Central Board Minutes
January 14, 1958

The meeting was called to order by Vice-President Tempie Brown. The minutes were read and approved.

SCHOOL SPIRIT:
On the problem concerning school spirit Datsopouloes said that it had been suggested to have pep rallies and send offs for the out-of-town games. He is going to present this to Traditions Board.

COMMITTEE REPORTS:
Brown stated that each committee will report to Central Board every two weeks and turn in a written report to the ASMSU secretary. The non-voting representatives are to take these reports back to their respective living groups.

CENTRAL BOARD MEETINGS:
Martin suggested again this week that Central-Board members have meetings without the non-voting representatives. Crawford stated that it may be possible to have the first part of each meeting devoted to things that would be of interest to the non-voting representatives and then the last portion of the meeting to things that are of no importance to them and they would not have to be in attendance. Another plan was suggested by Braig which was to have Central Board sit in the front of the room and the non-voting representatives will for the most part listen. Martin then made a motion to meet every other time as a separate group. Swarens seconded. The vote was 2-10. (Brown, Williams, Swarens, McFarlane, Ulrich, Peterson, Morrison, Schuster, Braig, and Crawford against.) Schuster then suggested that the time order of the meeting be changed so that all business pertaining to non-voting representatives be read at the beginning of each meeting. Then for discussion tell these representatives they do not have to stay for anymore of the meeting. She predicts they will leave and then Central Board can find that more is done by a smaller group. Consequently Central Board will get the wide representation of a large group and the efficiency of a small group. Baty could decide what is of interest to the large group. Crawford made the motion to conduct Central Board on a trial basis for one quarter in which business pertaining to the living groups will be presented at the first of the meeting and then they can stay for the rest of the meeting if they feel it necessary, but otherwise it will be arbitrary to do so. Datsopouloes seconded. Passed 11-2. (Braig and Swarens against.)

BUDGET-FINANCE:
Higham read the following recommendations from Budget and Finance:

Budget and Finance recommends that the Sentinel be allowed to spend up to $2000 out of their reserve fund exclusively for special Sentinel facilities in the Radio-TV center. The Sentinel's share of the cost of these facilities is to be determined by Marcus Bourke. Braig made the motion to accept this recommendation provided that this money is not used without an itemized statement on the amount spent for this purpose. Ulrich seconded. Passed 11-1. (Higham against.)
Budget and Finance recommends that $50 be appropriated from the General Fund to support the bowling team.

Budget and Finance recommends that $50 be appropriated from the General Fund to help support the Cosmopolitan Club in their program of creating better understanding between American and Foreign students.

The latter two recommendations will be voted on next week.

PUBLICITY-TRAVEL:
Ubl gave the following report from Publicity-Travel:

A sum in the amount of $100 was given to the three law students who have been invited to compete in the Moot Court proceedings in New York City, December 18, 19, and 20, with the stipulation that the whole or any part of that amount be returned if any monetary prize be won in the competition. The Committee moved to give $400 to Jubileers, to come out of the Winter Quarter Budget, for their spring tour. Arrangements are being made for the annual Booster Nights for alums in Anaconda, Butte, Billings, Great Falls, Kalispell and Helena. The games available for the Booster Nights are: January 10, January 25, February 15, February 22, and March 8.

Ulrich made the motion that Central Board accept this report. Martin seconded. Passed 12-6.

There being no further business the meeting was adjourned.

Respectively submitted,

Sue Williams
ASMSU Secretary
