HPER DEPARTMENT AT UM
REPRESENTED AT TEXAS MEETING

MISSOULA--

Several members of the University of Montana Department of Health, Physical Education and Recreation are participating in the national meeting of the American Association for Health, Physical Education and Recreation (AAHPER) in Houston, Tex., this week.

Besides being chairman of the Scientific Foundations Section meetings and participating in the AAHPER Research Council meetings, Dr. Brian J. Sharkey, an associate professor, will present a paper entitled "The Prescription of Exercise for Physiological Fitness and Weight Control."

Dr. John L. Dayries, an associate professor, will participate in a section of the Scientific Foundations program entitled "Science and Sport: Myth and Reality" and Dr. Gary Nygaard, an instructor, will present a paper at another session entitled "The Analysis of Classroom Behavior."

Thomas R. Whiddon, an instructor and director of intramurals at UM, will serve as recorder for both sessions of the Scientific Foundations Section.
