Central Board Minutes
March 3, 1956

The meeting was called to order by President Jystad. The minutes were read and corrected to read "NSA" and not "PSPA". With this correction, the minutes were approved.

**BUDGET AND FINANCE:**
Crippen reported that Budget and Finance Committee recommends the transfer of $250 from the general cash fund to the WUS fund as a temporary loan. Fowler explained that this would be just a loan. Lambros moved the acceptance of this recommendation. Fowler seconded. Passed 7-0. Fowler explained that in connection with the WUS drive, the faculty was being sent a dollar bill in an envelope, and asked to match the dollar and return it to the WUS drive. In connection with the payment of the student officers of ASMSU, Crippen said that there would not be sufficient funds for the project. It was suggested that this topic be discussed next quarter. Crippen announced that the Budgets are to be in by March 7. The committee feels that the Athletic Budget should go through the Athletic Board, and Budget and Finance. The committee will look into this matter.

**LEADERSHIP CAMP:**
Herget reported that the Leadership camp will be at the Flathead Lake Lodge May 4, 5, 6. There will be 100 students attending. The theme of the camp will be "University in Transition". The committee for the camp will be chosen next week. This year, the proctors, Junior sponsors, pledge trainers, and new Central Board is being included among those students being asked to attend the camp. Crippen suggested that more canoes be available. Lambros suggested that students from other universities might be invited.

**TRADITIONS BOARD:**
Anderson recommended the following as additional members of the Homecoming Committee: Thea Williams, Carla Clausen, Marcia Smith, Portia Britonstine, Lynn Spencer, Dick DeWalt, Dee Scriven, Ike Kaughian, Bill Chambers, Sonia Tetlie, Marg Hanner, and Ed Hill. Anderson reported that the Miss University contest idea had been abandoned.

**PUBLICITY-TRAVEL:**
Lambros reported that the Butte Booster Night will be tonight. Lambros said that the Missoula Automobile Association is sending cars to meet the train and transport the Butte people to the campus. Lambros urged Central Board to aid in the transportation also.

ELECTIONS:
Crawford announced the results of the primary election for the judicial council. He said there was a 42% vote. The results are as follows for the Judicial Council Chairman Primary Election, March 1, 1956:
Dave Burton - 366; Walt Gerson - 259; Cole MacPherson - 258; Denton Vander Pool - 83; Burns - 72; Wood - 58; Sundstron - 2; Rundle - 4;
Brown - 1; Griffie - 1; Travis - 1; Connor - 1; Carasone - 1; Shanstrom - 1.

AMENDMENTS TO THE CONSTITUTION:
Leuthold reported that the proposed amendments must appear in the Kaimin twice next week. Beatty suggested that the ASMSU Planning committee be in charge of informing the students of the amendments, and urging their passage.

ELECTION:
Jystad commended Crawford and Riddle on the election. Crawford told the board that there were some cases in which there were more ballots cast than names signed. He said that when this was the case, the committee destroyed at random, the extra votes. Fowler moved that the precinct system be carried out so that should the number of ballots from a living group be greater than the number signing their names, the entire ballot of that group be invalid. Leuthold seconded. Lost 0-7 with 1 abst. (Fowler). In the discussion which followed this motion, it was pointed out that the whole group in which the mistake occurred should not be penalized for the error of one who is in charge of the polls. It was also decided that this method would leave no room for human error which might occur when so many are working on the election. Fowler amended his motion to add: the election committee shall supply a uniform type sealed election box and if the box has been opened, the ballots shall be invalidated. Leuthold seconded. Passed 6-0. Jystad suggested that any group having the number of ballots and signatures not the same, be required to hold a second election in that group. Beatty suggested that the precinct chairmen be deeply impressed with the necessity of accuracy in the procedure. Leuthold moved that the motion be amended to read: the margin of error per precinct be two. This motion died for lack of a second. It was suggested that the election committee be approved by Central Board, and this committee be responsible for making decisions in regard to any errors which might arise. Leuthold moved that special sealed boxes be provided for the election. Crawford seconded. Passed 8-0.

Fowler moved that should any question about the validity of votes arise from any candidate, this question will be resolved by the election committee. Crawford seconded. Passed 6-0 with 1 abst. (Lambros). Crippen emphasized that this committee will be responsible to Central Board. Crawford moved that the election committee be composed of Bill Crawford, Dick Riddle, and Dorothy Roberts. Fowler seconded. Passed 7-0.

SENIOR BASKETBALL PLAYERS:
Jystad asked if any special recognition were being given the graduating seniors on the basketball team. Jystad will talk to Dahlberg about this. Anderson said that a telegram is being sent from the students to Nasby Rheinhardt tonight.
