JUDICIAL COUNCIL

Ulrich read the fall quarter report from Dugdale, chairman, in which he stated that J-Council had handled only two cases this fall. In one suspension was recommended, in the other the party was required to move into a fraternity house or dormitory. Three more cases were yet to be reviewed. Reasons why so few cases were handled were that the dormitories now have a more effective system of handling violations and that the girl living groups seem to have a kind of honor system to handle less severe violations, and that the students are getting smarter. The majority of the Council is against having Kamin coverage on cases reviewed for reasons of protection.

Colnes asked whether Central Board would have the power to say whether J-Council would receive publicity on cases. Cogswell answered that he would rather have Dugdale discuss this matter but he felt that these matters were confidential in the Dean's offices and that it shouldn't be changed with the Council that the student is the important person. Past J-Councils have had closed meetings. Colnes suggested that there be no names and have periodic cases reported. Some of the cases leaked out, he felt, and this would present a correct story rather than rumors. Ulrich suggested that Central Board could require reports more often, say monthly.

STUDENT UNION

Datsoopoulos reported that the Student Union is sending an entire subcommittee to study Student Unions at Moscow, Idaho and the Washington State University at Pullman. Two carloads are attending since the Board couldn't decide who should go. Ulrich said that the purpose behind these trips was to see as many student unions as possible in order to make lists of the things wanted in our own union. Carlson asked where the money for the new union would come from. Ulrich answered that a University committee was making investigations about funds. The Student Union fine might be raised or surpluses might be put to use. Carlson said that he wasn't satisfied with the answer and that he would ask again later.

VISITING LECTURERS

Louise Johnson reported that five of her members were not coming to meetings when contacted and that she would like to remove Panny Wagner, Marie Stephenson, Steve Fenter, Marshall Dennis, and Sheila Hattler. JOHNSON MOVED THAT THESE FIVE PERSONS BE REMOVED FROM THE VISITING LECTURERS COMMITTEE. SECONDED BY MORRIS. CARRIED UNANIMOUSLY.

NEW BUSINESS

Ulrich read a letter from Earl Martell to ASMSU recommending that ASMSU invite the grade school and high school students of Missoula to attend the Grizzly basketball games during the Christmas vacation. Games to be played will be with Idaho State on December 16 and North Dakota on December 17. JOHNSON MOVED THAT ASMSU LET THE MISSOURI GRADE AND HIGH SCHOOL STUDENTS INTO THE GRIZZLY GAMES DURING THE CHRISTMAS VACATION FREE OF CHARGE. SECONDED BY ROMSTAD. CARRIED UNANIMOUSLY. Datsopoulou will take care of preparations.
TENNIS COURTS

Ulrich displayed petitions containing 384 signatures, which had been circulated throughout various living groups, proposing the construction of six new tennis courts. Datsopoulos explained that when Dr. McFarlane was president of the University he had promised the students 6 new courts when 6 of the old courts had to be torn out for the building of the Woman's Center. Dr. Karlin has spent eight years trying to get the promised courts. Datsopoulos said that he had talked to Newburn and Pantzer last summer when they had told him that they had planned on building handball courts. Evidently the students would have to choose between the handball courts and tennis courts. Since then the Tennis Club has reorganized and wants a recommendation from Central Board. Cogswell asked that if the tennis courts were built, did that mean that the handball courts would not be. Datsopoulos said that the University doesn't have enough money. Oswald said that he had had many requests for handball courts. Lee asked if part of the money would come from ASMSU. Datsopoulos said that the University would pay for them. Oswald said that handball courts could be used 12 months of the year. Datsopoulos said that some skyline tennis teams refused to play on our courts. Oswald also said that the courts would be valuable for tennis tournaments during interscholastics. LEE MOVED THAT CENTRAL BOARD RECOMMEND TO THE UNIVERSITY ADMINISTRATION THAT SIX NEW TENNIS COURTS BE CONSTRUCTED. SECONDED BY BON, COINNESS MOVED THAT THIS BE AMENDED TO INCLUDE THAT THE PRESENT SIX COURTS BE RENOVATED. SECONDED BY LEE. Lee said that Marie Colley, tennis player, had said that these courts were like streets, worthless, and in terrible condition. Datsopoulos said that scholarships were now offered for ability in tennis and that it was useless to practice on the present courts. Lee asked how expensive it would be to resurface the old courts. AMENDMENT CARRIED UNANIMOUSLY.

Cogswell asked the possibility of a compromise between the handball courts and the tennis courts; with the motion the door would be closed to handball courts. Datsopoulos said that the reason for the rush is that fund requests have to be turned in before the next legislation. Cogswell said that he was sure that all extra appropriations and requests had gone in. Carlson asked Datsopoulos if he was sure if this was an either or situation for the handball courts. Datsopoulos said that Pantzer felt there was not enough money to do both. Ben said that there were no official handball courts around campus at the present time. CARLSON MOVED THAT THE MOTION BE TABLED UNTIL NEXT QUARTER. SECONDED BY ULVILA. Ulrich suggested that a survey of the students be taken to see what they would like. Lee said that she would take care of this. Datsopoulos said that there was no skyline or conference handball competition. Oswald said that there were handball tournaments and WMCA tournaments. Ulrich appointed Lee chairman and Daley to poll the students about the choice of courts. MOTION TO TABLE CARRIED 12-2, with Datsopoulos and Minteer opposed. Browman asked if the Kaimin could run a short questionnaire about the courts. Oswald said that girls don't usually play handball and that they could
stuff the ballot box. Cogswell said that if there is this limitation it could be that tennis courts would be more useful.

Oswald asked that Central Board give him permission to destroy the ballots from the last election. CARLSON MOVED THAT OSWALD BE GIVEN PERMISSION TO DESTROY THE BALLOTS FROM THE LAST ELECTION, SECONDED BY LEE, CARRIED UNANIMOUSLY.

The next meeting time is set for January 11, 1961, in the Silver Bow Room at 7:00 p.m.

There being no further business the meeting was adjourned.

Respectfully Submitted,

Diane Mossey
Secretary, ASMSU
