1. A meeting of the Faculty Senate was held at 3:10 P.M., August 11, 1977, on call of Chairman Walter E. Hill.

2. Academic Vice President Donald E. Habbe presented list number 153, candidates for the bachelor's degrees and certificates and all advanced degrees at the close of the summer quarter, subject to the provision that all requirements for the respective degrees and certificates be completed in accordance with faculty rules, along with the additions and deletions to list number 152 from spring quarter. Two errors in list 153 were noted and corrected on page 13, XI For The Degree of Master of Science. The category Biochemistry should be Chemistry and the category Chemistry should be Master of Science for Teacher of Chemistry. It was moved, seconded and carried that the list be approved.
