Central Board Minutes
March 8, 1956

The meeting was called to order by President Jystad. Jystad told the board that the meeting was called in order to discuss the editorial in the Wednesday's Kaimin in connection with the recent Primary election. Jystad told the group that the alternatives are to call off the general elections and run a new primary, and to print the reasons for the action of the board and not re-run the election.

Fowler suggested that the whole matter be dropped, and the elections run as scheduled. Jystad suggested that just one side of the question was presented in the editorial, and that perhaps a second article presenting further information would be worth while. Lambros suggested that McPherson, the candidate who lost by one vote be consulted, and write a letter to the Kaimin explaining his views. Leuthold suggested that it would be better to let the matter ride without further Kaimin story. It was the opinion of the group that this was the best solution.

With this line of action decided, the meeting was adjourned.

Respectfully submitted,
