Between Halves of
Annual Fight.

Students who will play in the Grizzly at the Butte game a week from Saturday were announced today by Vernon Hoven, student manager.

They are Kermit Eckley, George Houghton, Charles McCormick, Vernon Hoven, Stanley Scott, John Franson, Wesley Owen Hancock, Edwin S. Glen Flint, James Burcham, is Barnes, John Woodcock, Matt Brown, Fred Compton, John Rom-Bill Brown, Martin Grande, Alvin Olson, Glenn Larson, Clyde Fry, les Goodspeed, Dud Brown, Leon Crane, Bob Dussault, Alex Cunningham, Karl Erickson, Horace Ward-David Fitzgerald, Paul Lemmon, Wallace Bruce Atkins, Willard S. Ted Coombes, Donald Perry, Johnson, Fay Coney, Eldon S. Meyer Harris and Frank Holm-Roy Freeburg, bandmaster, and Clarence W. Peterson will play them.

Members of the bandmen in their uniforms and white trousers were in the Sentinel at the Wednesday evening practice. A campus drill "M" formation, to be used at the game, was also a feature of the drill. The band will play at the mountain Union game tomorrow.

ND S. O. S. OF THE YEAR HELD LAST NIGHT

O. S. was held last night for the first time this year in preparation for the Intermountain game tomorrow noon.

Singing on the Steps was opened by several numbers played by the band, including "Hall, Hall, Bang's All Here," and "Up With Us." The speakers were Jerry member of the Montana football team; Prof. Freeburg, director of University band; George Schotte, and captain of the team for the tomorrow; Eddie Chinske, captain of the Grizzlies last year and now of the freshmen team; and Dr. C. Clapp, president of the University Devotion, loyalty, and enthusiasm was the theme of most of the

King Bob Hendon introduced his yell dukes, Billie Burke of Lewiston, Don Wellman of Lewiston, George Prosser of Los Angeles, of them lead the students in a yell. Billie Burke then led group in several songs. S. O. S. ended with the singing college Chums at 8 o'clock.

ocation Before Aggie Game To Be Held Next Thursday

Lead Students in U. Songs; by Major Milburn and Team.

Classes will be excused at 11 o'clock next Thursday for a student convocation, according to Gordon Rogner of A. S. U. M.

The convocation will take the form of a general "pop rally" prior to the game. The Grizzly band will present to lead the Grizzlies in its songs, and Tell King Hendon also many novel features.

Members of the Grizzly football team make short talks, as will Major Milburn and President Clapp.

O. T. C. FROSH TO ACT AS FIELD GUARDS FOR INTERMOUNTAIN GAME

First Year Men Receive Elemental Drill in Rifle Use. Band Practicing Drill Formations.

Freshmen taking Military Science will be assigned to their initial guard tomorrow, in connection with the Intermountain Union game. As part of their regular class-work, one of the "rookies" will be set to check the parking places and keep a list of the baseball field, some will be onlookers from going to the "chess" bench, and some will guard the fence opposite the grandstand. Tickets have been issued to the freshmen, and they are studying the steps

RECORD CROWD EXPECTED AT BOBCAT-GRIZZLY BATTLE

About 650 Students Plan to Make Trip. Townspeople Take Big Block of Seats. Few Good Ones Left.

Indications now are that one of the largest crowds ever to go from Missoula will attend the thirty-second annual Bobcat-Grizzly grid clash a week from Saturday in Butte. About 650 University students are already planning to go. Seat sale down town amounts to about 200, it is said.

According to Carl Blair, who is in charge of ticket sales, there are still some seats left in midfield. It is expected that these will be gobbled up by the fans.

Another sign that the crowd in the Mining city is going to be big is this: University men, wiring three and four days ago for room reservations, soon found that practically all rooms were taken in the larger hotels.

Not only in Missoula but in Butte has the demand for tickets been heavy.

Frosh Girls Guests Of W. A. A. Last Night

Dancing and Refreshments Follow Swimming Party.

W. A. A. members entertained the freshmen women and others who are interested in their activities last evening at the first get-together on the association's social program for the year. The party began in the pool in the men's gymnasium at 8 o'clock, and after about an hour's swimming everyone repaired to the women's gym to dance and have refreshments.

A lighted-candle relay, a nightstunt relay, a newspaper relay, and stunts furnished entertainment for the crowd in the pool. Dorothy Kiely and Ruth Nickey also gave an exhibition of fancy diving. The program in the women's gymnasium consisted of clog dancing by Jerry Parker and Myrtle Elvers, and a number of songs sung by Sol Anderson, after which dancing was enjoyed by everyone. Ruth Nickey, president of W. A. A., explained the point system of the organization to the girls, and the evening was closed with a feed of sandwiches and ice cream. Unatose Flannery was chairman of the arrangements for the party.

Forestry Honorary Holds First Meeting

Druids Arrange for Year's Program.

"The Druids," honorary society of the foresters, held their first meeting Wednesday night at the home of Dean T. C. Spaulding.

At this meeting arrangements were made for continuous programs at the meetings throughout the year. Plans for the year's outside activities were also completed. Meetings will be held every other Wednesday.

Officers of the club, elected last spring, are as follows: President, Floyd H. Phillips; secretary, R. O. Bell; treasurer, Berry Park.

After the business meeting, each member gave a short discussion on his activities during the past summer.

MEN'S DEBATE TRYOUTS SET FOR NOVEMBER 12

Tryouts for the men's varsity debate squad will be held in the Little Theater Tuesday, November 12. The subject to be debated is: Resolved, that modern advertising should be condemned. The speeches should be five minutes; four minutes will be allowed for rebuttal. Members of the debate team meeting the Oxford debaters November 4 will not have to try out for the varsity squad.

According to a news story printed in a recent issue of the Montana Standard, officials of the Butte Chamber of Commerce had to prevent several near fights between fans quarrelling over a choice of seats. The Butte officials class preparations for the game as just as hard work as any of their major "drives."

Preparation of Directory Is Nearly Ended

Organizations Are Requested
To Turn in Lists
Of Officers.

Preparation of the tenth annual student directory of the State University is now being carried on at the Registrar's office. As usual the directory will carry the lists of the officers of all student organizations on the campus. On account of changes by recent elections or due to the withdrawal of some students these lists are incomplete. The director of the work requests that the following organizations turn in the names of their officers to the Registrar's office at once:

Commercial club, Home Economics club, Mathematics club, Montana Debating Union, Quadrans, Spanish club, and Pan-Hellenic Council.

North and Corbin Formals Saturday

North and Corbin hall girls will entertain at their annual fall quarter formal dances tomorrow evening in their respective halls.

The dances will be formal for women only, because of the custom on the campus forbidding freshmen men to wear tuxedos. Beginning at 9 o'clock, three hours of dancing will be enjoyed to music furnished at North hall by Joe Busch's Montanans, and at Corbin hall by Mope Dickinson's orchestra.

Chaperones for the evening at North hall will include Mrs. Theodore Brantly, Mr. and Mrs. T. G. Swearingen, Miss Le Greta Lowman, Mr. J. B. Speer and Mr. John Crowder. At Corbin hall Mrs. F. K. Turner and Miss Lucille Brown will chaperone, while Dr. and Mrs. Clapp, Dean and Mrs. J. Earle Miller, Dean A. L. Stone and Mrs. Mildred Stone will divide their evening between the two halls.

Committee chairmen in charge of arrangements for the dance at North hall are Frances Walker, programs; Rosina Cartee, music; Betty O'Connor, chaperones; and Norma Eastman, punch. Those in charge at Corbin are Jean Patterson, reception; Norma Flick, chaperones; Maxine Davis, programs; Catherine Hurst, punch; and Gertrude Hawks, music.

Mollett Welcomes Students to Club

Last Tuesday the Pharmacy club held its first meeting. Dean C. E. Mollett welcomed the new members and introduced the officers after which Professor John Suchy outlined the club's past activities. After adjournment about forty students made an inspection trip to the drug stores of the city in observance of National Pharmacy week. It was also observed by talks given by Dean Mollett.

Activity Tickets Must Be Presented For Bozeman Game

Students who go to Butte for the Aggie game will be required to present A. S. U. M. tickets at Clark park. All tickets presented by a person other than the owner will be taken up. Arrangements are being made to provide seats for all students who intend to go to Butte and a check is being made of the student body to determine the approximate number of reservations that will have to be made.

Pres. Clapp, Six Faculty Members To Speak on Education Programs

Reserved Seat Tickets for Bobcat Game To Go on Sale Until Tomorrow Afternoon

Rooters This Year Given East Bleachers of Clark Park; Reservations Assure Students of Good Seats.

Reserved seat tickets for the Grizzly-Bobcat game to be played in Butte October 26 will be on sale to the student body today and tomorrow only. The tickets have been on sale for the last five days and all that are left after tomorrow afternoon will be sent back to the Butte Chamber of Commerce.

The east side bleachers of Clark Park in Butte from the 40-yard line south have been allotted to the University rooters this year. One thousand tickets for these seats were received by the A. S. U. M. office last Monday.

Three hundred of the tickets were placed on sale at the Donovan and Hickey Cigar store for townspeople. Two hundred of the 1,000 have been available to the students who wanted a reserved seat. The remainder of the tickets that are not sent back to Butte will compose the University general

rush section to which the A. S. U. M. stub gives admittance.

Reserved seats cost \$2. Students may obtain these either today or tomorrow at the A. S. U. M. office in Main hall or at the Students' store. After that the reserve seats will be closed to the student body. The purpose of offering reserve seats to the students is for their own convenience entirely. They can go out to Clark park at any time and know that they have a good seat.

Go-to-Church Month Starts Next Sunday

"U" Christian Union Again Sponsors Move to Increase Attendance.

In an effort to increase attendance at churches, the University Christian Union is this year again sponsoring a "Go-to-church month" on the campus. The month will officially start next Sunday and will continue until the Sunday before Armistice day.

All students are especially requested to set aside during the month the time from 10 o'clock to noon, or, in some cases, from 7:30 to 9 p. m., every Sunday, in which to attend the church of their faith.

The University Christian Union is composed of two or more representatives from each of the religious University groups in the city, and its aim is the promotion of Christian character at the University. During the last week, University classes have been started in most of the churches, and activities in the various church clubs are already under way.

Forestry Dean Goes To Chicago Meeting

Spaulding Is National Officer of International Lumbermen.

T. C. Spaulding, dean of the Forestry school, left Thursday afternoon to attend a meeting of the national officers of the International Lumbermen's association in Chicago, October 20 and 21.

The results of this meeting, according to Dean Spaulding, will probably be placed before the meeting of the National Retail Lumber association to be held in Chicago October 22-24.

Mr. Spaulding was appointed one of the national officers of the International Lumbermen's association this fall.

Frontier Carries Work Of Former U Students

November Issue for Sale on Campus October 22. Parsons, Coates, Stevens, Frohlicher, and Others Contribute Poems and Prose.

Next Tuesday the November issue of the Frontier will appear on the campus. It will contain five contributions by former students of the University as well as stories and poems by Montana people and other writers of the Northwest.

"Other Gods, Montana," a poem by Homer Parsons, is one of the features of this issue. Mr. Parsons, a graduate of the class of '20, has won several national poetry prizes. He is now working on a newspaper in San Bernardino, Cal.

Letters to Governor Potts, territorial governor in 1877, that have never been published will appear in the historical section of the Frontier. These letters were sent just before the Battle of the Big Hole in the Nez Perce war. One of these letters was the last letter of Major Peter Ronan to Governor Potts. Major Ronan was one of the early constructive pioneers of Montana. The other letters are from men prominent in Montana history. A photograph of Governor Potts will also be in this issue.

James Stevens, well-known author of "Homer in the Sagebrush," has contributed notes, "Four Months on a Freighter," from his day book which he kept when he worked on a freighter from San Francisco around Cape Horn to Argentine, and back. These notes are just as Mr. Stevens took them on his trip.

Harry T. Gisborne, of the fire research branch of silviculture of the forest service in Missoula, has written his observations and experiences of the forest fire explosion near Glacier Park in an article, "A Forest Fire Explosion on the Half Moon Burn."

Will James, author of "Smoky," has made a full-page illustration for a poem by Ethel Romig Fuller, entitled "The Six-Horse Limited Mail."

Eileen Barrows, '29, and Irvin Shope, a graduate, have made a historic and romantic map of Montana. A similar

map of Wyoming was in one of last year's issues of the Frontier.

John Frohlicher, a former student at the University, and now employed at the Daily Missoulian, has two poems, "Miners," in this issue.

Mary Brennan Clapp has contributed a poem, "The Unwilling Alchemist." Sallie MacLay, '29, will also publish two poems.

Besides these, there will be stories by Harry G. Huse, Grace Stone Coates, Harry Hartwick and Roland English Hartley. Among the poets will be H. Raynesford Mulder, Hood River; H. J. Bolles, Butte; and Verne Bright, Portland.

Yinger Sextet Gives Unique Entertainment

Last Tuesday the Yinger sextet, a traveling musical troupe, introduced a unique program in their recital of folk songs, gypsy melody and recitations at the Methodist Episcopal church.

The Yinger sextet represents one family: three brothers, a sister, and the wives of two of the brothers. They are graduates of Alvin college, Michigan, and are also graduate students in music and religious education from Boston university. At present they are on a tour of the United States which will take them to the western coast, south through California and back to Boston via Chicago and the mid-western states where they will be enrolled for the spring quarter at Boston university.

SID COFFEE MADE DIRECTOR.

Sid J. Coffee, member of the Executive Board of the State University, has been appointed a national director of the American Automobile association. Mr. Coffee is president of the Montana Automobile association.

Montana Education Association to Meet Oct. 24 To 26 for Discussion of School Problems.

President C. H. Clapp and six members of the faculty of the University are scheduled on programs of the Montana Education Association October 24 to 26. The western division of the association meets in Bozeman, the northern division in Great Falls and the eastern division in Miles City. Teachers of the grades and high schools throughout the state are represented at these meetings.

Tanans, Bear Paws Will Be Tapped Sat.

Men's Honorary Patterned After Knights of the Hook.

Members of Bear Paw and Tanan, sophomore honorary organizations, will be tapped for 1929-30 tomorrow afternoon between halves of the Montana-Intermountain game.

Bear Paw, men's organization, has functioned on the Montana campus since 1921, the year that Montana won from Washington. The organization was modeled after the Knights of the Hook which were on the Washington campus. It is the duty of the Bear Paws to meet all trains bringing visitors and athletic contestants to the University, to enforce the Montana traditions, and to be ready to do anything that they are called upon to do.

The Tanans, women's honorary, was organized soon after the Bear Paws made their appearance.

Twenty Bear Paws are tapped each year and are picked by Silent Sentinel, senior men's honorary organization. The 18 Tanans selected are chosen by the former members.

Since belonging to these organizations is the highest honor to which a sophomore can receive they must have distinguished themselves during their freshman year to become a member.

Foresters Invited To Logging Congress

Professors Cook and Ramskill Leave Monday for Seattle.

Professors I. W. Cook and J. H. Ramskill of the Forestry department will leave Monday of next week to attend the annual meeting of the Pacific Logging congress at Seattle. Seniors in the Forestry school who wish to attend may do so.

The Pacific Logging Congress includes all of the states west of Kansas, as well as British Columbia. Some Orientals also attend these meetings.

PHI LAMBDA ADDS TO CHEMISTRY LIBRARY

Phi Lambda, national chemistry honorary society, has donated the following books to the Chemistry Library: "Introductory College Chemistry" by Holmes; "Inorganic Chemistry" by Norris; "General Chemistry" by Cady; and "General Chemistry" by Deming. These books will be placed on the chemistry shelf in the reading room of the library.

PRODUCTION STAFF IS ANNOUNCED FOR MASQUERS' PRESENTATIONS

Rehearsals Are Being Held Daily for Bill of One-Acts and "Dying For Money," Major Play.

"Work on the plays the Masquers are producing this quarter is well under way," said William Angus, director of the Little Theater. "All available space in the Little Theater is being used," he continued. Daily rehearsals are being held for the major play and the bill of one-acts. The scenery to be used in the plays is now being constructed by the class in Dramatic Presentation under the direction of Mr. Angus.

The following production staff has been announced for the bill of one-acts to be given in the Little Theater Thursday, October 31:

Stage manager, Mel Rawn; property manager, Dorothy Briggs; lights, Geraldine Parker; make-up, Martha Winchester, Frances Faik; assistants, Martha Sherman, Edna Tait, Ann Cortez; assistant to the director, Marian Hobbs; business manager, George Hillman; house manager, Gretchen Gayhart; refreshments, Esther Edwards.

Dr. C. H. Clapp will speak at Bozeman on "The Collegiate Generation." Prof. W. E. Maddock of the education department will address the administration group on "Some Distinctions Between Administration and Supervision of Schools" and the elementary group on "Personal Relationships in the Elementary School." W. R. Ames, association professor of education and psychology, will speak before the social science group on "Standard Tests and Social Science." E. E. Bennett, assistant professor of history and political science, will speak to the same group on "Survey of the Status of Social Sciences in Montana High Schools." Miss Eleanor Sickels, instructor in the English department, will speak before the English group on "The Return of the Narrative in Verse."

E. A. Atkinson, assistant professor of psychology, will speak before the general session in Great Falls on "Adolescent Education" and to the superintendents' meeting Saturday morning, October 26, on "Why Teachers Fail." William Angus, assistant professor of English, will also speak at the Great Falls meeting.

One of the high spots of the convention at Bozeman will be a speech by Cameron Back of the personnel department of the New York Stock Exchange who spoke before University students last year at a general convocation.

Deans' Request U Students to Use Special Oct. 26

Letters have been sent to all parents of the students attending the University by the Dean of Women and the Dean of Men urging the parents to cooperate with the regulations provided by the Deans' Conference for the weekend of the Bobcat-Grizzly game at Butte October 25 to 27.

Previous to last year there was considerable undesired criticism leveled at the conduct of students from Bozeman and Missoula who attended the game. Last year all students going to Butte were requested to go on the special train which left in the morning and to return the same evening. This year the same policy will be carried out, according to Dean Miller.

Mrs. Mildred Stone, acting Dean of Women, is urging all women students whose parents will be in Butte and have sent in written requests to the Dean's office, to sign out early. All other leaves of absence for the weekend of October 25 to 27 will be denied. This applies to Missoula students as well as those whose homes are out of the city.

An earnest request is made to the students to cooperate with the University authorities in their efforts to have all students return to Missoula the night of the game.

Wrangle?

DURING the past week, the *Montana Wrangler* made its bow for the present school year. Students have been discussing it in their little gatherings and the freshman class was quite perturbed by such outspokenness.

The restatement of the aims of the sheet should quiet any doubt that may be felt about it. "First, that those who want something more out of college than the casual accumulation of fact will take the *Wrangler* at its word and grant it an authentic purpose, second, that those who have an inner necessity to preserve their infantilism intact will persist, as heretofore, in the invention of reasons for the *Wrangler's* existence."

Four years in college should be different from four years spent elsewhere, according to the *Wrangler*, suggesting that during this time the "idea is to get the feel of brain stuff and the forces in human beings with an appreciative consciousness of the capacities of both." Obviously the *Wrangler* supporters feel that attendant to getting the feel of the "brain stuff" is the desire to shout about it, or in some way use this medium for an outlet for the unusual.

The thrust that carried humor is "no one has yet discovered that we receive checks from the Soviets," it says so completely how the paper feels about its own importance.

The *Wrangler* has stated frankly that it is not a closed corporation, that it welcomes contributions, and has already printed an article that did not agree with its principles. This is a step in the right direction and if backed by student confidence, the *Wrangler* should be able to establish its policy and have a following on the campus within the next few years.

Elizabeth Miner, '23, who has been seriously ill with typhoid fever at Helena, is reported to be improving.

Esther Carlson of Intermountain Union college, Helena, has been a guest of Alice Burdick at Corbin hall this week. She stopped in Missoula while en route to Helena after having attended a Y. W. C. A. conference in Portland, Ore., last week-end.

Melvin A. Brannon, Chancellor of the University of Montana, was a dinner guest Monday evening at the Alpha Tau Omega house. In an informal discussion held after dinner Chancellor Brannon told many of his experiences while connected with other institutions before coming to the University of Montana.

Dinner guests at North hall Wednesday evening included Frances Ruckman, Sol Anderson, Adelaide Olinger, Betty Dineen, Martha Sherman, Connie Stevens, Frances Elze, Jean Steller, Helen Winston, and Miss Charlotte Russell.

Orville Peck, '22, of the Peck Pharmacy, has recently given the Pharmacy school samples of a number of preparations which he manufactures and

sells. They will be put on display in the Materla Medica laboratory of the Pharmacy school.

Bertha Wedum, Mildren Broman and Miss Ellen Kinnaird were lunch guests of Phyllis Lehman at North hall Wednesday noon.

Every person who wishes to enter Science hall has been having considerable difficulty in gaining admittance through the main entrance. Nearly everyone: students, professors and deans, has had to resort to rapping, pounding or the back door for some time and although the lock has been changed three times it still ceases to function.

Jessie Cambron, secretary to the director of the public service division, is spending her vacation in Iowa visiting friends and relatives. Zahla Snyder and Margaret Brown are substituting for her.

John Sullivan, '29, who was a campus visitor last Tuesday, left that evening to take the state pharmacy examinations at Helena on October 15 and 16.

The *Montana Wrangler* has burst upon us with a shout and a growl. The shout is the least bit vulgar; the least bit forced; and very introspective. A good, and useless pass-time is marking your copy with the names of the authors.

For instance, who does "summing up of one's opinion of oneself" sound like?

Also this is amusing. "By conceit I mean egotism, such as is found in some athletes." Very daintily smug, rather than wholesomely radical.

Still, *Wrangler*; strength to your typewriter arm, and if you run across any good neckers send us a telephone number.

The Open Shelf is Open-Shelfing again. Next to the School of Religion, it is the greatest publicity grabber on the campus.

Start Public Speaking Class For Business Men Tuesday; Lions Sponsor Movement

Prof. Hugh Lindsey to Teach Course Which Is Designed to Meet Needs of Business Men.

Business men of Missoula have been invited to attend a course in Public Speaking sponsored by the local Lions club. This class, under Professor Hugh Lindsey, debate coach, and some members of the English department faculty, will meet once a week for the next three months in room 205 in the Forestry building. The first meeting will be held Tuesday evening, November 5. The following meetings will be held on Monday nights.

According to Professor Lindsey, this course is arranged especially to meet the needs of the business man and several have already signed up for the course. The cost is \$15, just enough to cover the expenses connected with the course.

Several Missoula business women have expressed a desire to join the class and special arrangements may be made for them, according to D. R. Petrie, chairman of the committee in charge of the course.

ANNOUNCE REGISTER OF MEN'S GLEE CLUB TUESDAY

Members of the Men's Glee club will be announced at the regular meeting next Tuesday, according to DeLoss Smith, dean of the School of Music. Five new members were selected from last Tuesday's tryouts, and the group will begin the program of the quarter's work as soon as definite organization can be made, and music selected.

Mason Presides at Fraternity Session

Alpha Kappa Psi Makes Year's Plans.

Alpha Kappa Psi, national commercial fraternity, held its first meeting of the year last Tuesday evening at Craig hall. Charles Mason, president, presided at the meeting at which time plans for the coming school year were made.

Edward Tadevitch of Montague was appointed Diary correspondent, and Kenneth Good of Townsend was appointed Alumni secretary.

The fraternity is planning on having Mr. Kyes of Minneapolis, president of the Retail Merchants' association, give a talk to them some time in November. It is not yet certain whether or not he will be able to come here then.

Motion pictures dealing with marketing will be shown from time to time throughout the year.

Initiation will be held some time before the end of this quarter for those pledges carried over from last year.

SUPER-VARSITY AND CUBS ENGAGE IN SCRIMMAGES

George Schotte Will Captain Grizzlies in Fray Saturday.

Major Milburn's super-varsity and the Cubs have engaged in some spirited scrimmages this week to prepare the Grizzly squad for its contest with Intermountain tomorrow. George Schotte, guard, has been chosen by the Major to be captain in the battle, and has been working hard in the practice sessions. Other varsity men who have been getting into action this week are Clark, Percy, Rule, Grove and Kilroy, ends; Brown, Snyder, Peterson, Spencer and Davidson, tackles; Blackford, Foss and Botzenhardt, guards; LeRoux and Breen, center; Kermit Ekegren and Luke, quarterbacks; Dailey and Mellinger, fullbacks; Moore, Burns, Page and Boone, halfbacks.

Intermountain is putting a better team in the field this season than it has for some years past. Last year it showed that it had a team which could score points, and all of last year's ground-gainers are back. Ernest Retz, the boy from Poison who holds the state interscholastic broad jump record, is in a halfback position and has exhibited his point-making ability on two occasions this season. Last week he used his speed on sweeping end runs to score three times against Montana Normal at Dillon.

It is not likely that the Major will take a chance on getting any of his first string men hurt before the Aggie fray, and very few of them will get into many plays tomorrow. Jerry Ryan is still out of practice, and his bad leg will probably keep him out of the game with the Bozeman aggregation. Reld Harmon has not been able to participate in scrimmages because of his knee, but it is expected that he will round out all right by next week.

The backs that will see action against the Panthers tomorrow worked hard to put the ball across the yearling goal four times Monday night, utilizing lateral passes and long runs in their offensive tactics. They were not too successful in their attacks on the stubborn Cub line.

Coach William Ash at Intermountain is depending on Retz to make yardage, but is drilling his interference runners hard to take out the Montana ends. One of the Panther ends scored for his team last Saturday when he scooped up a fumble and crossed the line.

Lineups: Grizzlies—Kilroy, Grove, Rule and Clark, ends; Brown, Snyder, Spencer and Davidson, tackles; Foss, Blackford and Botzenhardt, guards; LeRoux and Breen, centers; Page, Burns, Boone and Moore, halfbacks.

Grizzly Cubs displayed strong offense in its set-to with the varsity reserves this week, the first chance they have had to show their ability. Although unable to make any impression on the supers' line or ends on offense, they put up much resistance themselves when the other side had the ball. Passes were one attack which they could not break up consistently, and on a few occasions runners got away for long runs against them. Players appearing in the lineup were: Meeker, Speer, Wallinder, Bullard, MacCarthy, Belangie, Dahlberg, Evanson, Brown, Mandernack, Sayatovitch, Fox, Madden and Inkret.

TRACK ASPIRANTS WORKING HARD IN FALL TRAINING WITH WEATHER STILL FAVORABLE

Cross Country Run Voted Down by Graduate Managers.

With the favorable weather conditions permitting fall workouts on the cinder path, more than 30 varsity track aspirants are working out daily. The early fall training will take care of the fundamentals and enable Coach J. W. Stewart to get an earlier start in the spring.

Last spring the weather conditions hampered Coach Stewart in putting the fine polish that is essential in track. The cold winds and rains are the worst enemies of the track coach.

The cross country run, voted on by the conference coaches to be held November 9 at Pullman, Wash., was later voted down by the graduate managers. According to Coach Stewart it was the plan of the coaches to restore the track sport that is popular in most of the larger conferences. The last cross country run was held two years ago at Pullman and won by W. S. C. Montana won the run the year previous to this one.

According to Coach Stewart a track meet will be held this fall if the weather will permit. The veteran material

working out at present is composed of Allen and Billy Burke, Archie and George Grover, Stevington, Samples, Carey, Parmenter, Mario, Lockwood, Bob Davis, Bob Nelson, Priest, Shultz, and Spaulding. There are in addition many freshmen using the track for the fall training.

Discuss Wrangler in Frosh Comp Courses

Students in Freshman Composition are using "The Wrangler" as a basis for critical study and as subject matter for class discussion, according to Rufus Coleman, professor in the department. They will also study the Frontier when it appears.

In addition to this work books emphasizing style and the use of the English language have been placed on the two-hour reserve shelf for freshman English students' use.

Girls' Glee Club Plans Christmas Program

Plans for a Christmas program to be given the Sunday before examinations, December 15, have already been arranged by the Girls' Glee club at their last regular meeting Thursday evening. It is customary for the glee club to sing Christmas carols around the campus tree at this time which constitutes one of the prettiest holiday observances on the campus. This year the program will probably be enlarged somewhat to include an indoor program as well as the singing on the lawn. Last year the Girls' Glee club did some very excellent work in campus and city functions, and won particular recognition for the singing between performances at the Wilma theater during winter quarter.

Absolutely no dates are allowed at Varsity football games at the University of Colorado. It is believed that
