GALLERY OF VISUAL ARTS
FEATURES STUDENT SHOW

MISSOULA--

The Gallery of Visual Arts in Turner Hall at the University of Montana is sponsoring a public exhibition during an experimental student art show dealing with multiples and change through Jan. 21.

Featured in the display is the sculptural environment involving the daily rearrangement of 32 equilateral pyramids and the resulting spatial qualities. The show is the result of the cooperative efforts of 12 student sculptors.

The public is invited to visit the gallery from 10 a.m.-5 p.m. Monday through Friday or by appointment. Arnold Cherullo, assistant professor of art at UM, and Dean Douglas, director of the Gallery of Visual Arts, are in charge of the student art show.
