Grade is based on one midterm (100 points), the final (200 points), and take-home quizzes (50 points). All of these are based on essay-type questions. This also provides adequate opportunity for evaluation prior to 30 instructional days into the semester. P/NP the minimum achievement for a P will be a C grade. With appropriate proof of medical or personal need makeup exams will be allowed. Only students who are registered with DSS will be considered for disability accommodation. Requests to drop courses or change the grade basis of a course during the last few days of the semester will be evaluated strictly based on University of Montana policy.
