Committee. DATSOPoulos MOVED TO HIRE THE GLENN MILLER BAND FOR THE HOMECOMING DANCE, SECONDED BY GRIMM. Romstad asked what the price of the tickets would have to be for this. Datsopoulos said that he didn't know yet but that the alumni would give $1000. He said that the only other band possibility was Buddy Marrow for $2250. The Miller Band will give a 1½ hour concert with the remainder as dance music. THE MOTION WAS PASSED UNANIMOUSLY.

INSTALLATION BANQUET
Mossey reported that the Installation Banquet would be at The Pines, April 30, at 5:30 p.m. She said that the menu would be steaks with a shrimp cocktail. The price of each plate will be $3.00. Reservations have been made for 43 persons. She said that the old and new ASMSU officers, CB delegates, Store Board, faculty and administration delegates and Frank Walsh and wife would be attending. Also the old and new Judicial Council Chairmen will be invited.

OLD BUSINESS
ROMSTAD MOVED THAT THE BUDGET BE REMOVED FROM THE TABLE, SECONDED BY COLNESS. PASSED UNANIMOUSLY. Datsopoulos asked why the budget and finance committee would review big name entertainment before it was brought to Central Board. Ulvila said that if Budget and Finance would screen the possibilities first that ASMSU would lose less money. He said that CB had spent a lot of time on such things last year. DATSOPoulos MOVED TO DELETE "BUDGET-FINANCE COMMITTEE AND" FROM THE BUDGET HISTORY PAGE TWO UNDER ACTIVITIES, SECONDED BY GRIMM. Ulvila said that this had been stipulated as such last year but had not been done. Daley asked if Activities Board had done much weeding out of entertainment. Datsopoulos hedged that there wasn’t that much entertainment coming through Montana. Daley surmised that if this were done before Budget and Finance that Activities Board might do a better job of making choices. Lee stated that Central Board would still have the final decision. Datsopoulos said that Activities Board would do the haggling. Colness asked if Activities board ever contacted B&F to see about finances. Minter said that she thought the members of CB would be more sure of voting if this came through B&F. Young thought there should be a liaison between B&F and this area. Ulrich said that this would have to come through the Business Manager. Browman stated that several of the entertainment ventures were financial flops, and that B&F had some ideas of how much it could afford. He said that it is responsible for each group in financial matters. Colness said that at least the Business Manager should be contacted, rather than springing it on him at Central Board meetings. Stone said that he thought entertainment was less necessary to go through B&F than other things. He said that entertainment directly was effected by the entire campus and that CB would be directly concerned. THE MOTION PASSED, 10-2, WITH ULVILA AND MINTER
OPPOSED AND HUNKINS ABSTAINING.
THE rest of the budget was reviewed. Ulrich said that the
business meeting on Sunday would see the final adoption of the
budget. MINTEER MOVED TO TABLE THE BUDGET. SECONDED BY
ROMSTAD. MOTION PASSED UNANIMOUSLY.
Carroll asked if the total figures included the carryover of
the various committees. Ulvila answered no that many of the
activities were yet to come but that the budget took carry-
over into consideration.

NEW BUSINESS
Ulrich introduced Vince Wilson of the P. E. Department. Ulvila
referred to the minutes of February 7 in which the bowling
team had received $288.35 which was divided thus: two matches
with MSC—$54.00; Montana Intercollegiate Tournament—$27 and
$39.35; and the Student Union Tournament at Eugene—$135.00
and $33.00. The first figure is for travel and the second is
for entry fees. In the minutes of February 11, the bowling
team was allocated $186.00 for subsistence. Wilson said that
the team came directly to CB because they had an entry deadline
to meet. He said that the team had used $110 of their own
money for shirts and $180 for practice bowling. One of the
members agreed to take a car, the team is asking $25.00 for
entry fees; $85.00 for transportation; $24.00 for lodging;
and $72.00 for meals. Since there is still $65.85 left over
from previous allocations, the total requested is $140.15.
ULVILA MOVED TO ALLOCATE $140.15 TO THE BOWLING TEAM TO ATTEND
THE INTERMOUNTAIN COLLEGIATE BOWLING TOURNAMENT AT LARAMIE,
WYOMING, SECONDED BY DALEY. THE MOTION WAS PASSED, 12-0,
with Mossey abstaining.

Ulrich read a copy of a petition circulated by George Permanko
to establish class organizations. He said that the particular
petition he had had 34 signatures. Browman recommended that it
be left to the new Central Board. Ulrich said that he would
like to see it referred to Planning Committee. Grimm said that
the committee had discontinued meetings. WHITElaw MOVED TO
REFER THE CLASS ORGANIZATION PETITION TO PLANNING COMMITTEE.
SECONDED BY DATSOPOULOS. CARRIED UNANIMOUSLY.

Grimm commented on the various allocations allotted for milages.
He suggested that this be standardized. Young said that he
would take this into consideration.

Ulrich announced that the delegates were free to attend Leaders'
Camp; the cost would be borne by ASMSU.

Grimm stated to Frank Walsh that being backed by the Kaimin
seemed to have the same effect as being backed by Mongarism.
Students resent being told what to do. Walsh said he would
wait until tomorrow before making comments. He said that his
mistake was in printing Ulrich's letter.

There being no further business the meeting was adjourned.

Respectfully submitted,

Diane Mossey
Secretary, ASMSU
