Central Board Minutes
May 21, 1958

The meeting was called to order by Vice President, Sharon Stanchfield. The minutes were read and corrected to read Ubl nominated Bordon, and "signatures for the Right To Work Laws."

INTERSCHOLASTIC:

Ubl asked if the Central Board members would sit at a booth Friday and Saturday of this week to answer questions of the high school students visiting our campus. We agreed. A list was passed around and we signed up for times to sit at the booth.

Pettit and Martin arrived making a quorum and Pettit took over the meeting. Our next regular meeting date was set at Tuesday, 7:00 p.m.

BY-LAWS:

Ulrich presented a suggestion for a by-law revision of Sec. 7, Article 1 of Division II, Subdivision 1. His suggestion was that it read, "Within two weeks of being installed, Central Board shall appoint the director of the Student Government Information Service, the Student Affairs and International Affairs co-ordinators and committee chairmen from nominations submitted by the president of ASMSU. He shall accompany these with a report giving class standing, experience, and other material to the selection. Upperclass committee members shall be appointed from applications received by Central Board, within two weeks of being installed. Freshmen committee members shall be appointed from applications received by Central Board within three weeks after the beginning of classes fall quarter. Additional committee members may be appointed from time to time." Ulrich moved we accept this revision. There was no second so the motion was dropped.

ELECTIONS:

Ulrich read suggestions for campaign restrictions. (1) There shall be a general meeting of ASMSU during the week between the primary and general ASMSU elections spring quarter, and a meeting of the freshman class between the freshman primary and general election, called by the president of ASMSU, for the purpose of hearing candidates for ASMSU officers, class delegates, and J-Council chairman speak. (2) Campaign expenditures for ASMSU officers shall be limited to \$50, and for class delegates \$25. Each candidate shall turn a campaign expenditure report in to the Student Auditor within two weeks after the general election. Stanchfield moved we accept these suggestions, stipulating that they be investigated further. Hanson seconded. Passed 11-0.

TRADITIONS BOARD:

Bill Williamson presented Jan Tustison for cheer queen and Fran Ferrlan for head pom-pom girl, for approval. Ulrich moved we accept these choices. Metcalf seconded. Passed 11-0.

PUBLICATIONS BOARD:

Jayne Walsh presented Glenda Gum and Jane Bordon for approval as Associate Editors of the Sentinel. Ulrich moved we accept these girls. Stanchfield seconded. Passed 11-0. Walsh also suggested that there be a standard membership on Publications Board to prevent "padding" the committee. She suggested five plus the chairman and faculty advisor. Ulrich so moved, Martin seconded. There were 6pro, 5 against, so the motion was defeated.

If the members fail to come to meetings, the chairman can drop them and choose another from those applicants who didn't get on committees (subject to Central Board's approval).

Mrs. Schuster urged us all to go to Montana Forum Thursday, May 22. The discussion will be about Student-Faculty Committees.

Some of the Central Board members were not satisfied with the way the committees were chosen this year. It was discussed. Ulrich asked Pettit to present the names of those applicants who didn't get on committees, when he could.

There being no further business, the meeting was adjourned.

Respectfully submitted,

Central Board Minutes
May 27, 1958

The meeting was called to order by President Larry Pettit. The minutes were read and a spelling correction was made.

NSA:

Foreign
Beiswanger recommended that we send Rich Martin to the Student Affairs session of the NSA conference, Ruby Shaffroth to the National Council of NSA, and Larry Pettit to the Student Body President session of the NSA conference. Beiswanger then told us the threefold way that NSA serves us; (1) student information service, (2) extensive publication program, (3) staff consultation. He passed around a National Student News, newspaper, and the agenda from last year's NSA Regional Conference. Pettit recommended that we not send a representative to the Foreign Student Affairs session this year since we sent a representative last year. This met with the favor of Central Board. Swarens moved we send Shaffroth to NSA National Council, and Pettit to Student Body President session of the NSA conference. J. Cogswell seconded. Passed 9-0. (Ulrich abstained).

STUDENT FACULTY COMMITTEES:

Pettit announced that applications for these committees will be out immediately after school starts next fall.

UNIVERSITY NAME:

Pettit suggested that Central Board initiate a movement to change the name of our University---Montana State University---to something else: as, University of Montana or Montana University. This was brought up because Bozeman often gets credit for our achievements because of "State" being in our university title. Mrs. Schuster said that many out of state faculty get the false impression that we are a land-grant college because of the "State" in our name. She also pointed out that we were called MSC in the ^{NSA} newspaper Beiswanger passed around. Stanchfield moved we give Planning Board authority to look into this. Swarens seconded. Passed 10-0. A. Cogswell suggested that Planning Board chairman, Beiswanger, and Pettit meet with the Alumni Assn., for they are concerned about this also.

COMMITTEE APPOINTMENTS:

Ulrich again brought up his opposition to the manner in which the committee members were selected. He posed the question, "Do we need such a strong presidency? Shouldn't there be more representation?" There was discussion, followed by a motion by Stanchfield that we drop the matter and let Planning Board recommend a new system for next year. Swarens seconded. Passed 8-1. (Ubl abstained, Ulrich opposed.)

ELECTIONS:

Suggestions were made concerning campaigning in next year's election. They were:

Limit the amount each candidate can spend.

No painting on the sidewalks.

Loud speakers should only be on in the 10 minute class change period of every hour.

Something like the Sigma Nu bandwagon again, only sponsored by ASMSU.

Have a debate and speeches to be scheduled by a Scheduling

Committee. Elections Committee chairman Ulrich will work with Planning Board on this matter.

There being no further business, the meeting was adjourned.

Respectfully submitted,
