NEXT week, Montana's new Pacific coast conference coach arrives in Missoula to commence spring football practice. As the guiding hand of Grizzly destinies next fall, Bernard Oakes should receive hearty recognition from the school that is to produce athletic material for the Grizzly conquests. The installation of an open welcome to the new coach from the student body is desired. The acceptance of the new coach by the students and his introduction to the student body should be an immediate feature of his arrival.

AN editorial in the Sentinel commenting on the recent organization of the independents on the campus, we read: "We have hoped that the saturation point would be reached in organizations. Maybe it will be, with the organization of the non-fraternity students. Anyway, we approve the move." Not only the campus but the townspeople as well have been extremely interested in the new organization and have been free with their best wishes as to its success. It's a progressive movement and should be recommended.

LIQUOR to the right of us, liquor to the left of us, but mostly in front of us, plastered all over our daily newspapers. Investigations de luxe, indictments galore, and official statements of the extent of undergraduate drinking by the bushful. The whole country has gossiped over the breakfast table at the "terrible goings-on" of insatiable young America. The liquor situation compares to potato bugs in the spud patch—even the young ones are dangerous.

BUT that's not all; the collegiates have even devised more diabolical means of diversion. From the Minnesota Daily comes this: "Such is the rumor reaching us from classic Harvard that the rah-rah boys at that cultural center are now creating intense interest in the classroom by the initiation of a new type of gambling pool. The exciting point at issue for the abecedarian gamblers is based upon the number of literary writers a poor, unsuspecting professor finds occasion to mention in a lecture. Can it be possible that the chance of winning a jack pot is the one thing needful to produce meticulous attention at an otherwise dull classroom lecture? If so, the young men of Harvard must be given due credit for boosting the fickle goddess of chance into the rumble seat of the Chariot of Minerva."

Kappa Tau Elects Twelve Initiates Into Membership

Limited Number of Upperclassmen Have Scholarship Index of Over 2.1

Twelve members were elected into Kappa Tau, local scholarship honorary fraternity, at its meeting Wednesday, April 1 in room 107 Main hall. Bids are being sent out to these new members whose names will be published when they have accepted. The fraternity plans to hold an initiation banquet on Thursday, April 23, for the new members.

Scholarship averages in the University outside of those of the active members was so low that only those twelve who had averages above an index of 2.1 were picked, according to Harold Fitzgerald, president.

Kappa Tau was organized on the campus as an honorary scholarship fraternity to include the one per cent of the student body having the highest scholarship averages in the junior and senior classes.

Attempts by the scholarship fraternity to secure Phi Beta Kappa, national scholarship fraternity, on the campus have not as yet been successful. The national organization has not passed upon the petition of the local group for bringing Phi Beta Kappa to the State University campus.

Petitions for A. S. U. M. And Class Offices Must Be in by Friday, April 10

Applications for Student Body President, Vice-President, Secretary, Business Manager and Class Leaders Must Include Certificate of Eligibility

Petitions for all A. S. U. M. and class offices must be turned into the A. S. U. M. office in Main hall before 4 o'clock Friday, April 10, according to Bob Hendon, A. S. U. M. business manager. Each candidate for office must be nominated by the signature of active members of the association and must also bear the signature of the candidate. All petitions must be accompanied by a certificate of eligibility, which may be received from the registrar's office upon a five day's notice. Absolutely no petitions will be accepted after the deadline Friday, Hendon stressed.

Kaimin Editor Not Contested

The president and vice-president of the A. S. U. M. must have attended the University seven quarters and must have at least 90 credit hours at the time of election. The manager and the secretary must have attended the University five quarters and must have at least 60 credit hours at the time of election. The office of Kaimin editor will not be contested in the elections as the position may be made appointive.

The qualifications for class officers are that the candidates are not on probation. No student who has not been an active member during one half of his college course shall be eligible for office.

Announcement of the candidates who will appear in the primaries which will be held on Aber Day will be made in the Kaimin as soon after April 10 as possible. As in the past voting will be by the Australian ballot system. This will be in charge of a special committee appointed by the president of the A. S. U. M. with the approval of Central Board. If only one candidate petitions for any of the offices the student body will be given the opportunity of writing in the name of any eligible member at the time of the primaries. The one who receives the highest number of votes in the primary shall be nominated to oppose the regularly nominated candidate, providing that he receives ten or more votes and consents to become a candidate.

Class Offices

Class offices to be contested are president, vice-president, secretary, treasurer, and Central Board delegates from the classes of '32, '33, and '34. According to a change in the constitution which goes into effect this year the freshman and sophomore classes shall elect a representative to the board who will sit for two years. This was designed to give a greater degree of continuity to the governing body.

Constitution Revision

One revision to the constitution will be submitted to the student body for vote on Aber Day. The revision has to do with changing the offices of Kaimin editor from an elective one to an appointive position. This revision was recommended and passed last year by Central Board and was supposed to come up to a vote. Because of an error the change was left off the ballots. The revision will change Article II, section 6C to read: "The editor of the Kaimin must have been the editor of the Sentinel; or must have served on the Kaimin staff at least one year and must have attended the University of Montana at least two years and have at least 75 credit hours at the time of election. He must be a journalism major. He shall be chosen by the Publications board subject to the approval of the Central Board."

"Students planning upon becoming candidates should apply for the certificates of eligibility immediately," stated Hendon yesterday. "The registrar's office is insistent upon enforcing their five-day notice rule."

Staff Completes Yearbook Photos

Pictures of the Grizzly track squad taken yesterday by Walter Cooney and Lawrence Swanson climaxed the photographic work for the 1931 Montana Sentinel.

This work has been carried on throughout the entire school year by Cooney and Swanson. According to the Sentinel photographers the pictures have turned out very successfully. The pictures taken Thursday of the track squad includes snaps of Coach Jim Stewart, of individual track men and of the entire varsity and frosh squads.

Mary Voyer was a dinner guest of Alpha Chi Omega Tuesday night.

Boone Names Junior Prom Committees

Annual Affair Will Be Held During Commencement Week, Class Decides

Committees for the annual Junior Prom were appointed yesterday by Bill Boone, president of the junior class. An executive body, consisting of the chairman of the various committees, will give unity to the organization.

The executive committee will meet Tuesday afternoon at 4 o'clock in room 105 in Main hall to discuss the dance plans.

It was decided by the three-year men and women at a meeting held three weeks ago that the Prom should be given during Commencement week. It will be the only dance of the entire year that will be held on a week night, Thursday, June 4. It was thought by the juniors that this was the most appropriate time to hold the dance, as many of the graduates will then be back at the University.

The members of the committees are as follows:

Executive: Bill Boone, chairman; Hazel Borders, Jimmy McNally, Curtis Barnes, Adelaide Olinger, George Bovingdon, Bill Morrison, Phil Patterson.

Decoration: Curtis Barnes, chairman; Miriam Barnhill, Georgia Stripp, Clifton Hemgren, Mary Ruth Larson. Chaperons: Adelaide Olinger, chairman, Dorothy Duval, Billy Brown.

Music and hall: George Bovingdon, chairman; Allan Smith.

Program: Bill Morrison, chairman; Jeannette McGrade, Josephine Dyer.

Tickets and refreshments: Phil Patterson, chairman; Bob Breen, Owen Loftsgaarden and Everett Logan.

Barb Organization Plans Production Of Musical Show

Foreign Wars Veterans Will Sponsor Comedy Produced at Wilma Theater, May 16

At the first council meeting of the newly organized independents it was decided to produce a musical comedy on May 16 in the Wilma theater under the auspices of the Disabled Veterans of Foreign Wars in Missoula. The first all-independent dance for the barbs was set for April 10. The purpose of the dance as proposed by the council was a get-together affair for the independents as their first social function.

This will be the first opportunity that non-affiliated students will have to attend a social function of their own. The attendance was restricted, as only barbs will be permitted to purchase tickets. A committee composed of Wilma Schubert, Georgia Mae Metten, Tony D'Orazi, Eugene Hunton and Dee Bryd are working on plans for this independent mixer.

Immediate work was planned upon the musical comedy which the independents will produce. The musical comedy was not selected as several are under consideration. Tryouts will be held at the beginning of next week and it was urged by the council that all barbs that have had stage experience should be sure to be present at the tryouts. The council appointed Albert Erickson and Leslie Pace as directors; Madison Turner and Dick West, business managers for the show.

Business negotiations by the managers with M. G. Prink of the Disabled Veterans for the leasing of the Fox Wilma theater was completed last night. E. K. Taylor, manager of the Fox theaters of Missoula, stated that he expected the show to be a big success and offered every possible cooperation to the independents.

Sentinel, Kaimin Petitions Are Due Next Wednesday

Editor, Business Managers, for Next Year Will Be Chosen From List

Petitions for Sentinel editor, Sentinel business manager, and Kaimin business manager for 1932 must be turned in to Bob Hendon, chairman of the Publications board, before 4 o'clock Wednesday, April 8. Anyone petitioning for either of the above jobs must obtain a certificate of eligibility at the registrar's office immediately. This is necessary before petitions can be presented to Hendon.

Candidates for the editor of the 1932 Sentinel must have a junior standing, and past experience and ability are the guiding points for this position. The business manager is also chosen on such qualifications. These offices are appointed by Central board upon the written recommendation of the Publications board.

In applying for the job of the business manager for the Kaimin, the candidate must have junior standing at the time of appointment, business ability and a knowledge of advertising. His appointment is based on previous services to the present and past business managers. This position is also chosen by Central board on a written recommendation from the publications board.

Hendon urges that all applicants for these various offices have their petitions and eligibility slips in as soon as possible before 4 o'clock Wednesday.

Orders for Garb Must Be Placed By This Saturday

Saturday is the last day to place any orders for junior garb, Phil Patterson, chairman of the junior garb committee, said late yesterday afternoon. Some of the orders have been sent out already and the leather jackets will soon be appearing on the campus.

Orders may be placed with the Missoula Mercantile any time during the day. The form of apparel is different from any that has been introduced upon the campus before. It consists of a dark brown colored leather jacket with light brown pockets and fringe. On one pocket is the class numeral, a "32." The price of \$5 applied to both men and women.

Track Meet Work Begins With Meeting of Groups Thursday of Next Week

Leland Kennedy and Deane Jones Are Added to the Student Groups On Decoration and Publicity; Decorating Plans Are Similar To Last Year's, With Possibility of New Arch

Active work on the annual Interscholastic campaign will begin next week according to Bob Hendon, chairman of the student Interscholastic committee. A meeting of the student committee has been called by Dean T. C. Spaulding on Thursday afternoon at 4 o'clock in his office.

Two new members have been appointed to the student committee. Leland Kennedy, Great Falls, will assist George Hillman, in charge of campus decorations. Deane Jones, Missoula, will serve on the publicity committee.

Marjorie Stewart, Helena, who has served on Interscholastic for the past two years, will serve as vice-chairman of the general committee.

Decorative Plans

"The different groups of the student committee have been functioning since the middle of last quarter," Hendon said yesterday. "With spring vacation over, and less than two months before the meet, they are now preparing in earnest for the great flood of work which lies before them."

As in other years, the campus decoration committee will set up a large arch at the entrance to the oval, decorate the lights encircling the oval and decorate Dornblather field.

It is possible that a new arch will be used this year. The one which has been set up for the past several years is in quite poor condition and is very unwieldy. Plans have been drawn up for a new one, which would be set up with much less difficulty, do away with the annual repair work, and be more attractive in appearance. Bob Blakeslee will assist Hillman on the decorations committee.

The publicity committee, with John Curtis as chairman, as part of its work, sends out state stories to all of the larger Montana newspapers.

Barbs Unite At Meeting In Main Hall

Over 200 Students Elect Delegates To Council. Constitution Adopted

Independents of the campus became the Associated Non-Fraternity and Non-Sorority Students of the University of Montana with the adoption of a constitution at a mass meeting which was held in Main hall auditorium Tuesday afternoon. Over 200 independent students participated in the formation of that organization. This is the first time in the history of the school that such an organization has been formed.

The first business of the meeting was the adoption of a constitution which was read by Charles Zimmerman. The constitution of the new organization is quite unique in its liberality. It is a composite part of a number of other group constitutions that were examined. The executive control is handled by a council of 12 members. Four members are taken from the body at large and two delegates from each of the classes with the provision that one be a woman and the other a man. Other features include no periodic tax upon the members of the organization as finances may be raised through special functions. All funds will be audited by the University auditing department.

Speakers of the meeting included Dean A. L. Stone and Professor E. E. Bennett. Emphasis during the meeting was placed upon the fact that the organization was not an anti-fraternity movement. Instead it was formed for the purpose of giving students who have no social fraternity affiliation an opportunity for social contact and association.

The four delegates at large that were elected to the council were: Georgia Mae Metten, Albert Erickson, Peter Meloy and Dee Bryd. Senior class delegates elected were: Kenneth Good and Frances Teason; junior delegates, Wilma Schubert and Tony D'Orazi; sophomore delegates, Millard Evenson and Helen D'Orazi; freshman delegates, Gladys Mayo and Eugene Hunton.

Announcement and discussion of a proposed independent dance occurred during the meeting. Also plans for a musical comedy by members of this newly-formed organization were considered.

FRANKLIN LONG HAS HIGHEST AVERAGE ON WINTER HONOR ROLL

Eighty-Three Make Last Quarter's Average List; Emma Bravo with 52 Grade Points Takes Second Place and Joseph Lasby And Felicia McLemore Tie for Third

Franklin Long leads the winter quarter honor roll with 60 grade points and an index of 3.00. This is the highest scholastic record anyone has made during this school year. Those who earned 50 or more grade points were: Emma Bravo with 52 grade points and an index

Tickets for Vodvil Will Go on Sale

April 16, 17 and 18 Are Set as Dates for Ticket Sale of This Year's Production

With only two weeks remaining until the final presentation of this year's Varsity Vodvil, Manager George Hillman says that all indications point to one of the most successful shows of recent years.

"Tickets will go on sale the Thursday before the show," said Hillman. "They will be on sale the rest of the week, April 16, 17 and 18."

In order to insure a fair chance to each competing act, the management has arranged for each of the four full-stage acts to draw first place on the program. By doing this, there will be no chance for favoritism being shown to any group. It is only in connection with the position number one, that drawings will be held. The management will arrange the remainder in order that the entire show may be as well balanced as possible.

Variety Promised

"This year's bill promises more variety than any other in my experience," Hillman said yesterday. "Seven acts, widely different in nature, each one clever and well-prepared, will insure one of the best Vodvil bills in the history of this big University classic."

Choose Judges

Judges for the performance will be chosen today or tomorrow, according to Hillman. It is the policy in naming judges for Varsity Vodvil to secure individuals who possess no interest in the competing groups, in order that there will be no complaints as far as judging is concerned.

"Every group entered for the finals has recommended practice, after the short rest between quarters," said Hillman. "The intense interest being shown assures a fine show."

The two trophies which are to be presented to the winners of the men's and women's acts will be placed on display sometime today. One will be placed in the window of the Sport Shop, next door to the Wilma theater. It will remain there for a week, when it will be placed in the lobby of the Wilma. The other cup will be on view at the Students' Book store.

Debate Team Meets Intermountain Duet

Women Participate in Split Debate on Free Trade; Stapp Is Chairman

Women's debate team of the University met the Intermountain women's team last Tuesday evening in the Little Theater in a split team debate on free trade. Helen Huxley represented the University on the affirmative side and Esther Knudson represented Intermountain. On the negative side were Marie Thomas of Intermountain and Rita Walker of the University. Sterling Stapp, member of the Varsity debate team, was chairman of the occasion.

The decision of the audience was for the negative side. The audience also ranked the speakers. Helen Huxley was awarded first place; Rita Walker, second; Marie Thomas, third, and Esther Knudson, fourth.

Aber Day Is Slated for This Month

Amplifiers Will Broadcast Events Such as Band Music and High Court Proceedings

All events of Aber Day, which will be held about the middle of this month, according to Bill Rohlfis, manager, will be broadcasted over the loudspeakers for the first time. The loudspeakers will be located on the oval, and the band will "go on the air." During the time that the band is not broadcasting tunes about the campus, phonograph records will be played for the benefit of the workers. All announcements and speeches will be sent through the amplifiers.

"Heretofore it has been impossible for all of the audience to hear remarks made at high court, so the loudspeakers will eliminate this trouble and give all a chance to hear the proceedings," Rohlfis said late yesterday afternoon.

Every detail for the annual workday is being rounded out rapidly. Work-sheets will go to the printer Monday afternoon and will probably appear on the campus either Tuesday or Wednesday. All the managers of the sections have been appointed, and the work has already been outlined.

Knote Rockne

ON TUESDAY morning the sad news of the untimely death of Knote Rockne, famous football coach of Notre Dame, flashed through the United States over press wires and through the microphones of radio stations. The feelings which the unfortunate accident aroused on this campus are indicative of the national esteem in which Rockne was held.

Not only has the university, in which Rockne coached, been plunged into mourning but the universities of America in which every football team and its supporters knew the name of America's coach grieve his loss as their own.

He was an expert in the technique of football playing and coaching, whose unique system had a mighty influence in the development of the game. His influence will extend through coaching systems and playing rules of the game for years to come. The name, Rockne, will last as a byword—a symbol—of the best football coach in America.

Organization and Co-operation

ORGANIZATION is the means by which a group may get together for a closer unity among the members and a greater co-operation, both among themselves and with other organizations. Tuesday afternoon the "barbs" on the campus got together and successfully formed themselves into an organized group, with one of the most democratic constitutions to be found among similar groups anywhere. These non-fraternity men and women want others on the campus to know their purpose as well as they know it themselves.

Up to the present time there has been no definite connection among independent students here at the University, though they represent almost forty per cent of the student body. Realizing the disadvantage of this lack of organization, student leaders of the movement got together, with the result that the group was organized into a close-working unit, with the view in mind of a greater social life on the University campus for the members who include everyone not affiliated with social sororities and fraternities.

With organization, they invite the co-operation of other groups, for there is no thought of antagonism toward previous social groups in this said organization—they have gotten together because of the advantages to themselves and those which they hope will come to others who do not belong.—M. W.

The Huddle

The man who knows when to come back has arrived, children. All his friends and acquaintances grasped his hand and wished him well. There is a difference in coming back at just the right time and coming back. We tried the coming back stunt twice, children. The first time we didn't stay long enough and only our roommate knew we had gone. The next time we stayed too long and had to be introduced to almost everybody on the campus when we finally did get back. There is a proper time for all things, even coming back.

The Idaho Argonaut breezes out with a verse we like so well that we'll give Sleeper Sam credit for a whole lot of a nightmare:
Jack and Jill went up a hill
Upon a moonlight ride;
When Jack came back one eye was black;
His pal, you see, had lied.

This week's medal we claim for our own because we've labored four years trying to get out of the sophomore class to we could cut, and now the sophomores are relieved of the absence penalty.

Our own Kaimin says in a headline: "Spanish Club Holds Special Siesta April 14 in Honor of Holiday."

Possibly a drive for membership.

For those who will return next fall, we can tentatively promise a new type of class schedule that will be simplified so that even a C. P. A. can read it. It will look something like this: (Follow explanations closely).

Turney-Highs, J. Burr Lennes, Alice Cowan, Evelyn Blaeser Assist Hostesses

Mrs. Louise Arnoldson and Miss Astrid Arnoldson entertained at a French tea, Tuesday afternoon from 4 to 6 o'clock. The hostesses were assisted by Mrs. Turney-High who poured and by Miss Naomi Sternheim, Miss Billie Bateman, Dr. Turney-High and J. Burr Lennes.

This is the sixth in a series of teas given by Mrs. Arnoldson this year.

The program was as follows: Ouvre Tes Yeux Bleus by Paul Robiquet.

Elogie from Thais by Massenot, sung by Miss Alice Cowan and accompanied by Evelyn Blaeser.

Two Chopin preludes and a selection from Gluck's Orpheus, violin solos by Mrs. Arnoldson accompanied by J. Burr Lennes.

La Jardinier du Roi, an Alsatian folk song, sung by Mrs. Arnoldson, accompanied by herself.

Spanish Club Holds Meeting Wednesday

Lucille Thomas Is Selected as Club Treasurer to Fill Vacancy

Spanish club members chose Lucille Thomas, treasurer, Wednesday, to fill the vacancy left when Catherine Nicholson was graduated last quarter.

Further plans were made at the meeting for the special fiesta to be held April 14, Pan-American day. The club has invited the members of the Missoula high school Spanish club to this affair. The program, which will include songs, dances and debates, will be announced later.

A reduction in the dues of the club was also made at the meeting. They will be 25 cents for spring quarter and may be paid to Elsie Eminger, Cecile Sughrue or Lucille Thomas.

Easter Cards of Unusual Beauty

At All Prices!

McKAY ART COMPANY

Dear Folks:

Well, I've been peddling Easter cards so fast didn't know whether I'd get a chance to write you this week or not. I picked out a few for you and all the kids in our neighborhood. Hope everyone enjoyed them. This place where I work has the finest line in town and since coming here I have found using cards keeps a lot of friends and saves a lot of letter writing, or apologizing for not writing. Must get busy and get up the grad. cards and gifts, as inquiries are coming in already.

Very truly,
CHUCK.

Theta Sigma Phi Initiates Matrix Table This Year

Guests, Alumni, Fraternity Members Will Hold Meeting April 14

Matrix Table to be held April 14 was the most important topic discussed at a meeting held last Tuesday by Theta Sigma Phi, women's national honorary journalism fraternity.

According to Mary Wilson, president of this organization, the Matrix Table held this year will be the first of its kind held by Theta Sigma Phi at the University. Pat Regan will be in charge of the work in preparing for this event. This year the table will be quite small but it is expected that

Music Instructor Attends Meeting

Miss Marguerite Hood, teacher in the School of Music, left today for Spokane where she will attend the Northwestern Music Supervisor's conference, of which she is first vice-president. She will also attend the Inland Empire association meeting while she is there.

It will increase in size in the future. Mary Wilson urges that all alumni be present at this event. The table will be open to all alumni, fraternity members and guests who have been given a special invitation.

The fraternity also began work on the Campus Rakings which are published every year on Aber Day. This year's Rakings are expected to show a big improvement over those of the past, according to those in charge.

Business Seniors Study Downtown Missoula Offices

R. E. Coy, Head of Telephone Co. Discusses Financial Management

Seniors in the School of Business Administration have been making a practical study of business organization and management by investigating actual conditions in downtown offices. Tuesday evening the class was addressed by R. E. Coy, local manager of the Mountain States Telephone and Telegraph company, on the financial management of the American Telephone and Telegraph company of which the local company is a subsidiary.

In his talk Mr. Coy compared the present form of organization in the company with the former one, showing many advantages of the new over the old. Students in office management discussed organization plans with him.

Mr. Coy concluded his talk with a summary of what the American Telephone and Telegraph company expects of its new employees. He laid great stress on the fact that co-operation is one of the fundamental requirements of the company. In that type of organization the day of the individualist has passed entirely and group solidarity is needed instead.

Thursday evening these students were addressed by Jack Sterling at the Western Montana National bank on the technical operations of the bank. Book work, mechanical devices, ledgers used and the work of operation were explained by Mr. Sterling. Bookkeepers on the bank's staff will take charge of different small groups of students and explain details of keeping books.

Forty-Four Schools Make Entrance In This Year's Newspaper Contest

Montana Editorial Association Contest Will Be Held During Track Meet Week; No Contest for Annuals Will Be Held This Year

Forty-four high school newspapers have entered the annual Montana Editorial association contest in connection with the Interscholastic Track Meet held May 14-15. Fifty-seven high school papers and 11 year books were entered last year. This year's contest will not include the annuals.

The officers of the association of last year were: President, Olga Wik, Flathead Arrow, Kalispell; vice-president, Sherwood Atlas, Nugget, Helena; secretary and treasurer, Martha Kimball, Konah, Missoula.

The meeting of this year will be of interest with discussions under the direction of students being featured. These discussions will consider the high school editor, the advisability of a secretary writing association news for scholastic magazines keeping in touch with other state associations, and the frequency of high school publication.

The classification of the papers is based on enrollment of schools but answers to the list of questions will supplement that classification and give the judge a voting basis.

The four classes are: Class A, 500 or more; Class B, 200 to 499; Class C, 199 or less; Class D, all mimeographed sheets.

Those entered are: The Beaver, Dillon; The Carbon Copy, Red Lodge; The Lavinian, Lavinia; The Carter Broadcaster, Ekalaka; The Gallatin High News, Bozeman; The Howl, Shelby; Echoes, Saint Vincent's Academy, Helena; The Intiwa, Great Falls; The Stampede, Havre; The Old Fort Sentinel, Fort Benton; The Rodeo, Roundup; The Boomerang, Florence-Carlton; Klein High Messenger, Klein; The Badger Diggings, Cascade; The Spotlight, Darby; Savage Signal, Savage; The Yellowstone, Worden; The Fergus, Fergus; Crazy Mountain Monitor, Clyde Park; The Granite Prospector, Phillipsburg; The Centralite, Girl's Central, Butte; The Whirlwind, Harlem; Terrier, Terry; The Mountaineer, Butte; The Dodester, Lima; The Noxon Star, Noxon; The Flathead Arrow, Kalispell; Central Breeze, Whitefish; The Maroon, Boys' Central, Butte; The Sage Brush Saga, Jordan; The Lambert Hi-Flyer, Lambert; The Bull Dog, Bainville; The Owl, Rudyard; the Konah, Missoula County high; the Broadwater, "Old Baldy," Townsend; the Hornet Reflector, White Sulphur Springs; the Searchlight, Harlowton; the Mildred Sage, Mildred; the Jefferson Waves, Cardwell; the Tattler, Stanford; the Phillips County News, Malta; the Kyote, Billings; the Submarine, Belfry, and the Gusher, Whitetail.

English Faculty, Students Banquet at Chimney Corner

Wednesday evening members of the faculty of the Department of English and English majors held a banquet at the Chimney Corner.

Forty-five persons attended the banquet which was presided over by Professor Brasil Fitzgerald. Professor H. G. Merriam and William Angus gave talks on the history and the hoped-for accomplishments of the senior English examinations.

The purpose of the banquet was to discuss the forthcoming senior English exams and also to promote a better and closer understanding between the professors and the students.

The Easter Fashion Problem

Is solved here and now by finding the lowest common denominator. It is a problem indeed, when you ask yourself, where can I get the best clothes for the least possible money? It is a hard problem, but we have solved it for you, and the answer is, at Yandt's.

The Suit - - - \$29.50

The suit should be of a fine domestic all wool material in navy, gray, dusty blue, or in a gayer check. It should have three buttons, two to button, and the jacket should be longer than last year's. This suit will wear and wear.

The Topcoat - - - \$25

The topcoat may be a fly front model of tweed or a raglan made of a herringbone. It may be belted or straight, a French back or English style. It is a coat that will last several seasons, one that you will enjoy wearing everywhere.

The Hat - - - \$5

The hat may be a Homburg or a snap brim in brown, fawn or even a mild green. It may have a band slightly lighter in color than the hat, to make it distinctive. It must go well with your suits and topcoat, and it must be a hat that will wear.

The Gloves - - - \$3

The gloves should be of pale yellow chamois, hand sewn in black or self color. Or they may be of a fine washable fabric in gray, fawn or brown. They should be worn on all occasions where you appear on the street, or when going places.

Golf Tournament Entries Are Due

Harry Adams, head of intramural sports, today requested that all those planning on competing in the student-faculty golf tourney, April 12, must turn in their scores for 18 holes at the earliest opportunity. Various managers of the different departments who are entering teams in the round robin schedule golf tournament opening on April 15, must submit the names of their foursomes to Mr. Adams now.

The Ministerial association and to the Missoula Trades and Labor Council will also be given by Dean Line as the campaign progresses.

The Community Chest campaign which will be started April 21 is one of the most comprehensive that Missoula has ever witnessed. The drive will be organized on a plan similar to that used by many of the cities in the Northwest. One new feature of the campaign will be the attempt to make a complete canvass of Missoula, an undertaking that has never before been accomplished. The individual organizations formerly were in the habit of soliciting only those sections of the town from which probable donations would be received.

The second feature in this drive will be the important part that the women in Missoula will take. They will have charge of the house-to-house canvass and will have a separate subscription list.

It is estimated that 400 people will be used in the campaign, the organization of which is now being perfected. Those who will represent the University will be announced at a later date.

Alpha Kappa Psi Will Hold National
Convention in Carolina
Next July

Alpha Kappa Psi, honorary fraternity of men who are majoring in Business Administration, held the first meeting of the quarter Wednesday night at Craig hall. The members agreed that the stock exchange which has been operating since January 1 will be officially closed on April 15, at which time all accounts must be liquidated. Meetings from now on will be held on Wednesday instead of Thursday evening as before. Charles Mason, assistant registrar and former president of the local chapter, was approved by the members of Alpha Kappa Psi to act as deputy counselor. Charles Gaughan, Missoula, was chosen to go as a delegate from this chapter to the National Convention of Alpha Kappa Psi delegates to be held in South Carolina during the early part of July. Plans were made for a meeting to be held April 15.

Trackmen Brave Stormy Weather in Workout on Wind-Swept Dornblaser

Squad of 87 Athletes Opens Competition for Varsity, Cub Track, Field
Teams; Eleven Point Winners Fail to Return for Spring
Season; Stewart Is in Complete Charge

Cold winds last week and swirling snow yesterday hampered 87 track men as they attempted to loosen up winter-stiffened muscles by scampering around Dornblaser field. Forty-one varsity men and 47 frosh dared pneumonia and blizzards under the direction of Jim Stewart, who is forced to handle both classes because Harry Adams has been assigned to minor sports.

The drive to get in shape will begin next week, according to the track coach. Under the direction of Stewart the track has been plastered with clay and cinders and has been rolled into a fast speedway.

Eleven point winners failed to return to school for the spring track season and more men are ineligible. Among those who did not show for practice are: Carl Snyder, sprint man; Tom Moore and Bud Davis, both fast-striding quarter milers; Earl Keenan, a sprinter of promise, and Al Kelley, smooth low hurdler; John Page and Russell Peterson, both shot put men; Cal Simons, Walter Turner, Ted DeBord and two high jumpers.

Varsity Men

The list of Varsity men is:

Sprints: Parmenter, Bills, Covington, Eckley, Burke, Stevingson; hurdles: Perey, Spaulding, Stevingson; 440-yard dash: Archie Grover, Lowe, J. White, and Loftsgaarden; 880-yard dash: Bob White, Emmett Carey, Rowe, Gaughan; mile: G. Grover, Watson, Steensland; two-mile run: Blakeslee, Benson, Baty.

Pole vault: Burke, Lemire, B. Flint, Gans; high jump: Nelson, Perey, O'Neill, Rossiter, Good, Dahlberg; broad jump: Ruth, A. Flint; shot put: Murray, Perey; discus throw: Perey, Lockwood, Cox; javelin: Lockwood, Schultz.

Of this number only Parmenter, Perey, Spaulding, Stevingson, Emmett Carey, Burke, Nelson, Ruth, A. Flint, Murray, Lockwood, G. Grover, A. Grover and Blakeslee are veterans. New men must be developed by Coach Stewart to fill blanks in the sprints where Parmenter is the only letter man. The 440 will be run by newcomers although Archie Grover may be switched from the half mile run to the quarter. Blakeslee is the only letter man running the two mile.

Fresh Candidates

The list of fresh track aspirants are: A. Caven, hurdler and sprinter; A. Casper, shot put; R. Jones and C. Bell, shot put men; W. Disbrow, broad jumper; J. Roe, mile runner; J. Bain-ton, high jumper; O. Tweto, mile runner; V. Agather, hurdler and sprinter; Hawke, javelin tosser; P. Lemm-Marugg, sprinter; G. M. Robertson, B. Vickerman, E. Fraser, R. Smalley, R. Wickware, P. North, J. McDonald, L. Carmichael, H. Stearnes, J. Currie, M. Johnson, half miler; W. Erickson, Paul White, W. Christopher, L. Kennedy, R. Layfield, L. Bjorneby, C. Davis, H. Bechtel, pole vaulter; D. Hinman, L. McDaniel, C. Castor, J. Harrington and L. Corriell.

"Red Cross life saving examinations will be given to University students approximately the first of May." Bob Cooney, swimming coach, said yesterday.

Cooney expressly urged that all University men interested in taking these tests begin reporting to him every Monday, Wednesday and Friday at 4 o'clock. Life saving work will be taken up and instruction will be given in different phases of the work.

FLASHES

A strong Stanford track team is preparing for a season of strenuous activity beginning Saturday when it meets the Los Angeles Athletic club aggregation.

The Vandals have issued 34 suits for their spring football practice. Hope Coach Bernard Oakes has better luck.

That good old game where the team with the hardest heads win, called ice hockey, is quite the thing at the University of California. With the present Montana spring weather and some of our students, according to professors, the Grizzlies could have the best hockey team in the country.

The University of Washington baseball team makes a trip to the Orient this spring. Folks moan these days about the overemphasis of football, but here's one occasion when followers of the diamond sport can sneer at the pigskin pastime.

Coach Dean Cromwell's University of Southern California track team ran wild last week in its opening meet against the Olympic club when it rolled up 90 1-3 points to the club's 40 2-3.

The Huskies and the Golden Bruins are going to make a lot of fur fly when they hold their first dual track
