Central Board Minutes  
Thursday, April 9, 1953  

A short Central Board meeting was called to order in the President's office after a meeting of student leaders there. Lambros reported that the student body had been guaranteed at least 400 Community Concert seats for one night at $4.20 apiece. He said that this would save ASMSU $1,900 to $2,200. And he said that such seats would not necessarily limit ASMSU students to the balcony, though they would be expected to take extra make-shift seats during especially crowded performances. Wunderlich stated that he felt the students should have equal rights as to seating. Cameron then moved that ASMSU contract with the Community Concert association for a block of seats not to exceed 600 for which tickets would be sold at $4.20. Brennan seconded, and the motion was carried.

It was reported that Bev Terpening, whose petition to run for Store Board had been refused because she was not old enough, is 21 after all. Brennan moved that we accept her application, Jones seconded, and the motion was carried.

Being no further business, the meeting was then adjourned.

Respectfully submitted,

Mary Joan Tascher  
ASMSU Secretary

All members present except Newlin.
