Central Board Minutes

October 7, 1953

The meeting was called to order by Norm Anderson and the minutes were read and corrected to read in paragraph two, end of the fiscal year and \$216.12 instead of \$490.13.

Newlin and DeForth reported on the Student Employment Bureau. Their report is included in the minutes. Van Duser said she had been kept busy all day on Student Employment since the Student Union has had the Bureau. She suggested a full time vetrans wife to work on it. However, she said they will keep the B ureau until another solution is found.

Baldwin suggested that a chart on the wall be set up with a card for each job to be filled. Any student may look through the cards and sign the card of the job he wants. The agency records it and he applys for the job.

Baldwin suggested that each person who registers with the Bureau pay a \$1.00 registration fee for the year. Van Duser suggested that they pay a per cent of their first check.

Briggs said the registration fee wouldn't bring in enough to cover operating costs and that we should try and give the service to the students free if possible. Eyer said that there are so many small odd jobs that it would be difficult to charge a per cent.

Baldwin suggested that the employers pay. Chumrau said it would be hard to charge townspeople for a small odd job.

Wunderlich suggested a budget be set up and presented to Central Board, Student Union Board, and the President's Office. Hoiness estimated a cost of \$1300.00. Anderson appointed a committee of Wunderlich, Van Duser, Chumrau, Hoiness, and himself to look into the matter further.

Chumrau said they still have a Placement Bureau for graduates in teaching, business and industry. In order to keep the two bureaus straight, he suggested that we call this the Student Employment Bureau.

Hudson reported that the Social Committee is setting up the social calendar for the entire year.

Eyer said that Outside Entertainment has sold all but 21 Community Concert tickets and will continue sales. They are working with the Student Union on the Virginia City Players who will be here October 23. Patti Woodcock is general manager. They are considering working with the Student Union on a series of five films a quarter.

H oiness reported that the Duke Ellington dance netted \$177.15.

Total Receipts \$1654.00

Expenditures

Duke \$1200.00

Advertising 135.00

Loudspeaker 3.00

Tickets 13.85

Student Union 125.00

Total \$1476.85

Ryan said that Traditions Board Bought trophies for the Homecoming Float, Variety Show, and Homecoming Queen.

Ryan said the frosh will paint the "M" Thursday, October 8, at 4:00 P.M.

Traditions Board set up the following rules for the Victory Wagon:

- 1) No vehicle shall be attached to it at any time.
- 2) A Bear Paw shall guard it at all times when it is in Use.
- 3) After a victory it shall be pulled around the oval at least once.

Ryan said there will be a cheer section for the next game. They will have tin cans with rocks in them for noisemakers.

Last week it was suggested that our Intramural Champions play Boseman's Intramural Champions. Cross, Intramural Director, opposed playing the championship because he said injuries would be too great. Especially in touch football when the rivalry was intense there could be serious injuries that the University would be responsible for. Chumrau said insurance would cost \$10.00 to \$14.00 per man.

Chumrau said that the University would have the responsibility for students traveling to Boseman.

Briggs said he thought it would change the tenor of the Intramural program. Eyer said the rivalry would become too intense

Anderson said he thought it would create more interest in the Intramural program. He suggested that we try it this year in basketball because injuries are not common in that sport. He asked for a vote of those interested in looking into the possibilities of basketball. The vote was affirmative.

Cross asked for permission to use the money budgeted him for repairing permanent equipment. Hoiness said the clause that he couldn't buy permanent equipment without first consulting Central Board was in the budget so students wouldn't buy equipment used in their P.E. classes. Wunderlich suggested that Cross give a written request stating the price of the article he wants to Central Board when he wants permanent equipment.

Hudson suggested we have a Homecoming Mixer in the Fishbowl and have a small combo play. Anderson reported that Cogswell said that the Alumni Homecoming Committee will underwrite one half the price. The mixer will be for both students and alumni. Burnell so moved, it was seconded, and passed.

Shadoan recommended that Central Board sponsor Dr. Koo as a speaker to open Religious Emphasis week. He's a Confucionist turned Christian. He will cost \$50.00. The matter was turned over to the Outside Entertainment Committee.

Van Duser asked that we find out if there are any rules as to when College Chums should be played. Ryan will investigate.

There being no further business, the meeting was adjourned.

Respectively submitted,

Phyllis Kind
