16 EVENING COURSES  
OFFERED BY UM EXTENSION DIV.  
DURING 1972 SPRING QUARTER

MISSOULA--

The University of Montana Extension Division will offer 16 evening courses as a public service during the 1972 spring quarter at UM.

Residents of Missoula and vicinity who are interested in signing up for one or more courses are expected to register at the first meeting of each course during the first week of the program, March 27-30. The fee of \$16 per credit is to be paid at that time. Classes will end June 9.

Most of the courses are offered between 7-10 p.m. one night a week--Monday through Thursday--with several classes meeting two nights a week.

Mary Margaret Courtney, assistant coordinator of the UM Extension Division, said that extension courses with insufficient enrollments to finance them will not be offered.

Additional information about the extension courses can be obtained in Turner Hall, room 113, or by phoning Miss Courtney at 243-5073.

Up to 9 credits under the extension program may be applied toward a master's degree if properly authorized by the University Graduate Committee.

A listing of the courses available follows. Courses with (G or UG) following the titles are available for graduate or undergraduate credit. Courses with (G) are available for graduate credit only and those marked (UG) are offered for undergraduate credit. The date of the first class meeting for each of the respective courses is in parentheses.
