CENTRAL BOARD MINUTES
January 9, 1961

The meeting was called to order by Bob Anderson and the minutes of the previous meeting were read and approved.

Anderson reported that due to a mix-up in contracts, Louis Armstrong's band will not be available to us. Kind then read a wire received from Ralph Flamagan's agent which stated that he would be available for $1500, either on Tuesday, February 27 or on Thursday, March 1. Kind also said that there was a possibility of getting some other band at a later date. Therefore, it was decided that she should investigate all further possibilities and report back to Central Board at some future date.

Anderson announced that Dave Cole of the Athletic Department wanted permission to buy five official shirts for intramural sports from their regular budget. Cole told Anderson that they had some money from last fall and that therefore, the shirts would not be an added expense to the budget. Wohlgenant moved that we authorize Intramural Sports to spend the necessary money for official shirts. Kind seconded the motion and the motion passed.

The meeting was then adjourned.
