Central Board Minutes
January 21, 1958

The meeting was called to order by President Roger Baty. The minutes were read and approved after being corrected to read "Then for discussion of other matters tell these representatives..." instead of "Then for discussion tell these representatives..." This was in the section pertaining to Central Board meetings.

CORRESPONDENCE:
Baty read a letter received from Robert E. Sullivan, Dean of the Law School. It thanked Central Board for approving the Budget and Finance recommendation to give the Moot Court team $300 to attend the national finals in New York City on December 18, 19, 20. A letter will be written to Dean Sullivan congratulating the Moot Court team for placing second in the nation.

LIBRARY:
Petersen read the following report concerning the book loss at the library:

The problem of book loss in the library has been taken up by the administration. There are several plans under consideration at the present time to remedy the situation. Among the most promising seems to be the placing of a guard at the exit. His job would be to check all persons leaving the building to see if all books have been checked out. Another plan is the placing of turnstiles at the desk and making it impossible to leave the building without passing through them. It is estimated that there are about 100 books that are missing now and it is hoped that another inventory can be made at the end of this academic year. At the present time there appears to be little that Central Board can do, but if something arises and we can help, they will let us know.

COMMITTEE APPOINTMENTS:
Crawford made the motion to accept Bernard Sullivan and Daniel Garoutte for the Intramural Sports Board. Swarens seconded. Passed 12-0.

DANCE COMMITTEE:
Brown read the following report received from the Dance Committee:

Louie Armstrong came out with the most votes for the student's choice of a name band. The Four Freshmen came out on top for the personalities. The Four Freshmen will be available sometime in February so we decided to write up a contract and try to get them here at that time, if at all possible. We thought it would be worth while to try to get Louie Armstrong for Spring Quarter since he will not be in our vicinity this quarter. We will have a dance January 10, after the basketball game.

MOVIE COMMITTEE:
Baty read the following report received from the Movie Committee:

It was decided to take care of the advertising by having handbills printed at the clerical center and distributed through the dorms. Also, large posters will be used and the movies
will be announced over the P.A. system in the Lodge. The rest of the report consisted of a list of movies for this quarter.

**BUDGET & FINANCE:**
Higham read the following recommendations from Budget and Finance:

Budget and Finance recommends that the request from the Cosmopolitan Club for $50 be referred to International Student Committee and that Budget and Finance Committee's recommendation (December 12, 1957) to Central Board be withdrawn. Ulrich made the motion that Central Board accept this recommendation. Higham seconded. Passed 15-0. (Martin abstaining.) Attyyeh Mahmoud is coming to Central Board next week to explain the position of the foreign students in relation to the students on this campus and others.

Budget and Finance recommends that $50 be appropriated from the General Fund to support the bowling team. This recommendation was tabled until the bowling team can express their views on why they need this money and if it will be worthwhile to the students of the University.

Budget and Finance recommends that the budget for the All School Show be accepted as submitted except for the $50 requested for box office. The total expenditures came to an estimate of $2925. This recommendation will be voted on next week.

**PLANNING COMMITTEE:**
Crawford stated that the old Constitution has been examined carefully and recommendations made. The committee is now in the process of rewriting the Constitution and it will be ready to be approved by the student body this spring quarter. Ulrich will be in charge of the mechanics involved in presenting it to the student body.

**COFFEE AND DOUGHNUTS:**
Doctor Schuster said that it would be a nice gesture to offer coffee and doughnuts to clubs of an intellectual nature; in particular the Book Club which consists of six top freshmen. This would express Central Board's feeling towards starting clubs of such a level. Content stated that it would be hard to decide which club to stop when too many began to demand coffee and doughnuts. Datsopoulos suggested that an open letter be published in the Kaimin and consequently the whole student body would recognize that there are such groups on this campus. Higham stated that more support should be demonstrated by these groups when speakers are invited by Visiting Scholars.
COMMITTEE STRUCTURE:

Brown illustrated the following plan for ASMSU committee structure which will be drafted into the Constitution:

- **CENTRAL BOARD**
  - **STUDENT GOV'T. INFORMATION SERVICE**
    - **STUDENT GOV'T.**
      - Athletic Bd.
      - Budget & Finance
      - Publications
      - Planning Comm.
    - **ACTIVITIES BOARD**
      - Art & Exhibits
      - Community Concert
      - Entertainment
      - Movies
      - Publicity
      - Dance
    - **STUDENT AFFAIRS**
      - Leadership Camp
      - Pub-Travel Traditions
      - Visiting Scholars
      - "M" Book
    - **INTERNATIONAL AFFAIRS**
      - Internatl. Students
      - W. U. S.

The chairman of the Activities Board will be the ASMSU Vice President and the chairman of the Student Government will be the ASMSU Business Manager. The Student Government Information Service (S.G.I.S.) will obtain information for ASMSU committees. The S.G.I.S. will function somewhat like the N.S.A. coordinator except he will be able to contact more schools and not just those belonging to N.S.A. The committee chairmen will not have to report to the S.G.I.S. but they will report directly to Central Board except those of Activities Board. The Activities Board committees will report to the chairman of the Board. Crawford stated that this plan would be placed in the by-laws and will make it easier to change if it did not work. The chairmen of the Boards will have the duty of coordinating the committees on his Board and will distribute information from the S.G.I.S. He will also attend the meetings of the committees on his Board. Higham made the motion to accept this plan to be drafted into the Constitution. Morrison seconded. Passed 13-1. (Braig against.) (Swarens and Content abstaining.)

Respectfully submitted,

Sue Williams, ASMSU Secretary

Baty, Brown, Higham, Williams, Swarens, Braig, Peterson, Content, Latsopoulos, Crawford, McFarlane, Martin, Ulrich, Cogswell, Palen, Schuster, Morrison, Anderson, Ubi, Stubblefield, Loy, Brammer, Elliott, Underdal, Upshaw, Kottas.
