Central Board Minutes
October 19, 1960

Absent: Stone.

The meeting was called to order by President Paul Ulrich in the Silver Bow Room. The minutes were approved as read.

Ulrich announced that delegates making the trip to Bozeman for the joint student government meeting should keep receipts for money spent so that they can be reimbursed later. Rides will be leaving the Lodge at 7:45 Sunday morning.

BUDGET AND FINANCE

Bon reported that the Parachute Club appeared before Budget and Finance to request \$208 for the purchase of five training parachutes. Bon moved that Central Board allocate this money to the Parachute Club. Seconded by Colness. Bon read a report by Tom Farrington, subcommittee chairman, in which it was stated that the subcommittee had met with Captain Harris and Carl Edludd to review the matter.

The subcommittee unanimously recommended allocation. The club has 14 old and 15 new members and is restricted to university students. Johnson said that he couldn't see that the club did so much good for the University; all that they could point to would be that a few men landed on the mountain. Farrington replied that the club was only one year old and that it takes time to organize. The allocation would amount to approximately \$7.00 per member when they contribute \$17.00 for activities fee. He also said that he thought the small activities has as much right as the larger ones as long as they can justify their needs and reasons. Colness asked if Central Board could restrict the use of the parachutes. Farrington answered that these will be training chutes and that the more experienced jumpers won't care to use them. Johnson asked what colleges in the area can the club compete with. Bon replied that there is a meet scheduled with Bozeman before the MSU-MSC game, and the University of Idaho and University of Washington have Parachute Clubs. Carlson said that the club doesn't show that much potential. The motion was tied 5-5, with Datsopoulos, Mossey, Bon, Lee and Morris in favor and Colness, Johnson, Carlson, Dodge, and Ulvila opposed. Romstad, Cogswell, and Oswald abstained. Ulrich cast the deciding vote in the opposition. He said that the activities of the club would be limited to a few members only and the expense was not too great to be borne by these members.

Bon reported that Dorothy McBride had requested the reallocation of funds within her budget. She had met with each group concerned to go over expenses. Bon moved

that the following reallocation be made:

Jubileers \$450.00
Band 1000.00
Choir and
Symphonette 950.00

and that the \$120.00 surplus could be distributed among the groups as Travel-Coordination sees fit. Seconded by Johnson. Bon said that in 1960 budget the Jubileers had requested \$600.00, the band \$700.00, and the Choir and Symphonette \$1300.00. Browman recommended that Central Board defeat this motion, that it would in effect wipe out the efforts of Budget and Finance. Johnson stated that this was a redistribution not an allocation, and that this was the duty of Travel Coordination Committee. They could probably do a better job than did Budget and Finance last Spring. Browman said that this move would wipe out the effect of Budget and Finance, why didn't they just allocate a percentage to Travel Coordination and let them spend it. Johnson said that this has been discussed. Ulrich said that the position of Travel Coordinator was created after the 1960-61 Budget had been drawn up. The motion was carried 12 $\frac{1}{2}$ -0, with Carlson abstaining.

Bon moved that the Drill Team be allowed to appear before Budget and Finance. Seconded by Johnson. Bon said that the team will want \$95.00 for stocks for rifles and miscellaneous items such as scarves, shoulder bands, etc. He expressed opposition because each cadet pays \$3.00 into a fund which is used mainly for the Military Ball. Almost all the rifles are furnished by the army. He thought that they could use part of their \$1200. fund. Browman asked what procedures should be taken for appearance. Ulrich said that Planning Committee will take care of this. Motion was defeated 11 $\frac{1}{2}$ -0, with Whitelaw and Cogswell abstaining.

VICEPRESIDENT
STUDENT UNION

Datsopoulos reported that the College Inn cleared \$10.00 this past week, bringing the total profit to \$34.34. A band will be playing in the Inn Friday evening from 9:00 until 12:00. AWS is sponsoring a dance Saturday evening in the Yellowstone Room. Another Talent Show will take place in the College Inn Friday afternoon at 4:00. The committee granted permission to the Faculty Wives to use the Silver Bow Room for Bridge parties the first and fourth Thursday nights of each month, unless there is student demand for the room at that time. Action has been taken to keep the Grill open until 10:30 on Sunday nights.

PUBLIC EXERCISES COMMITTEE

Datsopoulos reported that Douglas Kirk will speak on Conservatism November 2; Dr. Schlesinger will be here December 9; Mike Cousins, editor of the Saturday Review, will be coming March 10; Dr. Larsen will speak later this year; an authority on Spanish Customs will be coming from England sometime in February; either Ernest Hemingway or Al Capp is planned to finish the year's program.

ACTIVITIES BOARD

Roger Williams Concert had a \$400.00 loss, but which has been offset by the profit of the Homecoming Dance. A big-name band is being planned for winter quarter and the Kingston Trio might be here in the Spring. Brownman said that the capacity of the University Theater is approximately 1450.

An ASMSU mixer has been planned for the MSU-MSC game, November 5.

An art or painting exhibit is being planned to take place in the Lodge.

A movie, "Gates of Hell" will be shown in the University Theater Friday night.

Johnson commented on the Faculty Wives being able to use the Silver Bow Room when students weren't allowed to use the Faculty House. Ulrich answered that there was a hidden motive behind this; the ladies might complain about the lighting situation.

MODEL UN

Ulrich reported that Dr. Stillson is concerned about the selections committee for the Model UN delegates. This is usually handled by the International Students committee but Carol Cooper, chairman, is planning to apply for the delegation. Dr. Stillson also wanted Central Board's recommendation on the composition of the group, whether the delegation should be restricted to History and Political Science majors or whether no limit should be placed on majors. Morris opined that the delegation should not be limited to History-Pol. Sci. majors. Johnson said that the delegation last year was varied. The question of how many delegates should go was raised. Ben said that they have \$911. this year compared to \$739.40 for last year and that traveling expenses should be lowered. Johnson said that they should work up a budget to see how many delegates they can afford to send; that it would be of benefit to send more. Romstad said that Central Board should set some number and not leave the decision lie on the distance the group would have to travel. Ben said that he would like to see the group number around 12 and leave the surplus for next year. Johnson said that Budget and Finance would cut the allowance next year if they had a large surplus. Ulrich said that last year International Students took over the selection, but that Cooper wanted to apply this year. Cooper said that Ron Legg

had offered to help although he is not a member of the committee this year. Carlson suggested that the matter of the selection committee be postponed a week. Cooper said that she would try to contact someone who either was on the selection committee or was a delegate last year. Bon said that Stillson would want veterans to return to the Model UN. Ulrich said that Cooper could be left in charge of International Students committee but that she could not be on the selection committee. Bon suggested that the number of delegates be decided upon by the amount of funds with sufficient amount left for emergency.

PUBLICATIONS BOARD

Datsopoulos moved that the following by-law change as recommended by Publications Board be accepted.

Division II, Article III, Section 6.

"M" Book Committee shall be the responsibility of the Publications Board.

a. Membership. This committee shall be composed of a chairman and student members appointed by Central Board. The chairman shall appoint a secretary, who will file a report of each meeting with the ASMSU vice-president.

b. Duties. This committee shall have general supervision over the publication and distribution of the freshman "M" Book.

Seconded by Carlson. Colness asked why Central Board should appoint the chairman. Carlson said that CB appoints all Chairmen whether they are of a main committee or a sub committee. Johnson said that the wording should be changed to editor. Colness said that he saw no need for the by-law change at all.

Johnson moved that the motion be tabled until later. Seconded by Whitelaw. Carried unanimously.

Publications Board recommended Douglas Paulson for Sentinel Photographer with Neil McGill as assistant. Datsopoulos moved that Central Board accept this recommendation. Seconded by Morris. Motion carried 11 $\frac{1}{2}$ -0, with Bon and Johnson abstaining.

SONG CONTEST

Bob Higham, Executive Secretary of the Montana Alumni Association, was introduced by Ulrich. He said that the alumni are interested in publishing a new song book, as the last one was issued in 1928 or 1929. For this new book they feel that a new "fight" song is needed. Jack Ryan, Mr. Musselman, and Higham are to be working on this project, as a song committee. The alumni would like Central Board to sponsor the song contest. Johnson said that this should be taken care of in Traditions Board. Adams said that no agreement had been made on this issue in T-Board last Spring. Ulrich said that Central Board

should take action on this. Whitelaw moved that Central Board sponsor the "search for a song" and delegate further action to Traditions Board. Seconded by Johnson. Motion carried unanimously. Farrington asked who would pay for a prize. Higham said that perhaps ASMSU would like to offer some reward; he wanted to get the contest going at least by Christman. Adams suggested that T-Board funds could be used. Carlson said that the Book Store had expressed some interest. Lee said that some individual had offered \$100 at T-Board last year to be used for this purpose.

ELECTIONS

Whitelaw reported that the primary elections for freshman delegates to Central Board will be by October 27 from 8:00 a.m. to 5:00 p.m. There will be four ballot boxes in booths at the head of the stairway into the Yellowstone Room. Bear Paws and Spurs are being contacted to work in the booths. 12 petitions were in but had not been checked as to qualification. The general elections are to be November 3. He also said that in order to establish a correct roster for voters that 40-50 man hours were needed. He would like any help from delegates. Ulrich said that the petitions would need validated and set Thursday, Oct. 20, 4:00 p.m. in the ASMSU office as a meeting time and place for such.

TRADITIONS BOARD

Adams reported that there would be a Pep Rally at 6:30 Friday night in the form of a snake dance starting at the old high school on Gerald Avenue. This would end up at the University Theater. Gary Fish is to be master of ceremonies; the band, cheerleaders, pom pom girls, and football squad will be present. Ray Jenking will speak. November 5 has been set for Dad's Day. There will be a noon luncheon at which awards will be made to the youngest, oldest, and the dad who traveled the farthest. Russ Conklin, Gwen McLain and Glen Aasheim are on the committee for this event. The Grizzly Growlers will have a card section for the MSU-MSC game. T-Board is also taking care of transportation and food plans for the Bozeman visitors. A pep rally is being planned for the night before the game. A publication, Grizzly Special, will be issued before the game. Adams said that after the last Grizzly win, the Victory Bell was stolen and left on the streets where the police picked it up. T-Board will have to pay \$5.00 for towing charges. Cogswell said that there is evidence that the bell ran or was pushed into a car owned by Jim Persons, of Great Falls who was visiting in Missoula. There was approximately \$75. damage. He said that this should be checked out as no insurance is carried on the bell. Bon said that he would see about Mr. Persons. Adams said that Ellen Thowardson is in charge of organizing a cheering

section for the MSC game. Dodge suggested that signs etc. be placed all over campus to stir up campus spirit. Adams said that he would take care of this.

Morris questioned No. 26. Carlson moved that No. 26 be deleted, as amendment to the motion. Seconded by Dodge. Carried 11 $\frac{1}{2}$ -1, with Datsopoulos opposed and Mossey abstaining.

Whitelaw thought that No. 4 should be much more specific. Morris moved that No. 4 should be deleted as amendment to the first motion. Seconded by Dodge. Oswald said some such statement should be in the minutes if not on the actual request form. Motion carried unanimously.

~~The motion~~ ~~was~~ ~~carried~~ ~~unanimously~~.

Whitelaw moved that Central Board authorize Publicity Committee to use ASMSU silk screen and brushes for outside poster work provided that this doesn't conflict with ASMSU committee assignments. A charge will be made for labor and materials. Seconded by Johnson. Carried unanimously.

Johnson said that he would like to discuss Ralph Bloomenfeld's proposal for campus beautification next week.

Ulrich announced that Judicial Council interviews will be held Saturday morning at 10:45. Five members of Central Board would be needed. Johnson, Mossey, Romstad, Datsopoulos, Ulvila, and Ulrich will represent the Board.

Romstad suggested that the Lodge play music of the Hi-Lo's before their concert over the loud speaker.

There being no further business the meeting was adjourned.
