Central Board Minutes
Feb. 6, 1952

The meeting was called to order by Bill Reynolds. The minutes of the previous meeting were read and approved.

Randy Jacobs from the downtown Community Concert committee explained how they would like to have the Concert run this year. If ASMSU paid the usual $4,200 we would get $5,500 worth of entertainment. The town ticket sales start in March. There was some discussion as to the advisability of campus sales starting at this time. Schlieman moved that ASMSU pay the usual $4,200. Jones seconded. Motion carried.

Thorsrud reported that the Social committee had a meeting and they were working on ideas and suggestions for more student activities in the Union. She said that the Miss Montana Pageant date had been changed so there is no conflict with the Duke Ellington date. A majority of the members were in favor of delaying the signing of the contract until the first meeting in March with hopes of the tax exemption coming through.

Reynolds reported that the Convo committee is negotiating with Bozeman for an exchange convo. They are sending a group over here, Friday, March 20 and we will send a group there on the same day. It was suggested that the music school could stop in Livingston and Butte for concerts on the way. This would take extra funds, figured at about $250. The matter will be voted on next week.

Reynolds reported on the Constitutional Revision committee. He said that Dick Wohlgenant is going to run an article in the Kaimin next week to give students an idea of what we are working on. We might have a group discussion before the ballot to get student opinions.

There being no further business, the meeting was adjourned.
