JOB FAIR BRINGS EMPLOYERS TO UM CAMPUS

MISSOULA --

A job fair will be held from 10 a.m. to 3 p.m. Thursday, Aug. 30, in the University Center Ballroom at The University of Montana. Hosted by the Office of Career Services, it is open to all employers and UM students.

There is no cost for students or employers to attend. The fair is available to any business, organization or department that needs college students for part-time jobs, internships or volunteer opportunities. Employers with work-study openings also are invited to participate.

Employers can register online at <http://www.umt.edu/studentjobs/employer>. Call 243-2022 for alternative registration materials or if there are additional questions. Students do not need to register for this event.

Valerie Marsh, UM student employment coordinator, said she hopes that the fall job fair will be beneficial to everyone involved.

"I have spoken with many business owners in Missoula who have said that they are looking for employees who can work part-time during the school year," she said.
