Central Board Minutes  
Monday, October 22, 1951

*Bill*

The meeting was called to order by Bill Reynolds. The minutes of the previous meeting were read and approved.

Lucas reported that a luncheon had tentatively been planned for Dad's Day. Central Board must guarantee attendance of sixty to Student Union in order to serve luncheon at \$1.00 per plate. Discussion followed. Other dad's Day activities will include: a trophy to be awarded to the outstanding lineman and outstanding backfield man as selected by a qualified committee, and fathers of team members will sit on the bench with the team. October 23 is the last day for cheer-leader try outs.

Schlieman read a letter from Hienz concerning the all-school production which has been set for May 13, 14, and 15, 1952. Discussion followed. Schlieman also read a letter from the Department of Interior in regard to inquiry made by Central Board last spring concerning sale of buffalo meat to the student body. Jones moved that Schlieman and Reynolds be authorized to deal with the matter and take action according to their own discretion. Olson seconded. Motion carried.

Olson reported that a meeting had been held Saturday morning for the purpose of discussing publicity for the coming name band. Discussion followed concerning general publicity over the air, in publications, etc. It was suggested to expand publicity over a greater area, if possible.

Reynolds announced that expenses have been covered through community concert ticket sales. He also said that Mr. Freeman and the convocation committee is attempting a more integrated program, in that it is possible to make use of some student group funds to promote various convocations other than the series and special convocations planned and financed entirely by the University.

Dean Wunderlich extended to Central Board a sincere thanks to the student body for participation and general hospitality during the inaugural-homecoming week-end from the State Board of Education and Mrs. McFarland. He said some type of program for the foreign students may be handled through Central Board, and suggested that an invitation be extended to them to attend one or more of our meetings.

There being no further business, the meeting was adjourned.

Respectfully submitted,

*Juanita Kugler*
