ASUM PROGRAM COUNCIL TO PRESENT
'THE FOX' DEC. 4 IN UC BALLROOM

MISSOULA--

The movie version of D. H. Lawrence's book "The Fox" will be shown in the University Center Ballroom at the University of Montana at 9 p.m. Monday (Dec. 4).

Admission to the movie will be 75 cents. The film showing is sponsored by the Program Council of the Associated Students of UM.

Starring Sandy Dennis, Anne Heywood and Keir Dullea, the movie revolves around two women who isolate themselves on a remote chicken farm in rural Canada in search of harmony and private fulfillment.

The two cannot keep out their own yearnings, however, nor the rest of life. A fox from the forest is destroying their livelihood. A wanderer, portrayed by Dullea, appears and kills the fox, saving the chickens.

The wanderer's brusque male presence shatters the women's delicate relationship, precipitating one toward full-hearted physical union, the other toward frenzy and death.
