The meeting was called to order by Norm Anderson.

CONSTITUTIONAL REVISIONS Gaughan read the proposed amendments. Gaughan explained that the last sentence of the present section 7, was taken out and put in another section that has to do with Kaimin publications.

Gaughan said that 7-9 was changed so that a special election would be held in case of vacancies in office instead of the old way of electing them at a class meeting. He said that has been poor attendance at the class meetings. He explained that the number of voters necessary to make it a legal election is specified in the by-laws.

Newlin said that if amendments were printed twice a week for two weeks as specified in 11-1, there would be no room in the Kaimin to print the news. Briggs said the principle of two per week for two weeks was sound. He asked if Central Board could pay for the space used. Wunderlich suggested that it be printed formally in the Kaimin twice and be a special folder insert the other two times. The board voted 5 to 4 (the chair broke a 4-4 tie) in favor of having the amendments printed twice per week for two weeks.

Gaughan suggested that the words from "provided that such impeachment" on be deleted from article 8-1. He said that although it gives the board the power to impeach an ex officio member, the same person can still come to the meetings as a student. Briggs said that the Article as it now stands answers the question, can Central Board do any excluding. The board was in favor of leaving the article in by a vote of 6 to 1.

Kind moved that Constitutional "revisions 7-7, 7-9, 7-10, 7-11, 11-1, 5, be passed. It was seconded and passed.

PUBLICATIONS BOARD

Travis reported that Publications Board recommended Georgia George as Sentinel editor and Chuck Jacoby and Sentinel business manager. Lambros so moved, it was seconded and passed.

SIDEWALKS - OVAL

Jere Lee Rivenes said that the oval is one of the last beauty spots on campus. She said that the students ruin the beauty by walking across the grass on the oval. She suggested that delegates from Central Board speak to the various living groups and take a poll on whether or not they want a sidewalk across the oval.

Newlin said that it would be easier to keep the students on one sidewalk that to keep them completely off the oval. Hudson suggested that it be landscaped. Hoiness said that a sidewalk shouldn't go in because the campus traffic will change when the new Union is built.

Lambros moved that Central Board back the oval committee and go on record as keeping sidewalks off the oval and that we do our best to keep people off the grass. It was seconded and failed by a vote of 5 to 4. Newlin moved that Central Board go on record as backing a sidewalk on the oval. There was no second. Hoiness moved to table the matter. It was passed.

LEADERSHIP CONFERENCE

Shadoan reported that there will be a leadership retreat at Flathead Lake Lodge April 30 and May 1. He said that their expenses are $760.00 and they need $260.00 more to meet them. He said that the University
will pay $130.00 and asked that Central Board appropriate the remaining $130.00. VanMeter said that the whole campus will benefit, not just one group. Anderson said that it will be good for the incoming ASMSU officers because it'll give them an opportunity to meet the people they'll be working with next year. Hoiness moved that the MSU Leadership work camp be allotted $130.00. It was seconded and passed unanimously.

STUDENT COMMITTEE ON INTERSCHOLASTIC

DeMers, asked that the following be appointed to the committee: Atkinson, assistant chairman, Booth, George, Milhouse, Yule, Fowler, Mellot, Bailey, Lee, Bailey, Siebert, Cogswell, Robbin, Jessen. Hudson so moved, it was seconded and passed.

Hoiness moved that the vote on the honor system be changed from the primary election to the general election. He said that then there can be more discussion and the students can be educated more. The motion was seconded and passed.
