THE WHITE HOUSE

WASHINGTON

June 14, 1974

Dear Senator:

I would like to acknowledge and thank you for the June 13 letter to the President in which you and 43 of your colleagues expressed concern about the problems confronting the livestock, poultry and egg industries and suggesting that a number of steps be taken to alleviate the situation.

You may be assured that your concerns and suggestions will be promptly shared with the President's economic and agricultural advisers. In addition, your letter will be called to the early attention of the President upon his return to Washington.

With warm regard,

Sincerely,

Tom
