Statement of Senator Mike Mansfield (D. Mont.)

Retirement of Nick Zapple

Mr. President, as we all know to well, on June 30th Nicholas Zapple will be officially retired from the Federal government. Nick Zapple has an outstanding record of service with the Senate Commerce Committee and a total of thirty-two years of government service.. Not only will Nick be missed as a professional staff member of the Senate Commerce Committee, but he will also create a void for many of us who have relied upon him for counsel in any number of matters, especially the field of broadcasting and telecommunications. He has always performed his duties with fairness and in an impartial way. From time to time my constituents in Montana have had problems generated by the Federal Communications Commission, and Nick has always offered appropriate recommendations. I want to take this opportunity to thank Nick for his services to the Senate and the constituents we all serve. I wish him many more years of good health and happiness in retirement. My good will is extended to Nick, his wife, Jean, and their six children.
