Central Board Minutes
December 15, 1956

The meeting was called to order by President Fowler. The minutes were read and approved after being corrected to read as follows under Traditions Board: "The 'Grizzly' bear mascot will be taken to Helena for the winter."

BUDGET & FINANCE:
Cook recommended from Budget and Finance that Central Board approve the allocation of $35.00 to the International Student Committee. This amount, which will pay for invitations, postage, refreshments, publicity and part of the International Banquet, is to be accounted for at the end of winter and spring quarters, 1957. MacPherson moved that Central Board approve this recommendation from Budget and Finance. Pettit seconded. Passed 11-0.

TRADITIONS BOARD:
Barney announced that the bear cub mascot will be taken to Helena tonight. He (the bear) may be put into an induced sleep for the winter.

PUBLICITY-TRAVEL:
Scriven said that her committee has received no answer from the State Dept. yet concerning the College Crusade for Freedom. Her committee has started work on College and Career Days to be set up next quarter. She said that Pub-Travel committee may interview participants this year. She reported that Dean Cogswell feels it might be bad public relations between Dillon and MSU to try to hold Boys' State here as was previously discussed. Pub-Travel is also looking into the possibility of publishing activity calendars.

Scriven announced that her committee has allocated a sum of $250 to two law student to help defray expenses at the moot court competition in New York City. This money was given with the stipulation that if the team won a monetary award at New York, or if the needed sum of $486 is obtained from another source, the $250 will be returned to Pub-Travel. Cook felt that since most of the law students pay no ASMSU fee and since their participation in the competition will bring publicity to MSU and the law school as well as the students the administration should help with expenses. Scriven said that the law students had tried to get the money elsewhere before coming to her committee. Cook suggested in the future the money be obtained through the Law school. Perrior moved that this allocation of $250 be approved by Central Board. MacPherson seconded. Passed 11-0.

WUS COMMITTEE APPOINTMENTS:
Fowler read a note from Marcia Smith, WUS chairman, requesting that the following persons be appointed to her committee: Camie Peterson, Nita Nelson & Rayna Greene. MacPherson moved that Central Board approve these appointments to WUS committee. Wacker seconded. Passed 11-0.

SKI TEAM:
Don Eberle, a representative from MSU's ski team announced that that team is now an official team of the athletic department and therefore will ski in Skyline competition. The ski team now received $750 each year from ASMSU. This sum is interest being paid back to ASMSU from the Athletic department. Since the ski team will now ski in Skyline competition more money will be needed. Before they (the ski team) joined Skyline Budget and Finance approved an additional allocation of $350 to them but the proposal was vetoed by Central Board since the team was not a member of the athletic department. Eberle said that the ski team has made out a tentative budget for the season covering three meets. The total sum needed is $1498. They now receive $750 leaving the total at $748. If Central Board should approve the old Budget and Finance recommendation of the allocation of
$350 then the ski team would receive a total of $1100. This amount would still be $398 short of the estimated budget needed. The ski team felt that they will need all the money which their tentative budget would provide. MacPherson felt that the ski team, as a member of the athletic department, needs, in addition to the $750, at least the $350 recommended by Budget and Finance previously. He moved that Central Board allocate $350 to the ski team. Beiswanger seconded. Barney suggested that we allocate more than $350 since we have $2100 still remaining in the general fund. More discussion followed, the Board in general feeling that the ski team should receive as much as possible with regard to the ASMSU general fund. MacPherson withdrew his former motion and Beiswanger his former second. MacPherson then moved that Central Board allocate the ski team $450. Beiswanger seconded. This allocation plus the $750 comes to a total of $1200. The motion was passed 11-0. The ski team thanked Central Board.

LETTER FROM BYU:
Fowler read a letter from the student body president at BYU inviting members of Central Board to come there for the game on January 4th when MSU vs. BYU in a basketball game. Fowler said anyone interested may contact him after the meeting and that he (Fowler) will contact Jiggs Dahlberg to see if there is any possibility of obtaining transportation.

INVITATION TO GRIZZLY GAME:
Fowler suggested inviting the Missoula high school and grade school students to the game Dec. 27 as has been done in the past. This would be done to give the team more support since MSU will not be in session and also as a public service. Scriven moved that the Missoula high school and grade school students be invited. Steinbrenner seconded the motion. Passed 11-0. Fowler suggested that McFarlane contact the high school and grade schools and make the arrangements.

There being no further business, the meeting was adjourned.

Respectfully submitted,

Roxie Perrior
Secretary, ASMSU
