Central Board Minutes
Wednesday, January 23, 1952

The meeting was called to order by Bill Reynolds. The minutes of the previous meeting were read and approved.

Kugler reported that Publications board recommended that Jerry Murphy be accepted as associate editor of the Sentinel. They also recommended that the business manager of the Sentinel be an unpaid associate in the fall and take over in January as official business manager. A discussion followed. Kugler moved that Central Board accept Publications board's recommendation of Jerry Murphy as associate editor of the Sentinel. Also that the business manager is to be selected in the spring quarter from students of freshman, sophomore and junior standing. Previous Sentinel experience is recommended. The student will act in the position of apprentice without pay during the fall quarter following appointment and will receive a yearly salary of $320.00, to be paid monthly beginning January 1 and ending December 31 of the same year. Newlin seconded. Motion carried.

Thorurd reported that the Saturday afternoon dances had had a very poor reception by the student body. The merits of continuing such a program were discussed. It was suggested that the Social committee invite specific living groups to attend these Saturday dances to build up student participation.

Hoffman said that Duke Ellington's agent had called and asked to change the date of their engagement here from Thursday, March 27 to Friday, April 4. Thorurd moved that we accept the change of dates. Kugler seconded. Motion carried.

Reynolds asked the Central Board members to inquire around concerning student sentiments about their representation in student government.

There being no further business, the meeting was adjourned.

Respectfully submitted,
