CENTRAL BOARD MINUTES
February 27, 1951

The meeting was called to order by Bob Anderson and the minutes of the previous meeting were read and approved.

Representing the Red Cross, Mary Ann Baurer asked if it would be all right to stencil on the sidewalks during the Red Cross drive. Anderson said that such material might be put on the sidewalks providing that it is promptly removed. Chaffin then moved that the Red Cross be allowed to solicit funds on campus. Wohlgenant seconded the motion. Carried. Chaffin also moved that the World Student Service Fund be allowed to solicit funds on campus. McKown seconded the motion. Carried.

Shirly McKown of Publications Board recommended for Central Board's approval as the 1951-1952 associate editors of the Kaimi, Jewel Beck, Tom Ambrose, Lewis Keim, and Dick Smith. Chaffin moved that Central Board approve the above recommendation. Wohlgenant seconded. Carried.

Hal Anderson reported on the efforts made to secure Louis Armstrong and his band to play here. The only available date is Monday, March 19, and he has offered us a two hour concert which would be held in the Student Union auditorium, and a two hour dance which would be held in the Gold room. He will be paid $1500, for this arrangement. Considerable discussion followed as some members of the board felt that ASMSU could not afford the financial risk involved in holding a dance so very early in the quarter. However, others felt that the advance ticket sale would lessen the risk involved. Chaffin moved that ASMSU bring Louis Armstrong here for $1500. March 19. Kugler seconded the motion and the motion passed with Murphy and Wohlgenant dissenting.

The Budget and Finance committee recommended that the $50,00 allocated to Traditions board by a motion of January 16 be transferred to the Job Clinic. The letter explaining the circumstances surrounding this recommendation are hereby included in the minutes. The matter was tabled until next week.

Gorden Stewart, head of Aber Day activities, reported to Central Board about the financial situation. Due to rising costs, some alterations in the food arrangements may have to be made. He suggested that activity cards be required identification at meals to prevent anyone but university students from participating at the barbeque as has been done in the past. Murphy said that the financial situation had been foreseen and that $750 had been budgeted for Aber Day this year.

The meeting was then adjourned.
