Central Board Minutes
November 15

The meeting was called to order by President Jystad.

Discussion was opened on the proposal to buy six used bowling alleys to be placed in the women's center. Tommie Lu said that there would be no charge for rent to the students for the use of the women's center. The alleys would be paid for by a liquidating loan which would be paid off by the charges for the use of the bowling alleys. The students would be in complete control of the administration of the bowling alleys. Lambros moved: Central Board authorize the administration to negotiate for a student-owned bowling alley, and if purchased, these would be installed temporarily in the women's center. Riddle seconded. Passed 6-0. In the discussion which followed the motion, it was decided that Crippen, Martell, and President McFarland negotiate for the contracting and taking out of the loan. It was suggested that Activities Board make the plans for the administration of the alleys, and bring back their suggestions to central board.

The meeting was adjourned.

Respectfully submitted,
