ART CENTER IN BILLINGS
HAS ARTWORKS BY AUTIOS

MISSOULA--

Artworks by Rudy Autio, a University of Montana art professor, and his wife, Lela, are on display through the month of December at the Yellowstone Art Center in Billings.

The show consists of soft sculpture, paintings and pots, according to Art Center director John Armstrong.

One of the most well-known sculptures by Autio is the University mascot, the bronze grizzly bear, which was set up several years ago in the small oval near the UM Lodge on the Missoula campus.
