Central Board Minutes
November 9, 1960

Absent: Johnson, Morris,

The meeting was called to order by President Paul Ulrich in the Silver Bow Room at 4:00 p.m. The minutes were read and corrected as follows: page two, first paragraph, Bob Dundas examined the camera and had said that it was worth \$400. should be changed to Bob Dundas has considered the camera worth while purchase. page three, under Traditions Board, the Opportunity School should be changed to Higgins Avenue High School.

Ulrich officially welcomed the new freshman delegates, Ann Minter, Joe Daley, and Bruce Vasser.

Ulrich read a letter from Dr. Newburn concerning the suggestion of Central Board to put some type of traffic control at the intersection of Arthur and University. Dr. Newburn suggested that Central Board work through the administration rather than the local authorities.

Ulrich also read correspondence from Troy Crowder concerning campus development. Mr. Crowder answered questions proposed by the students and said that the administration is planning to handle most of the suggestions.

BUDGET & FINANCE

Bon reported that of his 23 member committee 3 were unable to attend because of classes. He moved that Larry Juelfs, John Montegna, and John Good be removed from the committee with the stipulation that all three be allowed to reapply winter quarter. Seconded by Lee. Passed unanimously. Bon also moved that John Lagerquist be removed from the committee. Seconded by Carlson. Bon said that Lagerquist has not been present at any meetings. Motion passed unanimously.

Bon reported that there is \$2258.93 left in the Student Loan Fund. The committee has thus far into the year, made loans amounting to \$740. These loans are for from three months to one year. Six loans amount to \$100 each, one is for \$75, and one for \$65.

Bon reported that there is \$11,543.43 in the Activity Fee Increase Reserve Fund in Helena. This money is to be placed in one balance and invested as the State Treasurer sees fit. The investment now gets about $1\frac{1}{2}\%$ interest. Bon said that this could be placed in a savings fund in order to draw 3% or 4% interest.

ACTIVITIES COMMITTEE

Datsopoulos reported that a Beach Party has been planned at the Swimming Pool for Thursday night, November 10. The

Tropicals will be the band. They will have a singer. There will be a dance in the Lodge Saturday night from 9:00-12:00. The Hi Lo's, whom Central Board had approved, for November 18, will not be appearing. This group was working with two agents and had been booked in Boston from November 14 through 19. They want to come during winter quarter if they can be scheduled. The agency has made the "Gateway Singers" available to replace the Hi Lo's. They will be for the same price of \$1750. Concert times are 7:30 and 10:00 p.m.; tickets will be \$1.25. This group will be flying in directly from Los Angeles and returning after the performances. Concerts will be around 1½ hours.

LES ELGART

Datsopoulos reported that Les Elgart appears to be scheduled for February 10, a Friday. The cost of this will be \$2000. Datsopoulos said that the agent is mailing a contract.

Ulrich said to push the Gateway Singers. People will be selling tickets in the Missoula County High School. Music by this group will be played in the lodge during the afternoons.

Datsopoulos reported that the mixer after the MSC-MSU game made approximately \$385. There will be a juke-box dancing session at 2:00 Friday afternoon in the College Inn before the usual Talent Program at 4:00.

PUBLICITY BOARD

Walsh reported that Publicity Board recommended Gloria Gallagher as art editor and Dawn DeGray as assistant art editor of the Venture. The committee voted four for Gallagher, three for DeGray, and one abstention.

Venture Policy has been set as follows: The Venture will be representing both faculty and students, the University as a whole. This publications will not be used for selfish reasons or to degrade individuals or groups. It is not to publish obscene materials. It is an outlet for creative writing on campus. The staff will be chosen by the editor, the number of staff members will be flexible. If the staff drops below a minimum number of 6, Publications Board will appoint members. One member of Publications is to be on the Venture staff and one member of the Venture staff is to be at least an ex-officio member of Publications Board. This coming week David Patton will represent Publications Board at Venture meetings and Jim Polk will send a representative to the Pub. Board meetings.

This is to improve communication between groups.

Datsopoulos moved that Central Board approve Publications Board's recommendation of Gloria Gallagher and Dawn DeGray as art editor and assistant art editor, respectively. Seconded by Ulvila. Walsh said that both candidates had a 2.4 grade point average; both were art majors. Gallagher is a transfer student. DeGray showed the Board samples of her art. Gallagher had no samples present. Polk and Tina Behlinger, Business Manager of the Venture, both expressed a desire to have Gallagher as editor, as she had had experience in magazine work. Motion passed 14-1, with Mossey opposed and Whitelaw abstaining.

Walsh expressed a request to have Leonard Soucy removed from Publications Board. Soucy has been contacted prior to each meeting and each time has asked to be removed. Bon moved that Soucy be removed from Publications Board. Seconded by Minteer. Motion passed unanimously.

ELECTIONS COMMITTEE

Whitelaw reported that the elections closed last Thursday at 5:00 p.m. Around 524 voters of 1250 actually voted. Campaign speeches were held Wednesday evening in freshman halls from 6:15 to 6:45. Due to a mix-up in posters and publicity, there was only a fair turnout at Brantly and none at Craig. Whitelaw said that there were no interviews or pictures in the Kaimin. Ballot counting was finished at 5:45 p.m. Thursday and the results were posted. The results were:

Ann Minteer	247
Joe Daley	215
Bruce Vasser	204
Wilbur Wood	189
Tom Lehrkind	163
Roy Nicclet	94

Write-ins included Riedlinger with 29, Cobb with 5, Mueller, Lahr, and Keener with two pieces, and McBurney, Korkalo, Palmer, Touson, Swant, Mast, and Stephens with one. Carlson said that a group picture of the six candidates was in the Kaimin. Colness said that the Kaimin was planning to have pictures but that not all of the candidates were notified.

Stone moved that Central Board give him permission to destroy the ballots from the primary election. Seconded by Carlson. Motion passed unanimously.

TRADITIONS BOARD

Adams said that he would like to see all Central Board members have their names on the Booster Telegram to be sent to the Grizzlies for the Utah game this Saturday. The Spurs and Bear Paws will be selling signatures tomorrow for 15¢.

RADIO COVERAGE FOR FOOTBALL GAMES

Ulrich said that the University has the coverage rights to the games, which is free to any station who wants to pay the season charge for the line. This amounts to \$1500. No station has been willing to undertake responsibility of getting sponsors for this project. He said that the stations up to now have been able to secure the line for the season or for individual games, but that there might be a policy change to commit the station to a series. The next two games will not be broadcasted due to lack of sponsors. Two stations are now looking for sponsors for the basketball games. Noone has wanted to sponsor a losing team. Datsopoulos said that the KXIO station has two sponsors for this weekend's game and needs only one more in order to sponsor the MSU-Utah game. Olson said that someone suggested to him that the University build its own radio station and have the tapes of the games sent

up for recasting. This would be much cheaper. Datsopoulos said it was also suggested that the Greek houses share the cost of the third sponsor, which would amount to \$110. There might be a sort of contest with a radio given as prize to the highest group. Cogswell suggested that Central Board could undertake this project. Colness asked how much the radio station has worked on this. He thought that this was unethical to have the students use activity funds for sponsoring a broadcast. Vasser suggested the KXLO Sports Club. Datsopoulos said that this only sponsors high school games. Bon said that ASMSU could cover the charges but was the repercussions from the anti-athletic people worth the money. There is \$2400 in the working fund and could easily be used to cover this. Datsopoulos said that there would be some repercussions but that he thought the majority would be in favor. Whitelaw moved that ASMSU be the third sponsor, contributing \$110, for the MSU-Utah football game this Saturday. Seconded by Datsopoulos. Colness expressed doubt that this would be heard by many students since many would be going home over the weekend. Lee said that the town people should have more of an interest. Stone said that with the talk of and desire for spirit that this would be as good a way as any to spend the students money. This would be directly related to student activity. Carlson said he thought that the disadvantages would outweigh the spirit prospect. Bon suggested an assembly room so that a larger group of students could listen to the game together. Colness said that he had heard of a loud speaker to bring the cheering section from the campus to the gamesite. Whitelaw said that it was a prime duty of Central Board to promote school spirit and that this was a wonderful opportunity to do so. Daley asked if arrangements could be made in time for the game. Datsopoulos said that there would be time. The motion was passed 7-5, with Datsopoulos, Ulvila, Romstad, Whitelaw, Daley, Minter, Oswald, and Stone in favor; Colness, Lee, Carlson, Dodge, and Vasser opposed; and Mossey, Bon, and Cogswell abstaining. Stone said that there should be much publicity that Central Board is supporting the team, with a letter sent to the team informing them of the same. Browman suggested that Central Board should have air time with a committee appointed to write copy for such commercials. Stone moved that Central Board designate Datsopoulos and Ulvila to write copy for this and to make other arrangements for the broadcast. Seconded by Carlson. Passed unanimously.

PLANNING COMMITTEE

The following by law change was suggested by Planning committee

Division II, Article IX. Homecoming Committee.

Sec. 1. Membership of this committee shall be composed of a chairman, co-chairman, and student members appointed by Central Board during fall quarter of the year preceeding the Homecoming. The chairman shall appoint a secretary who shall file a copy of the minutes of each meeting with the ASMSU vice-president. The co-chairmen and committee members will begin to function the winter quarter of the preceeding year through Homecoming.

Lee moved that the by law change be approved. Seconded by Carlson. Ulvila said that this recommendation was suggested by last year's Homecoming chairmen and committee. Motion passed unanimously.

NEW BUSINESS

Ulrich suggested to the freshmen delegates that each of them start thinking of a special project with which they could better Central Board. Each upperclassman has his own project or committee with which he is working. Ulrich said that he would be glad to talk to the delegates individually.

Ulrich suggested that Central Board have an informal meeting in which the delegates plus committee chairmen are present to discuss the committees and projects. He said that the group has been primarily concerned with reports and the past events rather than future concepts. Ulrich set the meeting time for Sunday, November 20, at 7:00 p.m. The meeting should last two hours. It will be primarily discussion and reevaluation with no business transacted. It will be held in one of the conference rooms.

Colness suggested that Central Board put out some type of publication denoting the honor students, graduates, faculty, and other prominent campus people. He said that he thought this would greatly enhance the image of the University in the eye of the public. Each department should compile lists of prominent students in that field. This should be in the form of a booklet for the campus and the public. Colness said that if there were enough money this should be compiled and distributed somewhat like the "M" Book. Ulrich said that this could be referred to Public Relations. Colness said that this could help relationships all over if campus personalities were made known to the students and to the state. He said that the alumni put out their annual report but that the average student does not see this. The student should be educated in order to build a better University pride. Ben said that this could be a project for the freshman delegates to work on. Ulrich designated Colness to follow through on his suggestions with the help of the freshman delegates.

Romstad said that the 1961 Homecoming Committee should be selected this quarter. Ulrich said that applications will be out early next week and that committee members and co-chairmen will be approved the following week. Romstad suggested that the entire Homecoming project be put under the one committee instead of having so much division of power. Ulrich said that this was more of an administrative project.

There being no further business the meeting was adjourned.

Respectfully submitted,

Diane Mossey
