Grading: OPTION 1—3 exams to determine grade (each 33% of course grade).

OPTION 2—3 exams + a research project to determine grade (each 25% of course grade).

Methods of

Instruction: This online course focuses on understanding processes related to humankind's imprint on the landscape through a spatial-analytic approach. There is a significant graphic content to the course experience (maps, graphics, photos). This course relies on instructor lectures in the form of narrated PowerPoints. Lectures have been designed to illuminate the material in the textbook. Lectures will serve to identify the most important concepts relating to each

topic, as well as provide the reader with explanations of the major subtopics of each chapter. Weekly Zoom discussion/Q&A sessions will augment the lecture periods.

Zoom

Decorum: Please refrain from texting or using other personal communication devices during Zoom sessions. If you subscribe to the university's Emergency Notification System, please set your phones to vibrate before each Zoom session begins.

Accommodation:

Anyone needing accommodation for a disability or medical condition—please inform me (bruce.bradford@umt.edu) or Jamie Standaert, Academic & Student Affairs Director (jamie.standaert@mso.umt.edu) no later than January 20, 2021).

Honor Policy:

This course experience is a commitment to intellectual honesty and the University of Montana's published honesty/honor policy.

Optional Research

Projects: You have the option of either a NARRATED or WRITTEN research project. If you elect this option, it will count 25% of your course grade. Guidelines for each project are found on Moodle.

Moodle: **MOODLE WILL BE OUR NEXUS**—the connecting link for us during the semester. It is here that you will find all of the course information: lectures, syllabus, chapter outlines, map question lists, and so forth.

Course

Requirements:

Exams 1, 2 and Final Exam **OR**

Exams 1, 2 and Final Exam + Research Project

The nature and format of the exams will be made clear during Zoom sessions.
